Simplicity SS3108U5 Misses' Semi-Fitted Unlined Vest, Flared Skirt and Wide Leg Pants Sewing Pattern Instruction Manual

Model: SS3108U5

INTRODUCTION

This instruction manual provides detailed guidance for creating the Simplicity SS3108U5 sewing pattern, which includes a semi-fitted unlined vest, a flared gored skirt, and wide-leg pants. This pattern is designed for misses' sizes 16-18-20-22-24 and is suitable for various fabric types such as boucle, cotton twill, denim, and linen blends.

SETUP AND PREPARATION

Before beginning your sewing project, careful preparation is essential. This section outlines the necessary steps to ensure a smooth and successful sewing experience.

1. Fabric and Notions Selection

Refer to the pattern envelope back for specific fabric recommendations and required notions. The pattern suggests fabrics such as boucle, cotton twill, denim, and linen blends. Lightweight fusible interfacing is also required.

Figure 2: Pattern Back Details. This image shows the reverse side of the pattern envelope, detailing fabric suggestions, required notions, body measurements, and finished garment measurements for all sizes.

2. Sizing and Pattern Piece Selection

Carefully select your size based on your body measurements, not just your ready-to-wear size. The pattern includes sizes 16-18-20-22-24. Identify and cut out the correct pattern pieces for your chosen garment and size.

- **Vest (View A):** Semi-fitted, unlined, with princess seams, front button opening, and flaps.
- **Flared Skirt (View B & C):** Gored skirt with stitched hem. Views B and C feature a contoured waistband and invisible side zipper.
- **Wide Leg Pants (View C):** Fitted through the hip with side front pockets.

Figure 3: Garment Line Drawings. This image provides clear line drawings of the front and back views for the vest (A), skirt (B), and wide-leg pants (C), illustrating their design details.

OPERATING (SEWING INSTRUCTIONS)

Follow these step-by-step instructions for assembling each garment. Always refer to the detailed instructions provided within your

physical pattern packet for specific seam allowances and construction techniques.

1. Vest Construction (View A)

The vest features a semi-fitted silhouette with princess seams for shaping. It includes a front button opening and functional flaps.

1. Prepare all pattern pieces, applying interfacing where indicated.
2. Stitch princess seams on the front and back vest pieces.
3. Assemble the front and back sections at the shoulder and side seams.
4. Construct and attach the front flaps.
5. Finish the neckline and armholes according to pattern instructions.
6. Create buttonholes and attach buttons to the front opening.
7. Hem the lower edge of the vest.

Figure 4: Vest Illustration. This image provides a detailed illustration of the vest, highlighting its semi-fitted design, princess seams, and front button closure with flaps.

Figure 5: Model Wearing Vest (Close-up). A close-up view of the model wearing the vest, showcasing the fabric texture, button details, and the fit of the garment.

2. Flared Skirt Construction (Views B & C)

The skirt is a flared, gores design with a stitched hem. Views B and C include a contoured waistband and an invisible side zipper.

1. Assemble the gores skirt panels.
2. Install the invisible side zipper.
3. Attach the contoured waistband.
4. Finish the hem with a stitched finish.

Figure 6: Flared Skirt Illustration. This image illustrates the full, flared silhouette of the gored skirt, demonstrating its flow and design.

3. Wide Leg Pants Construction (View C)

These wide-leg pants are fitted through the hip and feature practical side front pockets.

1. Construct and attach the side front pockets.
2. Sew the inner leg and outer leg seams.

3. Join the front and back sections at the crotch seam.
4. Install the waistband.
5. Hem the wide leg openings.

Figure 7: Wide Leg Pants Illustration. This image provides an illustration of the wide-leg pants, showcasing their relaxed fit and the placement of the side front pockets.

Figure 8: Model Wearing Vest and Skirt (Back View). This image shows the model from the back, wearing the vest and skirt, providing a view of the garment's drape and fit from behind.

MAINTENANCE OF FINISHED GARMENTS

Proper care will extend the life of your handmade garments. Always refer to the care instructions for the specific fabric you used.

- **Washing:** Follow the care instructions for your chosen fabric. Most cottons and linens can be machine washed on a gentle cycle with cold water. Boucle may require dry cleaning or hand washing.
- **Drying:** Air dry or tumble dry on low, depending on fabric type. Avoid high heat to prevent shrinkage or damage.
- **Ironing:** Iron on the appropriate temperature setting for your fabric. Use a pressing cloth if necessary.
- **Storage:** Store garments on hangers to maintain their shape, especially the vest and skirt.

TROUBLESHOOTING COMMON SEWING ISSUES

Even experienced sewers encounter challenges. Here are some common issues and potential solutions:

Issue	Possible Cause	Solution
Fabric puckering	Incorrect tension, dull needle, wrong stitch length	Adjust tension, change needle, increase stitch length
Uneven seams	Inconsistent seam allowance, fabric stretching	Use a seam guide, pin frequently, avoid pulling fabric
Zipper sticking	Fabric caught, zipper not aligned	Check for trapped fabric, re-align zipper, apply zipper lubricant
Garment fit issues	Incorrect size selection, inaccurate measurements	Double-check measurements, make a muslin (test garment), adjust pattern pieces

SPECIFICATIONS

Key details and specifications for the Simplicity SS3108U5 sewing pattern.

Product Name: Simplicity SS3108U5 Misses' Semi-Fitted Unlined Vest, Flared Skirt and Wide Leg Pants Sewing Pattern

Brand: Simplicity

Model Number: SS3108U5

Design Code: S3108

Sizes Included: Misses' 16-18-20-22-24

Garment Types: Semi-fitted unlined vest, flared gored skirt, wide leg pants

Recommended Fabrics: Boucle, cotton twill, denim, linen blends

Required Notions: Buttons (for vest), invisible zipper (for skirt), lightweight fusible interfacing

Country of Origin: USA (Designed and Printed)
