2. SAFETY INFORMATION

For the safety of your child, please adhere to the following guidelines:

- **Adult Supervision:** Adult active, engaged, and direct supervision is required at all times when children are using the table and chair set.
- **Rounded Edges:** The set features smooth surfaces and rounded edges to minimize the risk of injury.
- **Certifications:** This product is UL GREENGUARD Gold Certified for low volatile organic compounds (VOCs), and is TSCA and CPSIA compliant, ensuring it meets stringent safety and environmental standards.
- **Stability:** Ensure the table and chairs are placed on a flat, stable surface to prevent tipping.

3. SETUP AND ASSEMBLY

The ECR4Kids Bentwood Table and Curved Back Chair Set requires assembly. Please follow the instructions provided in the separate assembly guide included with your purchase. Ensure all components are present and

securely fastened before use.

- **Component Check:** Verify all parts listed in the assembly guide are included.
- **Secure Fasteners:** Tighten all screws and fasteners firmly, but do not overtighten to avoid damaging the wood.
- **Felt Glides:** The set includes felt glides on the bottom of the legs to protect floors and reduce noise. Ensure these are properly attached.

4. OPERATING (USAGE)

This table and chair set is designed for various child-friendly activities:

- **Activity Hub:** Ideal for story time, drawing, painting, puzzles, board games, or enjoying snacks.
- **Promoting Independence:** The child-sized design encourages children to sit and engage in activities independently, fostering confidence.
- **Group Play:** The four chairs allow for small group interactions, promoting social development.

- **Ergonomic Support:** The curved backrests of the chairs encourage good posture during use.

5. MAINTENANCE

Proper care will ensure the longevity of your ECR4Kids Bentwood Table and Curved Back Chair Set:

- **Cleaning:** Wipe surfaces with a damp cloth and mild soap as needed. Avoid abrasive cleaners that may damage the finish. For food stuck in curved chair legs, a steam cleaner can be effective.
- **Finish Protection:** The durable finish seals the surface to resist scratching. A UV inhibitor helps prevent yellowing from sunlight exposure.
- **Regular Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Storage:** Store the furniture in a dry environment away from extreme temperatures and humidity to prevent warping or damage to the wood.

Durable Birch Bentwood

Why Bentwood?

Durable Birch Ply is molded into shape, creating extremely sturdy, modern furniture.

Long-Lasting Finish

Seals the surface to resist scratching.

6. TROUBLESHOOTING

Common issues and their solutions:

Problem	Possible Cause	Solution
Wobbly Chairs/Table	Loose fasteners or uneven assembly.	Ensure all screws and bolts are securely tightened. If a part, such as a chair rail, detaches, re-glue with a strong wood adhesive.
Difficulty Moving on Carpet	Felt glides may not be sufficient for thick carpet.	Consider replacing or supplementing the felt glides with furniture gliders designed for carpeted surfaces.
