LCAOPC 5-Drawer Metal Dresser Instruction Manual

Model: LCA-CT05-BK | Brand: LCAOPC

1. PRODUCT OVERVIEW

This manual provides detailed instructions for the assembly, operation, and maintenance of your LCAOPC 5-Drawer Metal Dresser. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

The LCAOPC 5-Drawer Metal Dresser is designed for organized storage in various rooms. Key features include:

- **Sleek and Modern Design:** Black finish with gold metal pull handles.
- **Spacious Storage:** Five drawers for daily necessities.
- **Smooth Glides:** Premium metal slides for easy drawer operation.
- **Sturdy Construction:** Crafted from high-quality metal with environmental powder coating for durability, scratch, and rust resistance.
- **Multi-Purpose Use:** Suitable for bedrooms, living rooms, nurseries, entryways, closets, offices, or dorms.

2. SAFETY INFORMATION

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload drawers; adhere to the maximum weight capacity.
- For safety, it is recommended to secure the dresser to a wall using anti-tip hardware (if included) to prevent tipping.
- Keep small parts and packaging materials away from children during assembly.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. Refer to the parts list provided in the packaging. If any parts are missing or damaged, contact customer support.

4.2. Drawer Slide Installation and Removal

The drawer slides need to be separated before installation. The following video demonstrates how to remove and install the inner and outer slides.

Video: Instructions on how to properly remove and install the drawer slides for the dresser.

5. OPERATING INSTRUCTIONS

To operate the dresser, simply pull the gold metal handles to open the drawers. Push the drawers gently to close them. The smooth glides ensure effortless operation.

6. MAINTENANCE

To maintain the appearance and longevity of your dresser, wipe it with a dry cloth regularly. Avoid using harsh chemicals or abrasive cleaners, as these may damage the powder-coated finish.

7. TROUBLESHOOTING

7.1. Drawers not sliding smoothly

- Check if the drawer slides are correctly installed and aligned.
- Ensure there are no obstructions in the drawer tracks.
- Verify that all screws securing the slides are tightened.

7.2. Dresser feels wobbly

- Confirm that all assembly screws are fully tightened.
- Adjust the plastic pads on the bottom of the dresser to ensure it is stable on uneven surfaces.
- Ensure the dresser is placed on a flat, level surface.
