- **Screen:** 2.4-inch display (6.1 cm diagonal)
- **RAM:** 32 MB
- **Battery:** 900 mAh capacity
- **Connectivity:** Bluetooth
- **Ports:** 3.5mm Jack, Micro USB
- **Design:** Includes a protective cover
- **Color:** Blue

PRODUCT OVERVIEW

The Qubo X-10BL is a compact and user-friendly mobile phone. Below is an image illustrating the device's general appearance.

Figure 1: Front view of the Qubo X-10BL mobile phone. The image displays the phone in blue, featuring a clear screen, a numerical keypad, and navigation buttons. The phone is designed for straightforward operation.

Familiarize yourself with the phone's buttons and ports before proceeding with setup. Typically, these include a power button, call/end call buttons, navigation keys, a numerical keypad, and charging/headphone ports.

SETUP

1. Install SIM Card and Battery

1. Carefully remove the back cover of the phone.
2. Insert your SIM card into the designated slot. Ensure it is correctly oriented as indicated by the diagram near the slot.
3. Place the battery into its compartment, aligning the contacts.
4. Replace the back cover until it clicks securely into place.

2. Charge the Device

1. Connect the Micro USB cable to the charging port on your phone.

2. Plug the other end of the cable into the provided European plug adapter, then into a wall outlet.

3. Allow the phone to charge fully before first use. The charging indicator on the screen will show the battery status.

3. Power On/Off

- **To Power On:** Press and hold the Power/End Call button until the screen lights up.
- **To Power Off:** Press and hold the Power/End Call button until the power-off options appear, then select 'Power Off' or continue holding until the device shuts down.

OPERATING INSTRUCTIONS

Making and Receiving Calls

- **To Make a Call:** Enter the phone number using the keypad and press the Call button (usually a green phone icon).
- **To Answer a Call:** When the phone rings, press the Call button.
- **To End a Call:** Press the End Call button (usually a red phone icon).

Sending and Receiving SMS Messages

- Navigate to the 'Messages' menu.
- Select 'New Message' or 'Write Message'.
- Enter the recipient's number or select from contacts.
- Type your message using the keypad.
- Press 'Send'.

Bluetooth Connectivity

The Qubo X-10BL supports Bluetooth for connecting to compatible devices such as headsets or other phones.

1. Go to 'Settings' and then 'Bluetooth'.
2. Turn Bluetooth 'On'.
3. Select 'Search for devices' or 'Pair new device'.
4. Choose the desired device from the list and follow the on-screen prompts to pair.

Using the Phone Cover

The phone comes with a protective cover. Ensure the phone is securely placed within the cover to protect it from minor impacts and scratches. The cover may also feature cutouts for easy access to buttons and ports.

MAINTENANCE

Cleaning

- Use a soft, dry cloth to clean the phone's screen and body.
- Avoid using liquid cleaners, aerosols, or harsh chemicals, as these can damage the device.

Battery Care

- To prolong battery life, avoid exposing the phone to extreme temperatures.
- Do not leave the phone charging for excessively long periods after it is fully charged.
- If the phone will not be used for an extended period, charge it to about 50% before storing.

Storage

Store the phone in a cool, dry place away from direct sunlight and moisture when not in use.

TROUBLESHOOTING

If you encounter issues with your Qubo X-10BL, refer to the table below for common problems and solutions.

Problem	Possible Cause	Solution
Phone does not turn on	Low battery; Battery not installed correctly	Charge the battery; Reinstall the battery
No network signal	SIM card issue; Out of network coverage	Check SIM card installation; Move to an area with better coverage
Cannot make/receive calls	No network; Incorrect number dialed; Call barring activated	Check network signal; Verify number; Check call settings
Battery not charging	Charger faulty; Charging port damaged	Try a different charger; Contact support if port is damaged
