# PawHut Guinea Pig Cage and Small Animal Playpen Instruction Manual

Model: D51-479V00BK

## 1. INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your PawHut Guinea Pig Cage and Small Animal Playpen, model D51-479V00BK. Please read these instructions carefully before use and retain them for future reference. This product is designed for indoor use only.

## 2. SAFETY INFORMATION

No specific safety warnings are applicable beyond general pet care guidelines. Always ensure the cage is securely assembled and placed on a stable, level surface. Regularly inspect the cage for any damage or loose parts that could harm your pet. Keep small children and other pets supervised around the enclosure.

## 3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package should contain all necessary panels, connectors, the waterproof bottom liner, ramp, and perch. If any parts are missing or damaged, please contact customer support.

## 4. SETUP AND ASSEMBLY

Assembly is required for this product. Follow the steps below to set up your cage.

- 1. Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
- 2. Assemble Wire Panels:** Connect the wire panels to form the main structure of the cage. Ensure all latches and connectors are securely fastened.
- 3. Install Bottom Liner:** Place the waterproof Oxford fabric bottom liner into the base of the assembled wire structure. Ensure it fits snugly to prevent leaks.
- 4. Attach Ramp and Perch:** Secure the ramp and perch within the cage as desired. These accessories provide enrichment and exercise for your pets.

## 5. OPERATING INSTRUCTIONS

### 5.1 Convertible Design: Cage to Playpen

The cage features a versatile 2-in-1 design. To convert the cage into a playpen, simply remove the top wire section. This provides an open-top enclosure for your small animals to explore.

## 6. MAINTENANCE

### 6.1 Cleaning the Waterproof Bottom Liner

The Oxford fabric bottom liner is waterproof, making cleanup easy. Regularly remove bedding and waste. The liner can be wiped clean with a damp cloth and mild, pet-safe detergent. Ensure it is completely dry before replacing bedding.

## 6.2 General Cage Cleaning

Periodically clean the entire wire structure with a pet-safe disinfectant. Ensure all surfaces are rinsed thoroughly and dried before returning your pets to the cage.

## 7. TROUBLESHOOTING

If you encounter any issues with your PawHut cage, consider the following:

- **Stability Issues:** Ensure all wire panels are correctly interlocked and latches are secured. Place the cage on a flat, stable surface.
- **Liner Fit:** If the bottom liner does not fit correctly, re-check the assembly of the wire frame to ensure it is square.
- **Pet Behavior:** If pets are chewing on parts of the cage, ensure they have adequate chew toys and enrichment items.
