LEDIARY B0DV3TKWBY

LEDIARY 20-inch Caged Ceiling Fan User Manual

Brand: LEDIARY | Model: B0DV3TKWBY

1. INTRODUCTION

Thank you for purchasing the LEDIARY 20-inch Caged Ceiling Fan. This product combines practicality with aesthetic appeal, featuring a farmhouse and modern design with a vintage white and gold finish. It is a bladeless, low-profile ceiling fan light fixture designed for various indoor spaces such as bedrooms, kitchens, and dining rooms.

This manual provides detailed instructions for safe installation, operation, and maintenance of your new ceiling fan. Please read it thoroughly before beginning installation and keep it for future reference.

This image displays the two distinct design variations of the LEDIARY 20-inch caged ceiling fans. The top fan features a modern geometric cage design, while the bottom fan showcases an intricate floral pattern. Both units are finished in a vintage white and gold color, highlighting their unique aesthetic appeal.

2. IMPORTANT SAFETY INSTRUCTIONS

To reduce the risk of fire, electric shock, or personal injury, please follow these safety guidelines:

- Read all instructions carefully before installing the fan.
- Ensure the power is turned off at the circuit breaker before installation or maintenance.
- All wiring must be in accordance with national and local electrical codes. If you are unsure, consult a qualified electrician.

- The fan must be mounted to a structurally sound ceiling joist or outlet box capable of supporting the fan's weight (minimum 35 lbs).
- Do not connect the fan to a dimmer switch or rheostat.
- Ensure the fan blades are clear of any obstructions during operation.
- Do not insert objects into the fan blades while the fan is operating.
- Use only E26 bulbs as specified (Max 60W Incandescent, Max 10W LED).

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning installation:

- Caged Ceiling Fan Unit (x1)
- Remote Control (x1)
- Wall Plate for Remote Control (x1)
- Mounting Bracket (x1)
- Hardware Pack (screws, wire nuts, etc.)
- User Manual (this document)

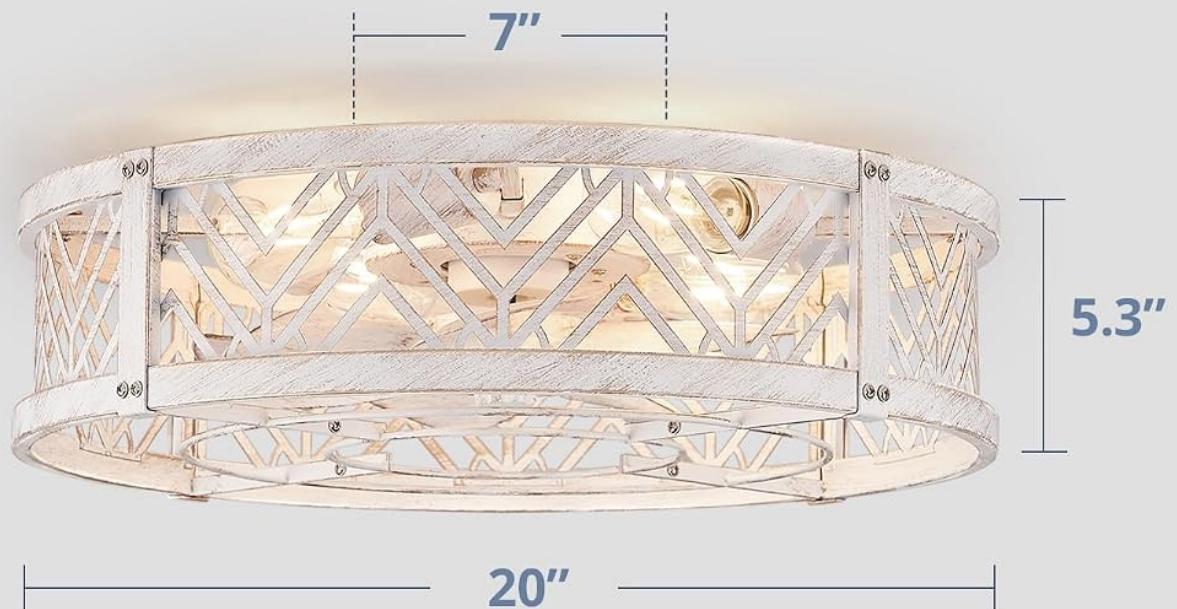

Note: 4 x E26 light bulbs are NOT included and must be purchased separately.

4. SPECIFICATIONS

This image provides the precise dimensions of the geometric-style LEDIARY ceiling fan, measuring 20 inches in diameter and 7 inches in height. It also indicates that the fan requires four E26 bulbs (not included) and displays various recommended bulb types such as A19, ST19, and T45 LED or incandescent bulbs.

5. SETUP AND INSTALLATION

5.1 Pre-Installation Checklist

- Turn off power at the circuit breaker or fuse box.
- Ensure the mounting location can support the fan's weight.
- Gather necessary tools: screwdriver, wire strippers, electrical tape, ladder.

5.2 Mounting the Fan

1. Attach the mounting bracket to the ceiling outlet box using the provided screws. Ensure it is securely fastened.
2. Carefully lift the fan unit and connect it to the mounting bracket.

5.3 Wiring Connections

1. Connect the fan's wires to the household electrical wires according to the wiring diagram in the manual (typically black to black, white to white, green/bare copper to ground). Use wire nuts to secure connections.
2. Ensure all connections are tight and insulated with electrical tape.

5.4 Attaching the Light Kit and Bulbs

1. Secure the light kit assembly to the fan unit.
2. Install four E26 base bulbs (not included) into the sockets. Recommended bulbs: A19, ST19, T45 LED (Max 10W) or Incandescent (Max 60W).

Farmhouse
Style

A detailed diagram illustrating the internal and external components of the LEDIARY ceiling fan. It points out the powerful copper motor for efficient performance, the elegant light golden painted finish, the seven fan blades designed for optimal airflow, and the distinctive farmhouse style of the outer cage.

6. OPERATING INSTRUCTIONS

Your LEDIARY ceiling fan is operated via the included remote control. Ensure the remote has a working battery (provided).

6.1 Remote Control Functions

- **Power Button:** Turns the fan and light on/off.
- **Fan Speed Buttons:** Adjusts fan speed through 6 levels.
- **Timer Buttons:** Sets the fan to turn off automatically after 1, 2, or 4 hours.
- **Light Button:** Turns the light on/off independently of the fan.
- **Reversible Motor Button:** Changes the direction of fan rotation (forward for summer, reverse for winter).

The remote control can be conveniently fixed to the wall using the included wall plate, allowing it to function as a wall switch.

Quiet Enjoyment

6 Fan Speeds

Quiet Operation

Powerful Motor

This infographic highlights the key operational features of the LEDIARY ceiling fan, including its 6 fan speeds, flexible 1/2/4/8-hour timing options, quiet operation, and powerful motor. The diagram also illustrates that the fan's running noise is below 35dB, ensuring a peaceful environment.

This image demonstrates the lighting functionality of the ceiling fan, showing the unit with its lights illuminated in the 'Light ON' state and then with the lights off in the 'Light OFF' state, highlighting the visibility of the E26 bulb sockets.

7. MAINTENANCE

Regular maintenance will ensure the longevity and optimal performance of your ceiling fan.

- **Cleaning:** To clean the fan, wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure power is off before cleaning.
- **Bulb Replacement:** Always turn off power before replacing bulbs. Allow bulbs to cool before handling. Replace with E26 base bulbs, ensuring they do not exceed the maximum wattage (10W for LED, 60W for Incandescent).
- **Tighten Screws:** Periodically check and tighten all screws on the fan and mounting bracket to ensure secure operation.

8. TROUBLESHOOTING

If you encounter issues with your ceiling fan, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not start	No power to the fan; Loose wire connections; Remote control battery low/dead.	Check circuit breaker; Verify all wire connections are secure; Replace remote control battery.
Light does not work	Bulbs are faulty or loose; Incorrect bulb type/wattage; Loose wire connection in light kit.	Replace bulbs; Ensure bulbs are E26 base and within wattage limits; Check light kit wiring.
Fan is noisy	Loose screws on mounting bracket or fan housing; Fan not securely mounted.	Tighten all screws; Ensure fan is securely mounted to the ceiling joist/box.
Remote control not working	Battery is dead; Remote not paired (if applicable); Obstruction between remote and receiver.	Replace battery; Refer to remote pairing instructions (if any); Ensure clear line of sight.

9. WARRANTY AND SUPPORT

LEDIARY products are manufactured to high-quality standards. This product comes with a standard manufacturer's warranty covering defects in materials and workmanship. Please refer to the product packaging or contact LEDIARY customer service for specific warranty terms and conditions.

If you require assistance, have questions, or need to request a replacement remote control, please contact LEDIARY customer support through the retailer's platform or the official LEDIARY website. Please have your product model (B0DV3TKWBY) and purchase information ready when contacting support.
