Xixini HLG062-GOK

Xixini 6-Drawer Dresser with LED Light and Power Outlet User Manual

Model: HLG062-GOK

1. INTRODUCTION

Thank you for choosing the Xixini 6-Drawer Dresser. This modern dresser is designed to provide ample storage and enhance your living space with its integrated RGB LED lighting and convenient power outlet. This manual provides essential information for safe assembly, operation, maintenance, and troubleshooting to ensure optimal use of your new furniture.

2. SAFETY INFORMATION

- **Anti-Tipping Device:** Always install the included anti-tipping device to secure the dresser to the wall. This prevents accidental tipping, which can cause serious injury.
- **Weight Limits:** Do not exceed the maximum weight capacity for the tabletop (150 lbs) and individual drawers (35 lbs). Overloading can compromise stability and cause damage.
- **Placement:** Place the dresser on a flat, stable surface. Avoid placing it near heat sources or in direct sunlight to prevent material damage.
- **Electrical Safety:** Ensure the power outlet is connected to a grounded electrical source. Do not overload the power strip. Keep liquids away from electrical components.
- **Children:** Keep children away from drawers during assembly. Do not allow children to climb on or play with the dresser.

Image: Anti-tipping device installation. This device is crucial for preventing the dresser from falling over, especially in households with children.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. Refer to the parts list provided in your separate assembly instruction booklet.

- Dresser Panels (Top, Bottom, Sides, Back)
- 6 Drawer Fronts, Sides, and Bottoms
- Drawer Slides and Hardware
- RGB LED Light Strip with Controller
- Power Outlet Unit (2 AC, 2 USB ports)
- Metal Handles
- Anti-Tipping Device
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Assembly Instruction Manual

4. ASSEMBLY AND SETUP

Assembly of the Xixini 6-Drawer Dresser typically takes approximately 2 hours with two people. Follow the detailed step-by-step instructions provided in the separate assembly manual included with your product. Ensure you have a clear, spacious area for assembly and the necessary tools (e.g., screwdriver, hammer).

Key Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Assemble the main frame of the dresser.
3. Install the drawer slides onto the dresser frame and drawer sides.
4. Assemble the six drawers and attach the handles.
5. Insert the assembled drawers into the dresser frame.
6. Install the RGB LED light strip in the open compartment.
7. Install the power outlet unit into the designated slot on the tabletop.
8. Secure the dresser to the wall using the anti-tipping device.

PRODUCT SIZE

Image: Product dimensions and weight capacities. The dresser measures 47.24"W x 15.74"D x 38.66"H. Each drawer holds up to 35 lbs, and the tabletop supports up to 150 lbs.

5. OPERATING INSTRUCTIONS

5.1. RGB LED Ambient Light

The dresser features an RGB LED light strip in its open compartment, offering over 60,000 static colors and multiple lighting modes. The lights can be controlled via a dedicated app on your smartphone or a physical button.

- **App Control:** Download the recommended app (refer to the LED light instruction sheet for details) to access full customization, including color selection, brightness adjustment, music synchronization, and timing functions.
- **Button Control:** A physical button (usually located near the light strip or its power source) allows for basic control such as turning the lights on/off and cycling through preset colors/modes.

5.2. Built-in Charging Station

The dresser is equipped with a power strip on its tabletop, providing convenient access to power for your electronic devices.

- **Outlets:** Features 2 standard AC outlets (125V/12A).
- **USB Ports:** Includes 2 USB ports (5V/2A) for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The unit comes with a 4.92-foot power cord.

6. MAINTENANCE

To maintain the appearance and longevity of your dresser, follow these care instructions:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean spills immediately with a soft, dry cloth to prevent staining or water damage.
- **Dusting:** Regularly dust with a soft, lint-free cloth.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.

7. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common solutions:

- **Drawers not sliding smoothly:** Ensure drawer slides are correctly aligned and free of obstructions. Check

that all screws on the slides are tightened.

- **LED lights not working:** Verify that the power adapter is securely plugged into both the light strip and a working wall outlet. Check the app or button for proper operation.
- **Power outlets/USB ports not working:** Ensure the dresser's main power cord is securely plugged into a functional wall outlet. Check for tripped circuit breakers. Avoid overloading the power strip.
- **Dresser feels unstable:** Re-check all assembly hardware to ensure it is tightened. Confirm the anti-tipping device is properly installed and secured to the wall.
