- **Frame Care:** The steel frame features an E-coating for rust resistance. Clean the frame with a soft cloth and mild soap and water. Rinse thoroughly and dry completely to prevent water spots.
- **Cushion Care:** The cushions are made with 'Cushion Pro' technology, making them water-proof, stain-resistant, and oil-resistant. Covers are removable via zippers for easy washing. Hand wash or machine wash on a gentle cycle with cold water and mild detergent. Air dry only; do not tumble dry.
- **Rattan Care:** The rattan wicker is designed for outdoor durability. Clean with a soft brush or cloth and mild soap and water. Rinse and dry.
- **Weather Protection:** While designed for outdoor use, covering the furniture during prolonged periods of harsh weather (heavy rain, snow, intense sun) or when not in use will help preserve its condition. Store cushions indoors during off-seasons.
