VECELO KHD-TBC01-WHT

VECELO Tilt Out Kitchen Trash Bin Cabinet with Deodorizer

Model: KHD-TBC01-WHT | Brand: VECELO

1. INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your VECELO Tilt Out Kitchen Trash Bin Cabinet. Designed for versatility, this cabinet helps conceal your trash bin while offering additional storage and an integrated deodorization system. It is suitable for various home environments including kitchens, laundry rooms, and other living spaces.

Image: VECELO Tilt Out Kitchen Trash Bin Cabinet in white, with the front panel tilted open to reveal a trash can inside. A decanter and fruit bowl are on top.

2. SAFETY INSTRUCTIONS

- This kitchen trash cabinet is intended for home use only.
- For safety reasons, children should not climb on or play with the product.
- Do not exceed the product's weight limit of 35 pounds (approximately 16 kilograms) on the countertop.
- Regularly clean the cabinet to prevent excessive trash accumulation from damaging the doors.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Trash Bin Cabinet (1 unit)
- Assembly Tools (1 set)
- User Manual (1 copy)

4. ASSEMBLY INSTRUCTIONS

Follow the provided instruction manual step-by-step for easy installation. All necessary tools are included in the package. Ensure all connections are secure before use.

For a visual guide on assembly, please refer to the video below:

5. OPERATING INSTRUCTIONS (DEODORIZATION AND PURIFICATION)

The VECELO cabinet trash can features negative ion and deodorizing functions to eliminate odors and harmful substances. This unique feature prevents odor diffusion, ensuring a fresh environment. The ozone function can break down formaldehyde into carbon dioxide and water, with a decomposition rate of up to 99%.

Image: Close-up of the deodorizer control panel on the VECELO cabinet, showing icons for power, timer, and ozone/negative ion functions.

Graphics illustrate odor removal, formaldehyde breakdown, sterilization, and air purification.

Ozone Purifier Specifications:

- Voltage: 5V

- Rated Power: 5W
- Ozone Release: 100mg/h
- Negative Ion: 500W
- Product Size: 205*30*60mm

Refer to the control panel located inside the cabinet for operating the deodorization and purification functions. Follow the icons for power, timer, and mode selection.

6. MAINTENANCE

To ensure the longevity and proper function of your cabinet, regular cleaning is essential. Wipe down surfaces with a damp cloth and mild cleaner. Avoid abrasive materials that could damage the finish. Ensure the interior is kept clean to prevent odors and maintain hygiene. Excessive trash accumulation can damage the tilt-out mechanism and doors.

7. TROUBLESHOOTING

- **Odor Persistence:** If odors persist despite using the deodorizer, ensure the trash bin is emptied regularly and the interior of the cabinet is clean. Verify the deodorizer unit is powered on and functioning correctly according to its specifications.
- **Tilt-Out Mechanism Issues:** If the tilt-out door is stiff or not operating smoothly, check for any obstructions or debris in the mechanism. Ensure all assembly screws are tightened. Avoid forcing the door.
- **Stability Concerns:** If the cabinet feels unstable, verify that it is placed on a flat, level surface. Recheck all assembly connections to ensure they are secure.

8. SPECIFICATIONS

Feature	Detail
Brand	VECELO
Model Number	KHD-TBC01-WHT
Product Dimensions	20.47" L x 14.96" W x 38.58" H (52 x 38 x 98 cm)
