MFSTUDIO 5 Seats Grey Swivel Set (B0DTK7SPSJ)

MFSTUDIO 5-Seat Grey Swivel Patio Furniture Set with Fire Pit Table Instruction Manual

Model: 5 Seats Grey Swivel Set (B0DTK7SPSJ)

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions and safety warnings before assembling, operating, or maintaining this product. Failure to follow these instructions may result in serious injury or property damage. Keep this manual for future reference.

- Always assemble according to the provided instructions.
- Do not overtighten screws initially to ensure proper alignment. Tighten all screws once assembly is complete.
- Do not exceed the weight limit of 350 lbs per single sofa chair.
- Keep a safe distance from the fire pit table when in use to prevent burns.
- Ensure adequate ventilation when operating the fire pit.
- Use only the specified fuel type (propane) for the fire pit.
- Never leave the fire pit unattended while in operation.
- Keep children and pets away from the fire pit during use.

PACKAGE CONTENTS

Verify that all components listed below are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer service.

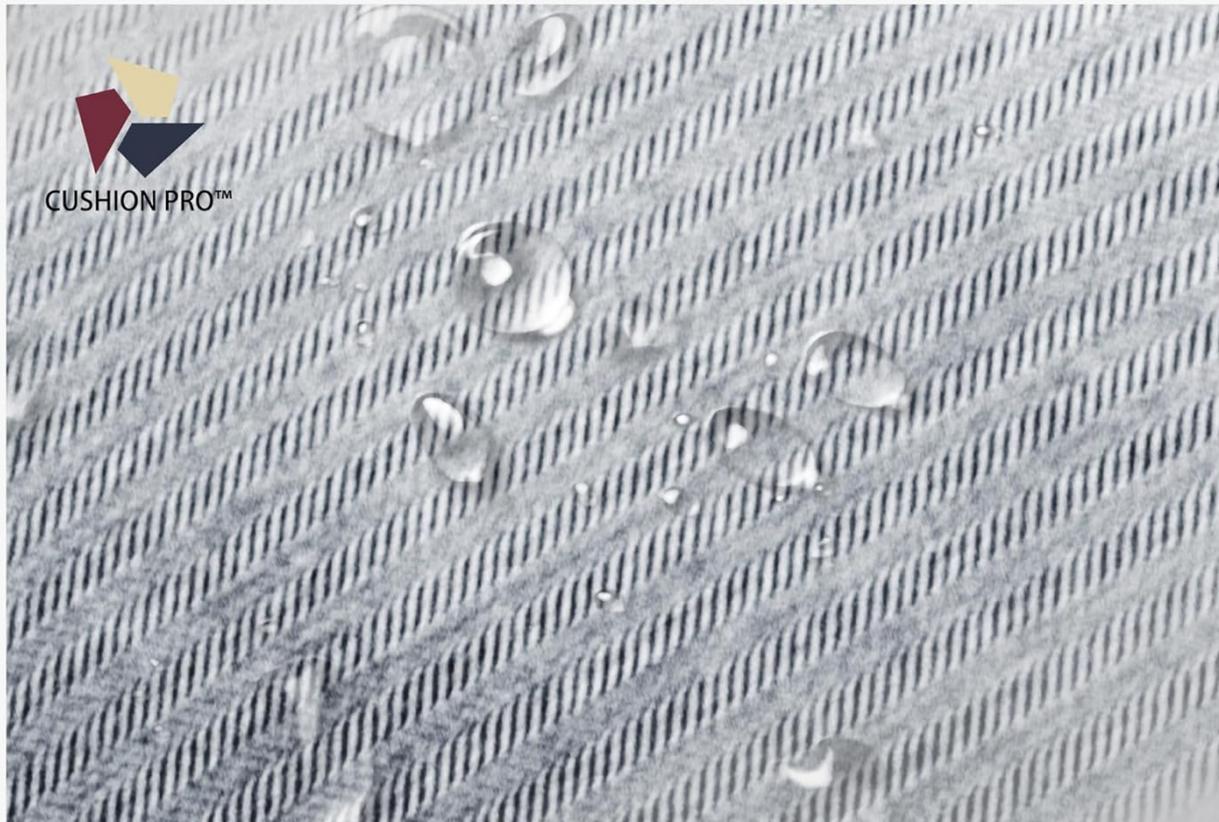

- 2 x Swivel Single Sofa
- 1 x 3-Seat Sofa
- 1 x Fire Pit Table

ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have two people for assembly.

- 1. Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare with the parts list to ensure everything is present.
- 2. Assemble Sofa Frames:** Begin by attaching the backrests and armrests to the seat frames for both the 3-seat sofa and the swivel single sofas. Insert bolts loosely at first.
- 3. Attach Rattan Panels:** Secure the rattan wicker panels to the metal frames as indicated in the specific assembly diagrams for each furniture piece.
- 4. Assemble Fire Pit Table:** Follow the dedicated instructions for the fire pit table, ensuring all gas connections are secure and leak-free.
- 5. Final Tightening:** Once all components are loosely assembled, go back and tighten all bolts and screws securely. Do not overtighten to avoid stripping.
- 6. Place Cushions:** Position the 5.5-inch thick high-density sponge cushions on the seats and backrests. Use

the integrated Velcro to secure them in place.

Note: The middle legs of the sofa are designed not to touch the ground to help balance pressure and enhance stability. This is a normal design feature.

OPERATING THE FIRE PIT TABLE

This section provides instructions for safely operating your 50,000 BTU rectangular propane gas fire pit table.

1. **Connect Propane Tank:** Ensure a standard propane tank (not included) is securely connected to the fire pit table's gas line. Check for any leaks using a soapy water solution.
2. **Open Gas Valve:** Slowly open the main gas valve on the propane tank.
3. **Ignite Fire Pit:** Press and hold the igniter button while simultaneously turning the control knob to the 'LOW' position. Hold for a few seconds until the flame ignites.
4. **Adjust Flame:** Once ignited, release the igniter button and adjust the flame height by rotating the control knob to your desired setting (LOW to HIGH).
5. **Turn Off:** To turn off the fire pit, first turn the control knob to the 'OFF' position, then close the main gas valve on the propane tank.

The fire pit table includes a lid to cover the fire pit area when not in use, protecting the blue fire glass and allowing the table to be used as a regular coffee table.

MAINTENANCE AND CARE

Proper maintenance will extend the life and appearance of your patio furniture set.

- **Cushions:** The 5.5-inch high-density sponge cushions feature Velcro and zippers for easy removal. The covers are washable; follow care instructions on the label.
- **Metal Frame:** The thickened steel frame is treated with E-coating for excellent anti-rust performance and long-lasting durability. Clean with a soft cloth and mild soap and water. Avoid abrasive cleaners.
- **Rattan Wicker:** The charming rattan wicker can be cleaned with a soft brush or cloth and mild soap and water. Rinse thoroughly and allow to air dry.
- **Fire Pit Table:** Keep the fire pit area clean from debris. When not in use, cover the fire pit with the provided lid to protect the fire glass and internal components.

TROUBLESHOOTING

This section addresses common issues you might encounter with your patio furniture set.

- **Furniture Wobbles After Assembly:** Ensure all bolts and screws are tightened evenly. If wobbling persists, loosen all bolts slightly, sit on the furniture to settle it, then retighten. Remember that the middle legs are designed not to touch the ground.
- **Fire Pit Not Lighting:**
 - Check if the propane tank is connected correctly and has sufficient fuel.
 - Ensure the gas valve on the tank is fully open.
 - Verify that the igniter button is being pressed and held while turning the control knob.
 - Check if the igniter electrode is clean and properly positioned.
- **Cushions Slip:** Utilize the Velcro straps on the cushions to secure them to the furniture frames.
