Kubohogar 75"H-Metal Doors

Kubohogar 75" Tall Metal Storage Cabinet (Model: 75"H-Metal Doors) User Manual

Comprehensive instructions for assembly, operation, and maintenance.

1. PRODUCT OVERVIEW

The Kubohogar 75" Tall Metal Storage Cabinet is a versatile freestanding unit designed for various rooms, including bathrooms, kitchens, living rooms, and laundry areas. It features a durable cold-rolled steel construction with adjustable shelves and an anti-tipping mechanism for safety.

Figure 1.1: Front view of the Kubohogar 75" Tall Metal Storage Cabinet, illustrating its two closed compartments and open central shelf. The left image shows the cabinet with doors open, revealing stored items like bottles and towels. The right image shows the cabinet with doors closed, highlighting its sleek black finish and gold handles.

Key Features:

- **Large Storage Capacity:** Measures 75"H x 32"W x 16"D, offering two closed cabinets and an open countertop.
- **Adjustable Shelves:** Each cabinet includes adjustable shelves for customized storage configurations.
- **Durable Construction:** Made from thickened cold-rolled steel with an environmentally friendly powder coating for moisture resistance and easy cleaning.
- **Versatile Use:** Suitable for various settings such as bathrooms, kitchens, living rooms, and laundry rooms.
- **Safety Features:** Equipped with anti-tipping devices for secure wall mounting.
- **Easy Assembly:** Designed for straightforward assembly with clear instructions.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in injury or damage to the product.

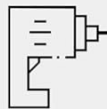

- Always secure the cabinet to the wall using the provided anti-tipping devices to prevent tipping or rollover.
- Ensure the wall can support the weight of the cabinet and its contents.
- Do not overload the cabinet. Distribute weight evenly on shelves.
- Keep small parts away from children during assembly.
- Assemble on a soft, clean surface to prevent scratches.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

Easy to Assemble

Clear Instructions and Labeled Parts

+

+

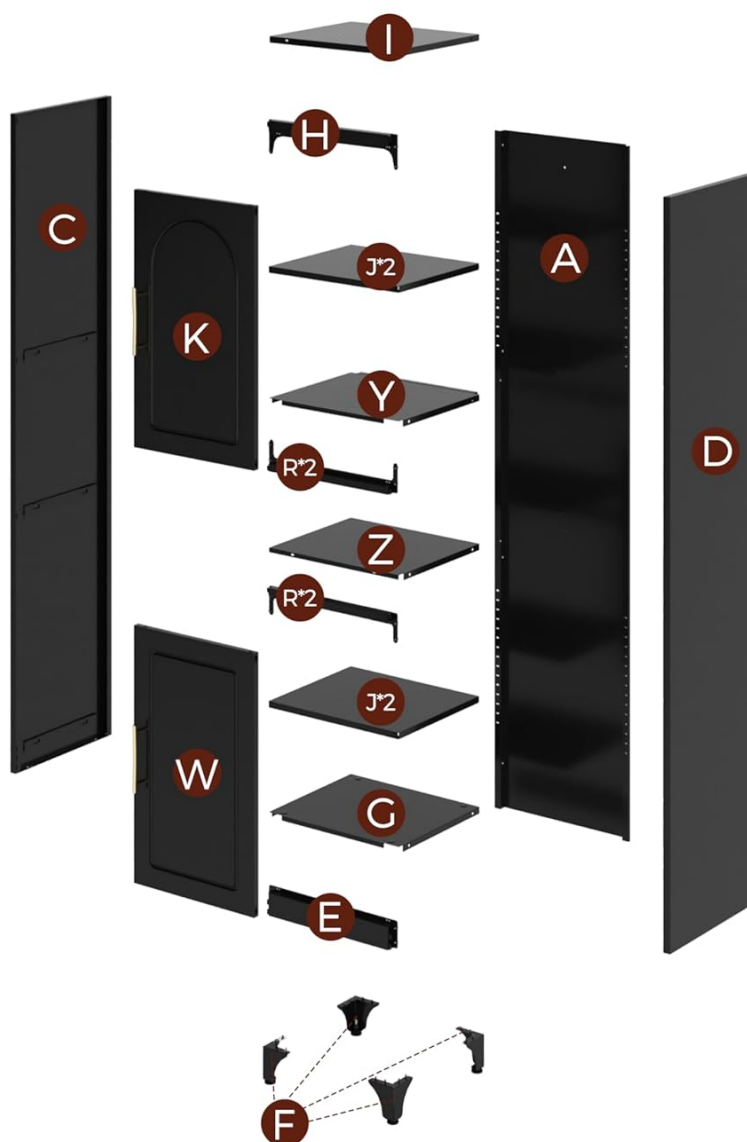

Figure 3.1: Exploded diagram showing all individual components of the cabinet, labeled with letters for easy identification during assembly. This includes side panels, shelves, doors, handles, and adjustable feet.

Refer to the detailed installation instructions included in the package for a complete list of components and hardware.

4. SETUP AND ASSEMBLY

Follow these steps carefully to assemble your Kubohogar 75" Tall Metal Storage Cabinet.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Match each component with the corresponding labels in the provided instruction manual (e.g., A, B, C, etc.).
3. **Assemble Frame:** Begin by connecting the main side panels and back panels according to the diagrams. Ensure all connections are secure.
4. **Install Shelves:** Insert the adjustable shelves into the desired positions. The shelves can be moved to

accommodate items of various heights.

5. **Attach Doors:** Secure the cabinet doors using the provided hinges. Ensure they open and close smoothly.
6. **Install Handles:** Attach the gold handles to the cabinet doors.
7. **Attach Adjustable Feet:** Screw the adjustable feet onto the bottom of the cabinet. Adjust them to ensure the cabinet is level on uneven surfaces.
8. **Secure Anti-Tipping Device:** This is a critical safety step. Attach the anti-tipping device to the back of the cabinet and secure it firmly to a wall stud or appropriate wall anchor. Refer to the specific instructions for the anti-tipping kit.

5. OPERATING INSTRUCTIONS

This section provides guidance on using your Kubohogar storage cabinet effectively.

- **Adjusting Shelves:** To adjust a shelf, remove any items, lift the shelf, and reposition the support clips to the desired height. Ensure all four clips are securely in place before placing items back on the shelf.

- **Loading the Cabinet:** Distribute weight evenly across all shelves. Place heavier items on lower shelves to maintain stability. Do not exceed the maximum weight capacity per shelf (180 lbs as indicated in product details).
- **Door Operation:** The doors are equipped with magnetic door stoppers for secure closure. Use the gold handles to open and close the doors gently.
- **Open Countertop:** The central open space can be used for frequently accessed items or decorative displays.

Figure 5.1: The cabinet integrated into a bathroom environment, showcasing its practical use for storing toiletries and towels. The image highlights the open central section and the closed compartments.

6. MAINTENANCE AND CARE

Proper maintenance will ensure the longevity and appearance of your cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth.
- **Inspecting Hardware:** Periodically check all screws and connections to ensure they remain tight. Retighten if

necessary.

- **Moisture Protection:** While the metal is moisture-resistant, avoid prolonged exposure to excessive moisture to prevent potential rust. Wipe up spills immediately.

7. TROUBLESHOOTING

This section addresses common issues you might encounter.

| Problem | Possible Cause | Solution |
|-------------------------------|--|---|
| Cabinet is wobbly or uneven. | Uneven floor; adjustable feet not properly set. | Adjust the leveling feet on the bottom of the cabinet until it is stable. Ensure the anti-tipping device is securely fastened to the wall. |
| Doors do not close properly. | Hinges are loose; cabinet is not level; magnetic stopper misaligned. | Check and tighten hinge screws. Ensure the cabinet is level. Verify the magnetic door stopper is correctly aligned with the door. |
| Difficulty assembling a part. | Incorrect orientation; missing hardware. | Refer to the assembly diagrams in the instruction manual. Double-check part labels. Contact customer support if parts are missing or damaged. |
