

## CINMOORE CM-BC3U

# CINMOORE 4MP Wireless Home Security Camera

Model: CM-BC3U - User Manual

## INTRODUCTION

Thank you for choosing the CINMOORE 4MP Wireless Home Security Camera. This manual provides detailed instructions for setting up, operating, and maintaining your camera to ensure optimal performance and security for your home, both indoors and outdoors. This camera features 2.5K 1440P ultra-HD resolution, full-color night vision, AI human detection, two-way audio, and flexible storage options.

## WHAT'S IN THE BOX

Please check the package contents to ensure all items are present:

- Camera x1
- Mounting Screws x1 set
- User Manual x1
- Charging Cable x1
- Mounting Bracket x1
- Quick Mounting Plate x1

## PRODUCT OVERVIEW

The CINMOORE CM-BC3U camera is designed for versatile security monitoring with advanced features:

- **2.5K 1440P Ultra-HD Resolution:** Provides sharp and detailed images for clear surveillance.
- **Full-Color Night Vision:** Ensures clear footage even in low-light conditions, offering enhanced visibility compared to traditional IR night vision.
- **AI Human Detection:** Minimizes false alerts by accurately identifying human shapes, reducing notifications from pets or moving branches.
- **Built-in Siren & Light Alarms:** Activates instantly upon motion detection to deter intruders and send real-time alerts.
- **100% Wire-Free & Rechargeable Battery:** Equipped with a powerful 5200mAh battery for long-lasting, flexible placement without power cables.
- **2.4G WiFi Connectivity:** Enables smooth real-time monitoring and remote access via your mobile device.
- **Magnetic Camera Base:** Allows for easy and flexible installation indoors or outdoors.
- **IP66 Weatherproof:** Designed to withstand various weather conditions for reliable year-round performance.
- **Full Duplex Two-Way Audio:** Features a built-in microphone and speaker for real-time communication.
- **Flexible Storage:** Supports local storage via microSD card (up to 512GB, not included) and offers a 30-day free trial of cloud storage.
- **Pre-Roll Mode:** Captures 5 seconds of video before a detected event, providing a more complete picture of what happened.

## SETUP

### 1. Charging the Camera

Before initial use, fully charge the camera using the provided charging cable. Connect the cable to the camera's charging port and a standard USB power adapter (not included). The charging indicator light will show the charging status.

### 2. App Installation and Account Creation

1. Download the official CINMOORE app from your smartphone's app store (iOS or Android).
2. Open the app and follow the on-screen instructions to create a new account or log in if you already have one.

### 3. Connecting to Wi-Fi

1. Ensure your smartphone is connected to a 2.4GHz Wi-Fi network. The camera only supports 2.4GHz Wi-Fi.
2. In the app, select 'Add Device' and choose your camera model.
3. Follow the app's prompts to connect the camera to your Wi-Fi network. This usually involves scanning a QR code generated by the app with the camera lens.

### 4. Mounting the Camera

The camera offers flexible installation options thanks to its magnetic base and included mounting hardware.

- **Indoor Installation:** The magnetic base allows for easy attachment to metallic surfaces like refrigerators, or use the mounting plate for walls or ceilings.
- **Outdoor Installation:** Use the mounting bracket and screws to securely attach the camera to an outdoor wall or eaves. Ensure the camera is positioned to cover the desired area and is within Wi-Fi range. The IP66 rating ensures it can withstand outdoor elements.

## OPERATING THE CAMERA

## 1. Live View

Open the CINMOORE app and select your camera from the device list to access the live video feed. You can view real-time footage from anywhere with an internet connection.

## 2. Two-Way Audio

From the live view screen, tap the microphone icon to speak through the camera's speaker, and listen to audio from the camera's microphone. This allows for real-time conversations with visitors or to deter unwanted guests.

Image: A visual representation of the two-way audio feature, showing speech bubbles between the camera and a person.

## 3. AI Human Detection & Alerts

The camera's advanced AI detection focuses on human shapes, reducing irrelevant notifications. When motion is detected, the camera can activate its built-in siren and light alarms, and send instant alerts to your phone. Customize detection sensitivity and alert settings within the app.

#### 4. Night Vision

The camera offers both traditional IR night vision and advanced full-color night vision. Full-color night vision provides a clearer, more detailed view in low-light conditions, enhancing identification of objects and individuals.

Image: Another comparison illustrating the clarity of color night vision versus traditional IR night vision, specifically with vehicles.

## 5. Pre-Roll Mode

When an event is triggered, the camera's pre-roll mode captures the 5 seconds of video leading up to the event. This provides crucial context and a more complete understanding of what occurred.

# Pre-Roll to get a more complete picture of what happened

## 6. Storage Options

The camera supports two storage methods:

- **MicroSD Card:** Insert a microSD card (up to 512GB, not included) into the camera's slot for local storage of recordings.
- **Cloud Storage:** A 30-day free trial of cloud storage is available, offering advanced features like AI recognition and upgraded memory. Subscription plans are available after the trial.

## 7. Sharing Access

You can easily share access to your camera's live feed and recordings with family members through the CINMOORE app. Navigate to the 'Device Sharing' option in the settings to invite others.

## MAINTENANCE

### 1. Battery Charging

The camera is equipped with a 5200mAh rechargeable battery. Monitor the battery level in the app and recharge the camera when prompted. Battery life can vary based on usage, recording frequency, and environmental factors.

### 2. Cleaning

To maintain optimal image quality, periodically clean the camera lens with a soft, dry, lint-free cloth. For the camera body, use a slightly damp cloth. Avoid using harsh chemicals or abrasive materials.

### 3. Weather Resistance

The camera has an IP66 weatherproof rating, meaning it is protected against dust and powerful water jets. While designed for outdoor use, avoid submerging the camera in water or exposing it to extreme weather conditions beyond its rating.

## TROUBLESHOOTING

- **Camera not connecting to Wi-Fi:**

Ensure your Wi-Fi network is 2.4GHz. Check that the camera is within range of your router. Restart both the camera and your router. Verify your Wi-Fi password is correct.

- **Poor image quality:**

Clean the camera lens. Ensure there are no obstructions in front of the lens. Check your Wi-Fi signal strength; a weak signal can affect video quality.

- **Short battery life:**

Frequent motion detection events, continuous live viewing, or extreme temperatures can reduce battery life. Adjust detection sensitivity, reduce live view time, or consider placing the camera in a less active area if possible.

- **No alerts received:**

Check app notification settings on your phone and within the CINMOORE app. Ensure the camera is connected to Wi-Fi and has sufficient battery.

- **Two-way audio not working:**

Check the microphone and speaker settings in the app. Ensure your phone's volume is up.

## SPECIFICATIONS

Feature	Specification
Model Name	Smart Battery Camera (CM-BC3U)
Resolution	2.5K 1440P (4MP)
Connectivity	2.4GHz Wi-Fi
Power Source	Battery Powered (5200mAh rechargeable battery)
Night Vision	Full-Color Night Vision, IR Night Vision (33 Feet range)
Audio	Full Duplex 2-Way Audio
Detection	AI Human Detection, Motion Detection
Storage	Micro SD (up to 512GB), Cloud Storage
Weather Resistance	IP66 Waterproof
Mounting Type	Wall Mount (Magnetic Base)
Dimensions (L x W x H)	1.8 x 2.4 x 3.8 inches
Item Weight	14 ounces

Material

Acrylonitrile Butadiene Styrene (ABS)

## WARRANTY AND SUPPORT

For warranty information and technical support, please refer to the contact details provided with your product packaging or visit the official CINMOORE website. Keep your purchase receipt for warranty claims.
