## ANCTOR B0DTYCJ3C4

# ANCTOR Twin Daybed with Trundle User Manual

Model: B0DTYCJ3C4 | Brand: ANCTOR

## IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Always lock the casters on the trundle when the bed is in use to prevent unintended movement.
- Exercise caution around sharp edges during assembly and use to prevent injury.
- Do not exceed the maximum weight capacity of 300 pounds for the daybed.
- Ensure all connections are securely fastened before use. Periodically check and tighten hardware.
- Keep small parts away from children during assembly to avoid choking hazards.

## SETUP INSTRUCTIONS

### 1. Unpacking and Component Check

Carefully unpack all components from the packaging. It is recommended to lay out all parts on a clean, soft surface to prevent scratches. Verify that all parts listed in the included hardware and parts list are present. If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

### 2. Assembly

The ANCTOR Daybed with Trundle is designed for straightforward assembly. All parts are clearly labeled, and detailed instructions are provided in the separate assembly guide included with your product. Follow the step-by-step instructions carefully.

**Sturdy and Durable**

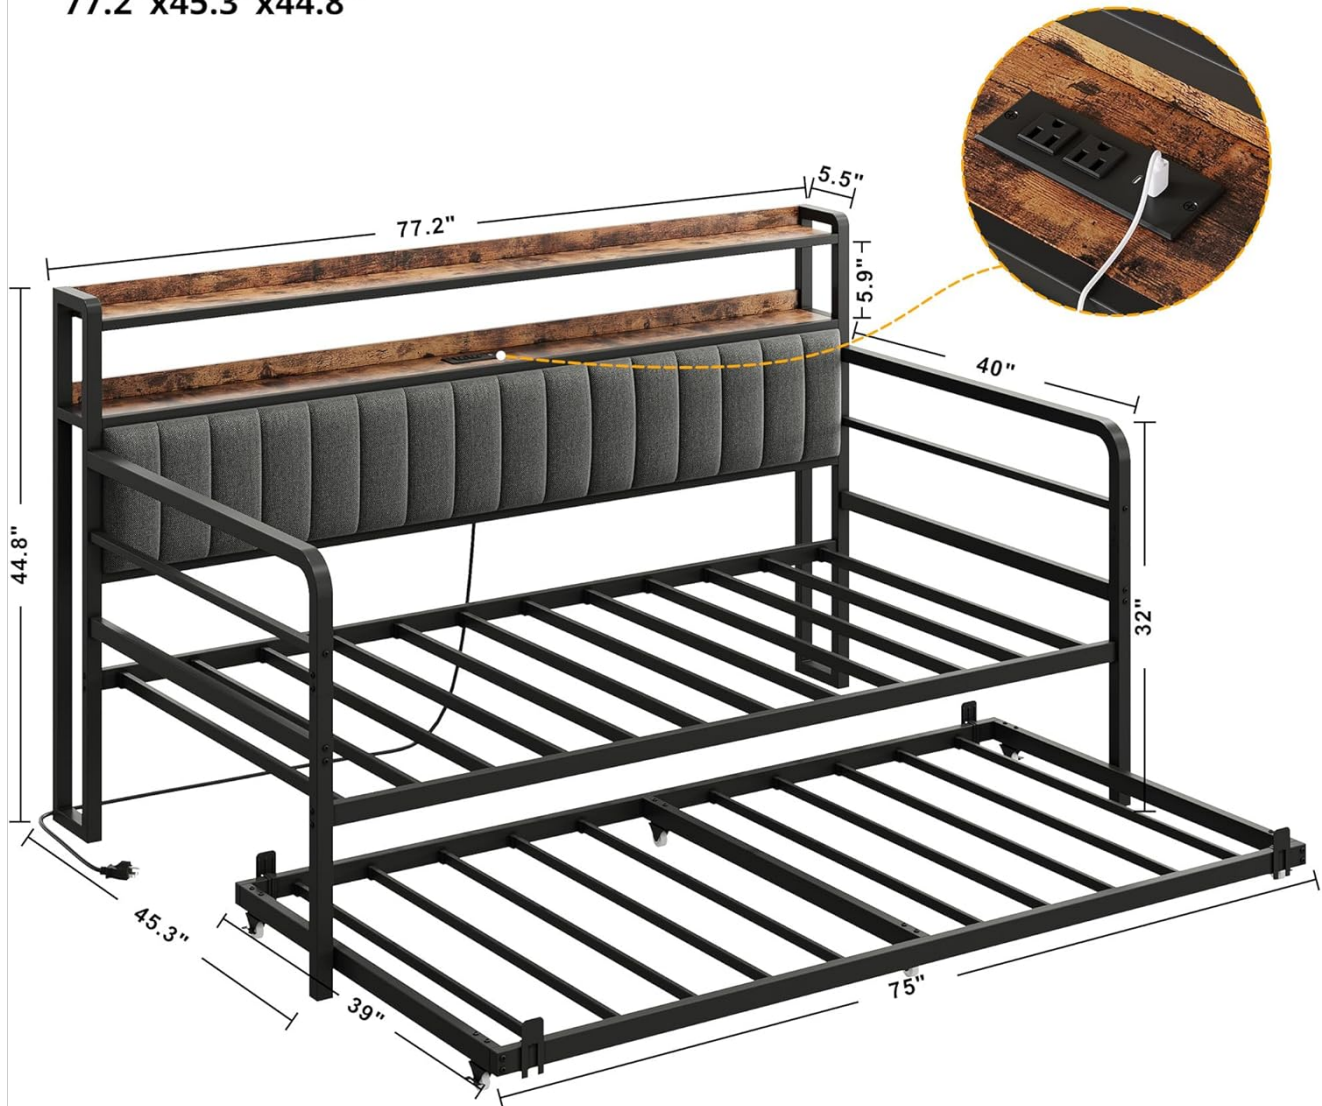

**Easy Assembly**

The sturdy metal frame and clear assembly points ensure a reliable structure.

**L x W x H**

**77.2"x45.3"x44.8"**

Refer to the dimensions diagram for proper placement and space planning.

### 3. Trundle Wheel Installation

Ensure the lockable casters on the trundle are installed correctly, with the locking mechanism facing outwards for easy access. This allows for smooth movement and secure positioning.

## Smooth-glide Lockable Wheels

Detail of the safety handrail, mattress slide stops, and lockable wheels for stability and convenience.

## OPERATING INSTRUCTIONS

---

### 1. Trundle Bed Operation

The trundle bed is designed to slide out smoothly from underneath the main daybed. To deploy, unlock the casters and gently pull the trundle frame outwards. To store, push the trundle back into place and lock the casters to secure it.

## **As Daybed**

High-Quality Storage Daybed with Trundle, Easy to Pull out and easy to store

## **As Cozy Sofa**

The headboard and side armrest allow you to lean on like a retro-style storage sofa

The daybed transitions from a sofa to two single beds with ease.

## 2. LED Lighting System

The integrated LED lights offer over 60,000 DIY color options. Control the lighting using the included remote control or a compatible smartphone application. Refer to the separate LED light instruction manual for detailed pairing and operation of the remote and app.

Control the LED lights with the remote or smartphone app for customizable ambiance.

## MAINTENANCE

### 1. Cleaning

- **Metal Frame:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Upholstered Headboard:** For the upholstered headboard, use a soft brush or vacuum cleaner with an upholstery attachment to remove dust. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner.
- **Wooden Shelves:** Wipe with a dry or slightly damp cloth. Avoid excessive moisture.

### 2. General Care

- Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent squeaking.
- Avoid dragging the daybed or trundle across the floor; lift and move if repositioning is required.
- Do not place excessively heavy items on the storage shelves.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed squeaks	Loose hardware; metal-on-metal friction.	Tighten all bolts and screws. Apply a small amount of lubricant (e.g., silicone spray) to metal-on-metal contact points if necessary.
Trundle does not slide smoothly	Casters are locked; obstruction; dirty casters.	Ensure casters are unlocked. Check for any objects blocking the path. Clean casters if debris is present.
LED lights not working	Power connection issue; remote/app not paired; faulty LED strip.	Check power connection to the LED strip. Ensure the remote or app is correctly paired (refer to LED manual). Contact support if the issue persists.
Charging station not providing power	Power cord not plugged in; wall outlet issue; device cable issue.	Verify the daybed's power cord is securely plugged into a working wall outlet. Test the wall outlet with another device. Try a different charging cable for your device.
Mattress slides on the frame	Mattress slide stops not installed or adjusted.	Ensure the four mattress slide stops are correctly installed and positioned to hold the mattress in place.

## PRODUCT SPECIFICATIONS

**Brand:** ANCTOR

**Model:** B0DTYCJ3C4

**Size:** Twin

**Product Dimensions:** 77.2"L x 45.3"W x 44.8"H
