MERITLINE Queen Horizontal Murphy Bed Cabinet

MERITLINE Queen Horizontal Murphy Bed Cabinet Instruction Manual

Model: Queen Horizontal Murphy Bed Cabinet

Brand: MERITLINE

INTRODUCTION

Welcome to your new MERITLINE Queen Horizontal Murphy Bed Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read all instructions carefully before beginning assembly or use. Keep this manual for future reference.

SAFETY INFORMATION

Your safety is paramount. Please adhere to the following guidelines:

- Always use caution when folding and unfolding the bed. Keep hands and fingers clear of moving parts.
- Be aware of sharp edges when handling the wooden frame during assembly.
- Follow assembly instructions carefully to ensure stability and prevent collapse. Improper assembly can lead to injury.
- Do not allow children to operate the folding mechanism unsupervised.
- Ensure the bed is securely latched in the upright position when not in use.
- Do not exceed the recommended weight capacity of 600 lbs.

PARTS LIST

Before beginning assembly, please verify that all parts listed in your product packaging are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact MERITLINE customer service for assistance.

SETUP AND ASSEMBLY

This Murphy bed cabinet requires assembly. It is recommended that two adults perform the assembly to ensure safety and proper construction.

Before You Begin

- Clear a spacious, level area for assembly, free from obstructions.

- Lay out all parts and hardware according to the included parts list.
- Keep children and pets away from the assembly area to prevent accidents.
- Use appropriate tools as specified in your packaging (e.g., screwdriver, hammer, wrench).

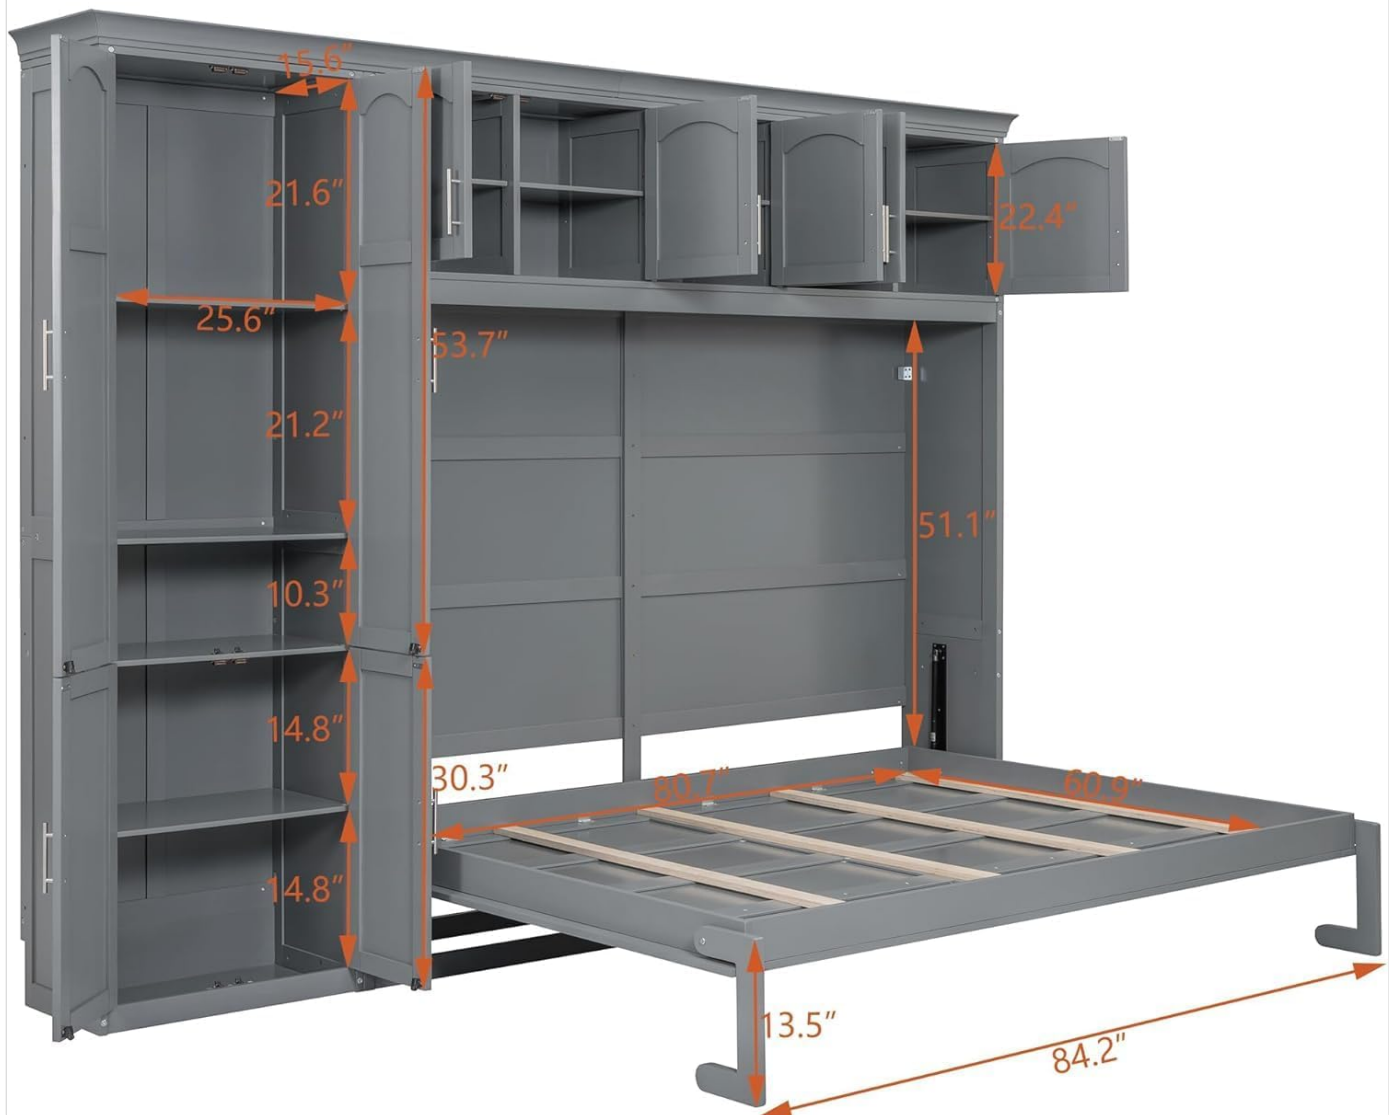

Assembly Steps

Follow the detailed, step-by-step instructions provided in your product's assembly manual. General steps include:

1. Assemble the main cabinet frame components.
2. Attach the bed frame components to the cabinet.
3. Install the folding mechanism, ensuring it operates smoothly.
4. Secure the storage cabinet and drawers. Note that the wardrobe and drawers can be installed on either side of the bed for flexible configuration.
5. Ensure all connections are tight and secure before moving or using the bed.

SIZE: INCH

OPERATING INSTRUCTIONS

Folding the Bed (Storing)

- ## Unfolding the Bed (Deploying)

1. Release the latch mechanism that holds the bed in the upright position.
2. Slowly lower the bed frame towards the floor, controlling its descent.

3. Ensure the support legs are fully extended and stable on the floor before placing any weight on the bed.

MAINTENANCE

Proper maintenance will extend the life and functionality of your Murphy bed cabinet.

- **Regular Inspection:** Periodically inspect all hardware, screws, and connections for tightness. Tighten as needed to maintain structural integrity.
- **Cleaning:** Clean the wood surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, which can damage the finish.
- **Mechanism Check:** Periodically check the folding mechanism (springs or pistons) for smooth operation. If movement becomes stiff, apply a silicone-based lubricant to moving parts as recommended by the manufacturer.
- **Storage:** Do not overload storage shelves or drawers. Distribute weight evenly to prevent damage.

TROUBLESHOOTING

Refer to this section for solutions to common issues.

Bed does not fold/unfold smoothly:

- Check for any obstructions around the bed frame or within the cabinet.
- Ensure all assembly hardware is properly tightened, especially around the folding mechanism.
- Inspect the folding mechanism for any visible damage, misalignment, or worn parts.
- Apply a silicone-based lubricant to the moving parts of the mechanism if it feels stiff.

Bed feels unstable or wobbly:

- Verify that all support legs are fully extended and locked into place when the bed is deployed.
- Re-check all assembly connections, particularly those securing the bed frame to the cabinet and the cabinet to the wall (if applicable).
- Ensure the cabinet is placed on a level surface. Use shims if necessary to stabilize.

SPECIFICATIONS

Feature	Detail
Material	MDF+LVL (Wood)
Size	Queen
Color	Grey W/ Wardrobe
Overall Product Weight	319.92 lbs
Bed Weight Capacity	600 lbs
Recommended Mattress Thickness	8-10 inches (Max 12 inches)
Overall Dimensions (W x D x H)	117.5 x 15.7 x 87.8 inches
Number of Drawers	2
Assembly Required	Yes
Brand	MERITLINE
UPC	197793118811
ASIN	B0DTPFJ1J
