### 4.1 Fabric Care

- **General Cleaning:** For daily maintenance, vacuum the sofa regularly using an upholstery attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Avoid rubbing, which can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for polyester, testing on an inconspicuous area first.
- **Removable Covers:** The back cushion covers are removable and washable. Follow the care instructions on the label for best results.
- **Water Resistance:** The fabric is designed to resist water penetration. Promptly wipe any liquid spills to prevent absorption.
