BarcaLounger Harlee Manual Recliner

USER MANUAL

Introduction

Thank you for choosing the BarcaLounger Harlee Manual Recliner. This recliner is designed to provide exceptional comfort and functionality with its contemporary open arm design, 360-degree swivel, and smooth gliding motion. This manual provides essential information for assembly, operation, maintenance, and care to ensure long-lasting enjoyment of your recliner.

The BarcaLounger Harlee Manual Recliner in a modern living space.

Important Safety Information

- Ensure the recliner is placed at least 4.5 inches (11.4 cm) away from any wall to allow for full recline functionality.
- This chair is heavy and large. Exercise caution and seek assistance during assembly, moving, or positioning to prevent injury.
- Keep children and pets away from the moving parts of the recliner, especially during operation.
- Do not stand on the footrest or armrests.
- Avoid placing heavy objects on the recliner when it is in a reclined position.
- Always ensure the recliner is fully returned to its upright position before attempting to move it.

Assembly Instructions

Assembly of the BarcaLounger Harlee Manual Recliner is required. Please follow these general steps. For detailed, step-by-step instructions, refer to the separate assembly guide included with your product packaging.

1. Unpack all components and verify against the parts list in your assembly guide.
2. Carefully attach the backrest to the seat base, ensuring all connection points are securely aligned.
3. Connect any necessary wiring or mechanisms as indicated in the assembly guide.
4. Ensure all bolts and fasteners are tightened securely before use.

Operating Your Recliner

Recline Function

The Harlee Manual Recliner features a handle-activated recline mechanism. To recline, locate the handle on the side of the recliner (typically on the right side when seated). Pull the handle firmly to release the footrest and lean back to your desired reclining position. To return to the upright position, push the footrest down with your legs until it locks into place, then release the handle.

The handle for activating the recline function.

Swivel and Glide Function

This recliner is equipped with a 360-degree swivel and a smooth gliding function. You can rotate the chair freely in any direction while seated. The gliding motion allows for gentle back-and-forth movement, providing additional comfort and relaxation. These functions operate independently of the recline mechanism.

Maintenance and Care

Leather Care

- Regularly dust the leather with a soft, dry cloth.
- For spills, blot immediately with a clean, absorbent cloth. Do not rub.
- Use a specialized leather cleaner and conditioner as recommended by leather care professionals, following product instructions carefully.
- Avoid direct sunlight and heat sources, which can cause leather to fade or crack.

General Maintenance

- Periodically check all bolts and fasteners to ensure they remain tight.
- Avoid excessive force when operating the recline mechanism.
- Keep the area around the recliner clear to allow for smooth operation of the swivel and glide functions.

Troubleshooting

If you encounter any issues with your BarcaLounger Harlee Manual Recliner, please refer to the following common solutions:

- **Recline mechanism not engaging:** Ensure the handle is pulled completely and there are no obstructions preventing the footrest from extending.
- **Footrest not retracting fully:** Apply firm, even pressure with your legs to push the footrest back into its locked position. Check for any obstructions.
- **Swivel or glide motion is stiff:** Ensure the recliner is on a level surface and there are no objects impeding the base mechanism.
- **Unusual noises:** Check all visible connections and fasteners for tightness. If noises persist, discontinue use and contact customer support.

Product Specifications

Brand	BarcaLounger
Model Name	Harlee
Item Model Number	8-1365-3706-92
