## SAFETY INFORMATION

---

- **Do not overload the table and chairs.** Ensure weight limits are respected to prevent damage or injury.
- **Assemble with care, keeping sharp edges in mind.** Some components may have sharp edges during assembly. Handle with caution.
- Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Place the furniture set on a stable and level surface to prevent tipping.
- Keep small parts away from children during assembly to avoid choking hazards.
- Avoid exposing the furniture to extreme weather conditions for prolonged periods to maximize its lifespan.

## OPERATING INSTRUCTIONS

---

### **Using the Umbrella Hole:**

The dining table features a central hole designed to accommodate a patio umbrella. A removable ring is provided to adjust the opening size for different umbrella pole diameters. Simply remove the inner section of the ring if a larger opening is needed.

### **Cushion Use:**

Place the provided 2-inch thick cushions on the chairs for enhanced comfort. The cushion covers are designed to be waterproof, offering protection against light moisture. However, it is recommended to store cushions in a dry place during heavy rain or when not in use for extended periods to maintain their condition.

## MAINTENANCE

---

### Cleaning:

- **Rattan and Frame:** Wipe down the HDPE rattan and iron frame with a damp cloth and mild soap. Rinse thoroughly and dry completely to prevent water spots or rust.
- **Tempered Glass:** Clean the glass tabletop with a glass cleaner and a soft cloth. Avoid abrasive cleaners or tools that could scratch the surface.
- **Cushions:** The cushion covers feature a zipper design for easy removal and cleaning. Hand wash or machine wash on a gentle cycle with cold water and mild detergent. Air dry only. Do not bleach or iron.

### **Storage and Protection:**

- During periods of non-use, especially in harsh weather conditions (heavy rain, snow, strong winds), it is recommended to cover the furniture set with a protective cover or store it indoors.
- Store cushions in a dry, protected area when not in use to prevent mildew and prolong their lifespan.

### **TROUBLESHOOTING**

---

- **Uneven Table/Chairs:** If the table or chairs wobble, adjust the leveling feet located at the bottom of each leg until stability is achieved.
- **Glass Top Movement:** Ensure the suction cups beneath the tempered glass tabletop are properly attached to the table frame to prevent movement.
- **Dirty Cushions:** Remove cushion covers using the zipper and follow the cleaning instructions in the Maintenance section.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact Yaheetech customer support immediately.
