JOYMOR BPB1G

JOYMOR BPB1G 3-in-1 Baby Bassinet, Pack and Play, and Bedside Sleeper Instruction Manual

1. INTRODUCTION AND OVERVIEW

The JOYMOR BPB1G is a versatile 3-in-1 baby bassinet designed to adapt to your child's growth from newborn to toddler. It functions as a baby bassinet, a bedside sleeper, and a spacious playard. This manual provides essential instructions for safe assembly, operation, and maintenance of your JOYMOR BPB1G.

2. SAFETY INFORMATION

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- Do not leave baby unattended.
- Remove all soft toys and accessories before baby can sit or stand unassisted to prevent choking hazards.
- Always use the locking mechanism when moving the bassinet to prevent unintended movement.
- Ensure the bassinet is fully assembled and stable before use.
- Never place the bassinet on an elevated surface.
- Do not exceed the weight capacity of 33 lbs.
- Always supervise children when they are using the bassinet.
- Keep the zippered entrance closed when not in use to prevent entrapment hazards.

3. PRODUCT FEATURES

- **Multi-Function 3-in-1 Design:** Easily transforms into a baby bassinet, a bedside sleeper, and a playard with a zippered entrance.
- **Bedside Sleeper Mode:** Features a one-side open design with safety belts for secure attachment to the parent's bed, facilitating parent-child interaction. Includes a music box with 3 rotating soft toys.
- **Enhanced Stability:** Reinforced base with a 3-tube support system ensures stability and prevents tilting.
- **Breathable Design:** Equipped with breathable mesh on both sides for ventilation and clear visibility of your baby.
- **Compact Folding:** Push-button design allows for quick and effortless assembly and folding into a compact shape for easy travel and storage.
- **Wheeled Mobility:** Two wheels, each with a reliable braking mechanism, provide enhanced safety and

convenience for moving the bassinet between rooms.

4. SETUP AND ASSEMBLY

Follow these steps to assemble your JOYMOR BPB1G bassinet and playard. Refer to the embedded videos for visual guidance.

1. **Unpack the Unit:** Remove the bassinet/playard from its carry bag.
2. **Unfold the Frame:** Stand the unit upright and separate the legs. Ensure the center of the playard is fully pulled up before attempting to lock the side rails.
3. **Lock Side Rails:** Push down firmly on the center of each side rail until it clicks securely into place. If a side rail does not lock, pull the center strap further up and try locking the side rail again.
4. **Install Bassinet Insert (Optional):** If using the bassinet mode, insert the support bars and secure the bassinet fabric insert at the elevated level.
5. **Place Mattress Pad:** Position the mattress pad securely within the bassinet or playard base.
6. **Attach Accessories:** Attach the mobile with soft toys and the side storage caddy as desired.

Assembly Videos

Video 4.1: Troubleshooting side rail locking issues. This video demonstrates how to properly lock the side rails of the playard, addressing common issues where they might refuse to lock.

Video 4.2: General assembly guide for a similar pack and play. This video illustrates the unfolding process, insertion of support bars, and placement of the mattress, which are common steps for this type of product.

Video 4.3: Assembly and feature overview of a similar pack and play. This video demonstrates unfolding, adding the bassinet insert, changing pad, and mobile, providing a visual guide to these features.

5. OPERATING INSTRUCTIONS

5.1 Bassinet Mode (Newborns)

For newborns, use the elevated bassinet level. Ensure all side rails are securely locked. The included music box with rotating soft toys can be attached to soothe your baby.

BASSINET CRIB MODE

Perfect for your baby nap time in the living room

Figure 5.1: Bassinet Crib Mode.

Figure 5.2: Music box with rotating soft toys.

5.2 Bedside Sleeper Mode

To use as a bedside sleeper, lower one side rail (refer to product-specific instructions for safe lowering mechanism).

Secure the bassinet to the adult bed using the provided safety belts to ensure it remains in place and prevents gaps.

Figure 5.4: Baby sleeping in bedside mode.

5.3 Playard Mode (Older Infants & Toddlers)

For older infants and toddlers, remove the bassinet insert and place the mattress pad at the bottom of the playard. Ensure the zippered entrance is closed when the child is inside to prevent accidental exits.

 **Never leave your child unattended, always keep an eye on your child.**

5.4 Mobility

Use the integrated wheels to move the bassinet/playard. Engage the wheel brakes by pushing down on the brake levers when the unit is stationary to prevent unintended movement.

6. MAINTENANCE

- **Cleaning:** The product care instructions specify "Hand Wash." Clean mesh fabric and removable parts with a damp cloth and mild soap. Allow to air dry completely.
- **Inspection:** Regularly inspect all parts, including fabric, mesh, and frame components, for any signs of wear, damage, or loose fasteners. Discontinue use if any part is broken or missing.
- **Functionality Check:** Ensure all locking mechanisms, zippers, and brakes are functioning correctly before each use.

7. TROUBLESHOOTING

- **Side Rails Not Locking:** Ensure the center of the playard is fully pulled up before attempting to lock the side rails. Push down firmly on the center of each rail until it clicks into place. If issues persist, refer to the assembly video (Video 4.1).
- **Unit Not Folding:** Ensure all side rails are unlocked by pressing the buttons on the center of each rail. Pull the center strap upwards to initiate folding. Do not force the unit if it resists folding.

8. SPECIFICATIONS

Feature	Specification
Product Dimensions	40" L x 25.6" W x 30.3" H
Item Weight	15.4 pounds

Weight Capacity	33 Lbs
Mattress Size	38" L x 23.6" W
Material	Plastic (frame), Fabric (mesh, padding)
