## Portability and TWS Function

The speaker includes a detachable carry strap for easy transport. Its TWS (True Wireless Stereo) function allows you to pair two ZEB-Sound Feast 85 speakers for a rich, balanced stereo sound experience.

Figure 6: Close-up of the detachable carry strap attachment points and an illustration of two speakers connected via TWS function.

### Integrated Call Function

Enjoy hands-free communication with the built-in call function, allowing you to take calls directly through the speaker.

### Dedicated Controls

The speaker features dedicated media and volume control buttons for easy management of your audio playback.

## 4. SETUP

### 4.1 Initial Charging

Before first use, fully charge the speaker using the provided Type-C charging cable. Connect the cable to the speaker's Type-C port and a compatible USB power adapter (not included). The LED indicator will show charging status.

## 4.2 Power On/Off

To power on, press and hold the power button until the speaker indicates it's on. To power off, press and hold the power button again until the speaker indicates it's off.

## 4.3 Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth pairing mode (indicated by a flashing LED).
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "ZEB-Sound Feast 85" from the list.
4. Once connected, the speaker will provide an audio confirmation.

## 4.4 Wired Connections (AUX, USB)

- **AUX Input:** Connect one end of the 3.5mm input cable to the speaker's AUX port and the other end to your audio source's headphone jack.
- **USB Playback:** Insert a USB drive containing audio files into the speaker's USB port. The speaker will automatically begin playing compatible audio files.

## 5. OPERATING INSTRUCTIONS

## 5.1 Media Playback

- **Play/Pause:** Press the Play/Pause button.
- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.
- **Next Track:** Press and hold the '+' button.
- **Previous Track:** Press and hold the '-' button.

## 5.2 TWS Function (True Wireless Stereo)

To pair two ZEB-Sound Feast 85 speakers for stereo sound:

1. Ensure both speakers are powered on and not connected to any other Bluetooth device.
2. On one speaker (this will be the primary), press and hold the TWS button.
3. The primary speaker will search for the secondary speaker. Once connected, both speakers will provide an audio confirmation.
4. Now, connect your device to the primary speaker via Bluetooth. Audio will play through both speakers in stereo.

## 5.3 RGB LED Control

Press the dedicated LED button to cycle through different RGB light modes or to turn the lights off.

## 5.4 Call Function

- **Answer Call:** Press the Play/Pause button during an incoming call.
- **End Call:** Press the Play/Pause button during a call.
- **Reject Call:** Press and hold the Play/Pause button during an incoming call.

# 6. Maintenance

## 6.1 Cleaning

Wipe the speaker with a soft, dry cloth. Do not use harsh chemicals, cleaning solvents, or strong detergents. Avoid getting moisture into any openings.

## 6.2 Storage

Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. If storing for an extended period, charge the battery periodically to maintain its health.

## 6.3 Battery Care

To prolong battery life, avoid fully discharging the speaker frequently. Charge the speaker when the battery is low, and avoid leaving it uncharged for long periods.

# 7. Troubleshooting

| Problem | Possible Cause | Solution |
|---|---|---|
| Speaker does not power on | Low battery; Power button not pressed correctly | Charge the speaker; Press and hold the power button for a few seconds |
| No sound | Volume too low; Incorrect input mode; Device not connected | Increase volume; Switch to correct input (BT/AUX/USB); Re-pair Bluetooth device or check cable connection |
| Bluetooth connection unstable | Device too far; Interference; Low battery | Move device closer to speaker; Avoid obstacles; Charge speaker |
| TWS pairing fails | Speakers already connected to other devices; Not in TWS pairing mode | Disconnect speakers from all devices; Ensure both speakers are in TWS pairing mode |
