

Resenkos W2156

Resenkos White Nightstand with Charging Station and LED Light (Model W2156) User Manual

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Resenkos White Nightstand with Charging Station and LED Light, Model W2156. Please read this manual thoroughly before use to ensure proper function and safety.

2. SAFETY INFORMATION

Always assemble the product according to the provided instructions. Ensure the nightstand is stable and secure before use, especially when the top drawer is open. Do not place heavy objects on the table that could cause it to tip over. Keep liquids away from the charging station to prevent electrical hazards. Do not attempt to modify the electrical components.

3. PRODUCT OVERVIEW

The Resenkos White Nightstand (Model W2156) is a modern bedside table designed for convenience and style. It features a built-in charging station, adjustable LED lighting, and ample storage space.

Key Features:

- **Integrated Charging Station:** Includes 2 USB ports (5V/2A) and 2 AC outlets (125V/12A) for convenient device charging.
- **Multicolor LED Light:** Offers over 60,000 adjustable RGB colors with three control methods (remote, touch switch, smartphone app) and dynamic lighting modes (Music Mode, Mic Mode, Timing Mode).
- **Ample Storage:** Features a spacious tabletop, a hidden storage compartment under the sliding top, and three large drawers (35 lbs weight capacity per drawer).
- **Durable Construction:** Crafted from high-quality MDF with sturdy metal hardware for lasting use.

Dimensions:

28.8 inches (W) x 17 inches (D) x 30.5 inches (H)

5. OPERATING INSTRUCTIONS

5.1. Using the Charging Station

The nightstand features a hidden charging station located under the sliding top. To access, gently slide the top surface. Plug your devices into the 2 USB ports or 2 AC outlets as needed. Ensure the

nightstand is connected to a power source.

5.2. Controlling the LED Light

The integrated LED light offers multiple control options and dynamic modes:

- **Remote Control:** Use the provided remote to change colors, adjust brightness, and select lighting modes.
- **Touch Switch:** A discreet touch switch on the nightstand allows for basic control of the LED lights.
- **Smartphone App:** Download the dedicated app to access advanced customization options, including over 60,000 RGB colors and personalized lighting effects.

LED Lighting Modes:

- **Music Mode:** Synchronizes light changes with the rhythm of music played nearby.
- **Mic Mode:** Lights respond to surrounding sounds, creating an immersive experience.
- **Timing Mode:** Set a specific duration for the lights to automatically turn off, ideal for bedtime.

6. MAINTENANCE

To maintain the appearance and longevity of your nightstand, wipe surfaces with a dry cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish. Regularly check all hardware to ensure it remains tight and secure.

7. TROUBLESHOOTING

Common Issues and Solutions:

- **Missing or Broken Parts:** If you encounter any missing or broken parts during assembly or use, please contact our support team for assistance. We can issue new parts or boards as needed.
- **LED Lights Not Functioning:** Ensure the nightstand is properly plugged into a working power outlet. Check the remote control battery if applicable. Try controlling the lights via the touch switch or smartphone app to isolate the issue.
- **Charging Station Not Working:** Verify that the nightstand is connected to a live power source. Ensure devices are properly plugged into the USB ports or AC outlets. Test with different devices and cables.
