AOGLLATI AG-Bed-190

AOGLLATI Hydraulic Storage Bed 140 x 190 cm User Manual

Model: AG-Bed-190

PRODUCT OVERVIEW

This manual provides instructions for the assembly, operation, and maintenance of your AOGLLATI Hydraulic Storage Bed. This upholstered double bed features a hydraulic lifting function for under-bed storage, an adjustable headboard with integrated USB charging ports, and multifunctional LED lighting.

IMPORTANT SAFETY INSTRUCTIONS

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children.
- Ensure all connections are secure before using the bed.
- Do not exceed the maximum weight capacity of 250 kg (550 lbs) for the bed frame.
- When operating the hydraulic lift mechanism, ensure no objects or body parts are in the path of the moving frame.
- Do not allow children to play on or around the hydraulic lift mechanism.
- Use only the specified power adapter for the LED lights and USB charging ports.

PACKAGE CONTENTS

Your AOGLLATI Hydraulic Storage Bed is shipped in two separate boxes. Please ensure both packages have arrived before beginning assembly. If any parts are missing or damaged, contact customer service. Included components:

- Headboard
- Bed Frame Components
- Slatted Frame
- Hydraulic Lift Mechanism
- Storage Box/Containers (integrated)
- LED Light Strips
- USB/Type-C Charging Station
- Installation Tools
- Detailed Instructions

SETUP AND ASSEMBLY

Assembly requires two people for optimal safety and ease. Follow the detailed instructions provided in your package.

1. Unpack all components and verify against the parts list.
2. Assemble the main bed frame structure according to the diagrams.
3. Attach the headboard, ensuring the LED and charging station wiring is correctly routed.
4. Install the hydraulic lift mechanism. This step may require some force to connect the gas springs.
5. Place the slatted frame onto the bed frame.
6. Connect the LED light strips and charging station to their power sources.
7. Ensure all screws and fasteners are tightened securely.

Rangement sous le lit
Hauteur 28 cm

Jusqu'à 160 lb
Capacité de poids pour le levage

660 lbs	L	W	H
	190cm	140cm	95cm

OPERATING INSTRUCTIONS

Hydraulic Storage Function

To access the hidden storage space, gently lift the slatted frame from the foot end of the bed using the integrated pull strap. The hydraulic mechanism will assist in lifting and holding the frame in an open position. To close, gently push the frame down until it locks into place.

Image: The bed with its slatted frame lifted, showcasing the large storage compartment beneath, suitable for items like shoe boxes, storage boxes, blankets, and pillows.

Height-Adjustable Headboard

The headboard can be adjusted vertically by 5 cm to suit your preference. Refer to the assembly instructions for specific steps on adjusting the headboard height.

Tête de lit réglable en hauteur

90-95cm

Image: The adjustable headboard of the bed, indicating a height range of 90-95cm, allowing users to customize its position.

LED Lighting

The integrated LED light strips at the head and foot ends can be controlled via a dedicated app or the included remote control.

- **Color and Brightness Adjustment:** Change the LED color and brightness to create your desired ambiance.
- **Music Mode:** Synchronize the lights with music.
- **Timing Function:** Set timers for the lights to turn on or off.

Bande LED Multifonctionnelle

Image: The bed with its multifunctional LED band illuminated in yellow, demonstrating control via a smartphone app and a remote control. Icons indicate features like millions of colors, 30 modes, music synchronization, microphone mode, and timing function.

USB Charging Function

The headboard features a convenient charging station with 3 USB ports and 1 Type-C port. Connect your mobile phone, tablet, headphones, and other electronic devices for easy charging.

MAINTENANCE

- **Cleaning:** For the upholstered parts, use a soft, damp cloth and mild soap if necessary. Avoid harsh chemicals.
- **Frame:** Periodically check all screws and connections to ensure they remain tight.
- **Hydraulic Mechanism:** The hydraulic gas springs are designed for long-term use and generally require no maintenance. Do not attempt to lubricate or disassemble them.
- **LED Lights:** If an LED strip malfunctions, contact customer service for assistance. Do not attempt to repair it yourself.
- **Charging Ports:** Keep USB and Type-C ports free of dust and debris.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
LED lights not working	Power connection loose; Remote control battery dead; App not connected; Faulty LED strip.	Check power connections. Replace remote battery. Ensure app is correctly paired. If problem persists, contact customer service.
USB/Type-C ports not charging	Power connection loose; Device cable faulty; Device not compatible.	Check power connections to the headboard. Try a different charging cable or device.
Hydraulic lift mechanism is stiff or not holding	Incorrect installation; Overloaded storage; Faulty gas spring.	Review assembly instructions for correct installation. Ensure storage weight does not exceed capacity. Contact customer service if a gas spring is suspected to be faulty.
Missing or damaged parts upon delivery	Shipping error.	Contact customer service immediately with your order details.
Difficulty during assembly (e.g., holes not aligning)	Manufacturing tolerance; User error.	Double-check the instructions and part orientation. If significant issues persist, contact customer service.

SPECIFICATIONS

Model Number	AG-Bed-190
Brand	AOGLLATI
Size	140 x 190 cm
Product Dimensions (L x W x H)	76.77"L x 55.51"W x 37.4"H (approx. 195cm L x 141cm W x 95cm H)
Color	Dark Gray
Material	Engineered Wood, Metal, Upholstered Linen Fabric
Special Features	Hydraulic Storage, Height-Adjustable Headboard, LED Lighting, USB/Type-C Charging Ports
Weight Capacity	250 kg (approx. 550 lbs)
Item Weight	43.95 Kilograms (96.7 pounds)
Assembly Required	Yes

CUSTOMER SUPPORT

For any questions, missing parts, or assistance with assembly and operation, please contact AOGLLATI customer service. Refer to your purchase documentation for contact information.

When contacting support, please provide your model number (AG-Bed-190) and purchase date.
