5. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly requires basic household tools (e.g., screwdriver, hammer). Follow the numbered steps provided in the separate assembly instructions included in your package. The general process involves:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface. Refer to the parts list in your assembly guide to identify each piece.
2. **Assemble the Main Frame:** Connect the side panels, back panel, and top panel using the provided dowels and screws. Ensure all connections are snug.
3. **Install Drawer Runners:** Attach the drawer runners to the inside of the main frame according to the instructions. Ensure they are level and aligned.
4. **Assemble the Drawer:** Construct the drawer box using the drawer panels and fasteners. Attach the drawer handle and the corresponding drawer runners to the drawer box.
5. **Insert the Drawer:** Carefully slide the assembled drawer into the main frame, ensuring the runners engage correctly.
6. **Attach the Metal Base:** Secure the metal frame base to the bottom of the assembled table using the designated screws.
7. **Final Check:** Once assembled, gently move the table to its desired location. Check all connections for stability and ensure the drawer slides smoothly.

6. OPERATING INSTRUCTIONS

The Vicco Ezra bedside tables are designed for convenient storage and display in your bedroom.

- **Drawer Use:** The integrated drawer provides enclosed storage for personal items. To open, gently pull the handle. To close, push the drawer back until it is flush with the table front. Avoid forcing the drawer.
- **Open Shelf:** The open compartment below the drawer is suitable for books, magazines, or decorative items. Ensure items placed here do not protrude excessively to prevent accidental knocking.
- **Top Surface:** The top surface can hold lamps, alarm clocks, or other bedside essentials. Do not place excessively heavy items on the top surface.

7. CARE AND MAINTENANCE

To ensure the longevity and appearance of your Vicco Ezra bedside tables, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
- **Stability Check:** Periodically check all screws and fasteners and re-tighten them if they have loosened over time.

8. TROUBLESHOOTING

If you encounter any issues with your bedside tables, refer to the following common solutions:

- **Wobbly Table:** Check that all screws connecting the panels and the metal base are fully tightened. Ensure the table is on a level surface.
- **Drawer Not Sliding Smoothly:** Verify that the drawer runners are correctly installed and aligned on both the drawer and the table frame. Ensure no obstructions are in the drawer path. Lubricate runners with a silicone-based spray if necessary.
- **Parts Missing/Damaged:** If you discover missing or damaged parts during assembly, do not attempt to force assembly. Contact Vicco customer support for replacement parts.

9. WARRANTY AND SUPPORT

For information regarding warranty coverage, replacement parts, or further assistance, please refer to the warranty documentation provided with your purchase or contact Vicco customer support directly. Please have your model number (22362 or 50123) and purchase details ready when contacting support.
