Basike FON141-T6

Basike T6 (Model FON141) IPX5/OWS Bluetooth Sports Earbuds User Manual

Your guide to optimal performance and care.

Introduction

Thank you for choosing the Basike T6 IPX5/OWS Bluetooth Sports Earbuds. This manual provides essential information for the proper use, maintenance, and troubleshooting of your device. Please read it carefully before use and keep it for future reference.

Setup

Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the Type-C cable to the charging case and a 5V/1A power source. Charging typically takes 1-2 hours.

Bluetooth Pairing

1. Remove the earbuds from the charging case. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select 'Basike T6' from the list to connect.
4. Once paired, the earbuds will automatically connect to your device when removed from the case for subsequent uses.

Operating Instructions

Touch Controls

Each earbud features a multi-functional touch screen for convenient control:

- **Play/Pause:** Single tap on either earbud.
- **Adjust Volume:** Specific gestures (refer to quick start guide for detailed gestures).
- **Answer/End Calls:** Single tap on either earbud.
- **Activate Voice Assistant (Siri/Google Assistant):** Long press on either earbud.

Sound Quality and Comfort

The earbuds are equipped with 18.2mm dual-layer diaphragm drivers and AAC/SBC high-resolution audio decoding, delivering powerful bass, clear mids, and bright highs. The ergonomic 45° soft, ultra-light, and flexible ear hook design ensures a comfortable and secure fit, ideal for sports and daily use.

Image: Highlighting the air conduction design, which does not require insertion into the ear canal.

Maintenance and Safety

General Care

- Keep the product away from extremely hot and cold environments to prevent battery and circuit damage.
- Avoid immersing the product in liquids. The IPX5 rating protects against splashes and sweat, but not full submersion.
- Do not disassemble the product. This will void the warranty.
- Do not use concentrated chemicals or detergents to clean the product. Use a soft, dry cloth.
- Use only a 5V/1A power source for charging. Connecting to a higher voltage power supply can cause serious damage.

Cleaning

Regularly clean the charging contacts on both the earbuds and the charging case to ensure proper charging and connection.

Image: Highlighting the IPX5 water resistance, making the earbuds suitable for use during rain or sweat.

Troubleshooting

Resetting the Earbuds

If the earbuds experience connection or function issues, try resetting them:

1. Delete the Bluetooth pairing information for the earbuds on your phone.
2. Place both earbuds into the charging case to charge.
3. Remove the earbuds and wait 20 seconds.

(If the above operation does not resolve the issue, please try again.)

Common Issues and Solutions

- **Connected, but no sound:** Click the right earbud to increase the volume.
- **One earbud not charging:** Clean the charging contacts of both the earbuds and the charging case.
- **One earbud not connecting:** Reset the earbuds as described above.

Specifications

Feature	Detail
Model Name	FON141-T6
Connectivity Technology	Wireless (Bluetooth 5.4)
Frequency Response	20K-20000K Hz
Wireless Communication Range	15 meters
Battery Capacity	500mAh (Charging Case)
Playback Duration	Up to 11 hours (medium volume)
Standby Time	Up to 60 hours
Charging Interface	Type-C
Charging Voltage	5V-1A
Charging Time	1-2 hours
Water Resistance Level	IPX5 (Water Resistant)
Control Method	Touch
Material	Acrylonitrile Butadiene Styrene (ABS)
Weight	80 Grams
Included Components	Basike Wireless Bluetooth Earbuds
