# LITTLE TREE L-Shaped Computer Desk with File Cabinet Combo

## INSTRUCTION MANUAL

Model: FGVC-TS37

[Safety](#) [Overview](#) [Assembly](#) [Operation](#) [Maintenance](#) [Troubleshooting](#) [Specifications](#) [Support](#)

### 1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembling and using this product. Keep this manual for future reference.

- **Anchoring:** Ensure furniture is anchored to the wall to prevent tipping. Use appropriate wall anchors for your wall type.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the desk surface or file cabinet drawers. Overloading can cause instability and damage.
- **Assembly:** Assemble the product on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are securely tightened before use.
- **Children:** Keep small parts and packaging materials away from children during assembly.
- **Placement:** Place the desk on a level surface to ensure stability.

### 2. PRODUCT OVERVIEW

The LITTLE TREE L-Shaped Computer Desk with File Cabinet Combo is designed to optimize your home office space with its functional and modern design. It provides a spacious work surface and integrated storage solutions.

#### Key Features

- **Space-Saving L-Shape Design:** This 63-inch L-shaped computer desk is crafted to maximize home office space, allowing efficient corner utilization and providing a large, continuous work surface.
- **Integrated File Cabinet:** The 31-inch filing cabinet includes 3 storage cubes for books, binders, or office supplies, and a drawer accommodating A4, Letter, or Legal size files for organized document storage.
- **Modern Aesthetic:** The desk and file cabinet combo features a sleek, contemporary design that complements

various home office decors.

- **Reliable Construction:** Built with high-quality engineered wood, this furniture set offers stability and durability for daily use.
- **Versatile Functionality:** Suitable for computer work, paperwork, or study, combining desk and filing cabinet functions to meet diverse office needs.
- **Easy Assembly:** Clear instructions and numbered hardware are included for straightforward assembly.

### 3. SETUP AND ASSEMBLY

---

This product requires assembly. Follow the steps carefully to ensure proper construction and stability.

#### Before You Begin

- **Unpack:** Carefully unpack all components and hardware from the packaging.
- **Verify Parts:** Refer to the included parts list (not provided in this manual, typically found in the product box) to ensure all pieces are present and undamaged. Contact customer support if any parts are missing or damaged.
- **Tools:** Gather any necessary tools (e.g., screwdriver, hammer) as indicated in the separate assembly guide.
- **Workspace:** Clear a spacious area for assembly, preferably on a soft surface like a carpet to prevent scratching the furniture.

#### Assembly Instructions

The assembly process is designed to be straightforward with clear, numbered instructions and labeled hardware.

Please refer to the detailed assembly manual included in your product packaging for step-by-step guidance.

### General Steps:

1. Attach the main desk panels using the provided fasteners.
2. Assemble the file cabinet structure.
3. Install the file cabinet drawer slides and drawer.
4. Connect the file cabinet to the main desk unit.
5. Install any additional shelves or accessories.
6. Ensure all connections are secure and stable.

## 4. OPERATING INSTRUCTIONS

This section provides guidance on utilizing the features of your L-shaped computer desk and file cabinet combo.

### L-Shaped Desk Usage

- **Work Surface:** The expansive L-shaped surface provides ample space for multiple monitors, a laptop, keyboard, mouse, and other office essentials.
- **Ergonomics:** Position your monitor at eye level and ensure your keyboard and mouse are within comfortable reach to maintain good posture.
- **Reversible Design:** The L-shape configuration can be set up with the file cabinet on either the left or right side to best suit your room layout and personal preference.

### File Cabinet Functionality

The integrated file cabinet offers versatile storage for documents and office supplies.

- **Storage Cubes:** Utilize the three open storage cubes for easy access to books, binders, decorative items, or frequently used office supplies.
- **Filing Drawer:** The bottom drawer is designed to accommodate A4, Letter, and Legal size hanging files. Adjust the file rails as needed for your document size.
- **Mobility:** The file cabinet is equipped with casters for easy repositioning, allowing you to move it as needed for cleaning or reconfiguring your workspace. Ensure the casters are locked when the cabinet is in its desired position to prevent unwanted movement.

Image 4.2: Visual guide demonstrating the compatibility of the file cabinet drawer with A4, Letter, and Legal size files.

Image 4.3: Detail of the 360-degree swivel casters on the file cabinet, indicating its mobility.

## 5. MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your desk.

- **Cleaning:** Wipe surfaces with a damp cloth for general cleaning. For spills, wipe immediately with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Dusting:** Regularly dust with a soft, dry cloth.
- **Protection:** Use coasters under drinks and placemats under hot items to prevent stains and heat damage.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.

## 6. TROUBLESHOOTING

This section addresses common issues you might encounter.

### Desk Instability

- **Issue:** The desk feels wobbly or unstable.
- **Solution:** Ensure all assembly screws and bolts are securely tightened. Check that the desk is placed on a level surface. If your floor is uneven, use furniture pads or shims to stabilize.

### Drawer Malfunction

- **Issue:** The file cabinet drawer does not slide smoothly or gets stuck.
- **Solution:** Check for any obstructions in the drawer slides. Ensure the drawer is properly aligned on its tracks. Verify that the drawer slides were installed correctly during assembly. Do not overload the drawer beyond its weight capacity.

### Missing Parts

- **Issue:** Parts are missing during assembly.
- **Solution:** Double-check all packaging materials. If parts are genuinely missing, contact LITTLE TREE customer support with your product model number and a description of the missing parts.

## 7. PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	FGVC-TS37
