## GTRACING GT002F

# GTRACING GT002F Gaming Chair with Footrest User Manual

## 1. INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and safety of your GTRACING GT002F Gaming Chair with Footrest. Please read these instructions carefully before assembly and use to ensure proper function and longevity of your chair.

The GTRACING GT002F is an ergonomic gaming chair designed for comfort and support during extended periods of sitting, suitable for gaming, studying, or office work. It features adjustable components and durable construction to enhance your experience.

## 2. SAFETY INFORMATION

Please adhere to the following safety guidelines to prevent injury or damage to the product:

- Ensure all components are securely fastened before use.
- Do not stand on the chair.
- Do not use the chair on uneven surfaces.
- Avoid placing heavy objects on the chair's backrest or armrests.
- Keep hands and fingers clear of moving parts during adjustment.
- Maximum weight recommendation: 300 pounds.

## 3. PRODUCT FEATURES

The GTRACING GT002F Gaming Chair is equipped with several features designed for optimal comfort and functionality:

- **High-Quality Construction:** Features a thick padded seat cushion, a built-in wider and thicker metal frame, a heavy-duty base for stability, smooth nylon casters, and premium PU leather. The chair cushion inner support is made of FSC-Certified wood.
- **Multi-Functional Adjustments:** Includes adjustable armrests, seat height, and a large reclining angle for personalized comfort.

- **3D Armrests:** Allows movement in multiple directions (higher/lower, inward/outward rotation, angle adjustments) for customized arm and wrist support.
- **Reclining Function:** Offers a large reclining angle up to 160 degrees for relaxation.
- **Integrated Footrest:** A retractable footrest provides additional comfort for resting.
- **Adjustable Headrest and Lumbar Pillow:** Provides support for the head, neck, and lower back.
- **360-Degree Swivel:** Enables easy maneuverability and access to different areas without strain.
- **SGS Certified Gas Lift:** Ensures safe and secure height adjustment.

## 4. SETUP AND ASSEMBLY

A detailed instruction manual with all necessary accessories is included in the product packaging to guide you through the assembly process. Please follow the step-by-step instructions provided to ensure correct and safe assembly of your GTRACING GT002F Gaming Chair.

## 5. OPERATING INSTRUCTIONS

Familiarize yourself with the chair's adjustable functions for personalized comfort:

- **Seat Height Adjustment:** Use the lever located under the seat on the right side to raise or lower the chair. Pull the lever up while sitting to lower, or pull up while standing to raise.
- **Backrest Recline:** Use the lever on the right side of the chair, near the seat, to adjust the backrest angle. Recline up to 160 degrees for relaxation.
- **3D Armrest Adjustment:** The armrests can be moved up, down, forward, backward, and rotated inward or outward to find your preferred position.
- **Footrest Operation:** Pull the footrest out from under the seat and flip it up to extend. Push it back under the seat to retract.

- **Swivel Function:** The chair features a 360-degree swivel for easy movement.

## 6. MAINTENANCE

To maintain the condition and extend the lifespan of your GTRACING Gaming Chair, follow these maintenance tips:

- **Cleaning:** Wipe the PU leather surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary.
- **Caster Care:** Keep the casters free of debris (hair, dust) to ensure smooth rolling and prevent floor damage.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack.

## 7. TROUBLESHOOTING

If you encounter any issues with your GTRACING Gaming Chair, consider the following common solutions:

- **Chair Sinks or Won't Stay Up:** The gas lift may be faulty. Contact customer support for a replacement.
- **Chair Wobbles:** Ensure all assembly bolts are securely tightened. Check the base for any damage.
- **Casters Not Rolling Smoothly:** Clean any debris from the casters. If still an issue, casters may need replacement.
- **Recline Mechanism Stuck:** Check for any obstructions or ensure the recline lever is fully engaged/disengaged.

For persistent issues or concerns not addressed here, please refer to the warranty and support information below.

## 8. SPECIFICATIONS

Specification	Detail
Brand	GTRACING
Model Name	GT002F
Color	Oceanblue
