Tribesigns HOGA-XK00693

Tribesigns 47-Inch Round Conference Table (White) Instruction Manual

Model: HOGA-XK00693

IMPORTANT SAFETY INFORMATION

WARNING: Always assemble the table with at least two people to ensure stability. Do not overload the table beyond the recommended weight limit of 60 kilograms (approximately 132 pounds) to prevent tipping or damage. Ensure all connections are securely fastened before use. Keep small parts away from children during assembly.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. The package should include:

- Tabletop sections (4 pieces)
- Table base components
- Assembly Guide
- Installation Tool (Allen wrench)
- Adjustable foot pads
- Metal fixing brackets and screws

If any parts are missing or damaged, please contact customer support immediately.

ASSEMBLY INSTRUCTIONS

Assembly requires at least two people. A screwdriver (not included) is recommended for faster assembly, in addition to the provided installation tool.

Step 1: Assemble the Table Base

Connect the base components as shown in the diagram. Ensure all screws are finger-tight at this stage.

Step 2: Attach Tabletop Sections

Carefully place the tabletop sections onto the assembled base. Use the provided metal fixing brackets to firmly hold the tabletop in place. Tighten all screws securely using the installation tool and a screwdriver.

Image: Close-up view of the metal connectors used to secure the tabletop sections, ensuring a flat surface.

Step 3: Adjust Foot Pads

Once the table is fully assembled, adjust the foot pads at the bottom of the base to ensure the table is level and stable on uneven floors. This also helps protect your floors from scratches.

OPERATING INSTRUCTIONS

The Tribesigns 47-Inch Round Conference Table is designed for use in meeting rooms, home offices, or dining areas. It comfortably accommodates 4-6 people.

- **Seating:** The round design promotes easy conversation and interaction among users.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 60 kilograms (132 pounds) on the tabletop.
- **Placement:** This table is intended for indoor use only.

MAINTENANCE

To ensure the longevity and appearance of your Tribesigns conference table, follow these maintenance guidelines:

- **Cleaning:** Wipe the table surface with a damp cloth for general cleaning. For spills, wipe immediately with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Protection:** Use coasters for drinks and placemats for hot dishes to prevent stains and heat damage.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Stain Resistance:** The table is designed to be stain-resistant, but prompt cleaning of spills is always recommended.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Table wobbles after assembly.	Uneven floor or loose connections.	Adjust the foot pads at the base of the table until it is stable. Check and tighten all assembly screws.
Gaps between tabletop sections.	Metal fixing brackets not properly engaged or tightened.	Ensure the metal fixing brackets are correctly positioned and fully tightened to pull the tabletop sections together.
Difficulty removing part number stickers.	Strong adhesive used for stickers.	Carefully peel off stickers. For stubborn residue, use rubbing alcohol or a gentle adhesive remover on a soft cloth. Test on an inconspicuous area first.

SPECIFICATIONS

Brand	Tribesigns
