

BLU K20 (G1050WW, G84)

Bold K20 Smartphone User Manual

Model: K20 (G1050WW, G84) | Brand: BLU

1. INTRODUCTION

Welcome to the user manual for your new Bold K20 smartphone. This guide provides comprehensive instructions to help you set up, operate, and maintain your device. Please read this manual carefully to ensure optimal performance and longevity of your Bold K20.

The Bold K20 is designed to offer a seamless and powerful mobile experience, featuring an all-day battery, a vibrant 6.7-inch HD+ Infinity Dot Display, a versatile triple 50MP camera system, and ample storage. It operates on Android 14 and is unlocked for use with compatible GSM carriers.

2. PRODUCT OVERVIEW

The Bold K20 is a feature-rich smartphone built for performance and style. Key highlights include:

- Display:** 6.7-inch HD+ Infinity Dot Display (720x1600 Resolution, 261ppi)
- Camera:** Triple 50MP Main Camera with Flash, 13MP Selfie Camera
- Storage & RAM:** 256GB Internal Storage, 4GB RAM, with MicroSD Slot for Expandable Storage
- Processor:** Unisoc T7200 12nm ARM Cortex A75 1.6GHz Octa-Core
- Battery:** Massive 5,000mAh Super Battery with 22.5W Quick Charge
- Operating System:** Android 14
- Security:** Side-Mounted Fingerprint Sensor
- Connectivity:** GSM Unlocked, 4G Cellular Technology

Image: Key features of the Bold K20 smartphone, including display, camera, storage, battery, and fingerprint sensor.

3. WHAT'S IN THE BOX

Upon unboxing your Bold K20, you should find the following items:

- Bold K20 Smartphone
- Clear Rugged Case
- Charger
- Type-C Cable
- SIM Key
- Quick Guide
- Sticker

Image: Contents of the Bold K20 retail box, showing the phone, clear case, charger, USB-C cable, SIM key, and documentation.

4. SETUP

4.1. Inserting the SIM Card

The Bold K20 supports a single SIM card. To insert your SIM card:

1. Locate the SIM card tray on the side of your phone.
2. Insert the provided SIM key into the small hole next to the tray and gently push until the tray ejects.
3. Place your Nano-SIM card into the tray, ensuring the gold contacts face down and the notched corner aligns correctly.
4. Carefully push the tray back into the phone until it clicks into place.

Note: This device is GSM unlocked and compatible with carriers like T-Mobile and Metro PCS. It is not compatible with AT&T/Cricket new activations or CDMA networks like Verizon. Please consult your service provider for network compatibility.

4.2. Initial Power On and Setup Wizard

To power on your device for the first time:

1. Press and hold the Power button (located on the side) until the BLU logo appears.
2. Follow the on-screen instructions to complete the initial setup wizard. This includes selecting your language, connecting to a Wi-Fi network, accepting terms and conditions, and signing in to your Google account.

4.3. Setting Up the Fingerprint Sensor

The Bold K20 features a side-mounted fingerprint sensor for quick and secure access.

1. Go to **Settings > Security & privacy > Device unlock > Fingerprint**.
2. Follow the prompts to register your fingerprint. You will be asked to lift and press your finger multiple times on the sensor until the registration is complete.
3. You can register multiple fingerprints for convenience.

Image: Close-up of the side-mounted fingerprint sensor on the Bold K20, highlighting its location for secure unlocking.

5. OPERATING INSTRUCTIONS

5.1. Basic Navigation (Android 14)

Your Bold K20 runs on Android 14, offering an intuitive user experience. Common gestures include:

- **Swipe Up:** To access the app drawer.
- **Swipe Down:** To open the notification shade and quick settings panel.
- **Tap:** To select an item or open an app.
- **Long Press:** To access contextual menus or move app icons.

Image: The number 14, representing the Android 14 operating system on the Bold K20.

5.2. Making Calls and Sending Messages

Use the Phone app to make calls and the Messages app for SMS/MMS. Ensure your SIM card is active and has network coverage.

5.3. App Management

You can download new applications from the Google Play Store. To manage installed apps, go to **Settings > Apps**. From here, you can uninstall, force stop, or clear data for individual applications.

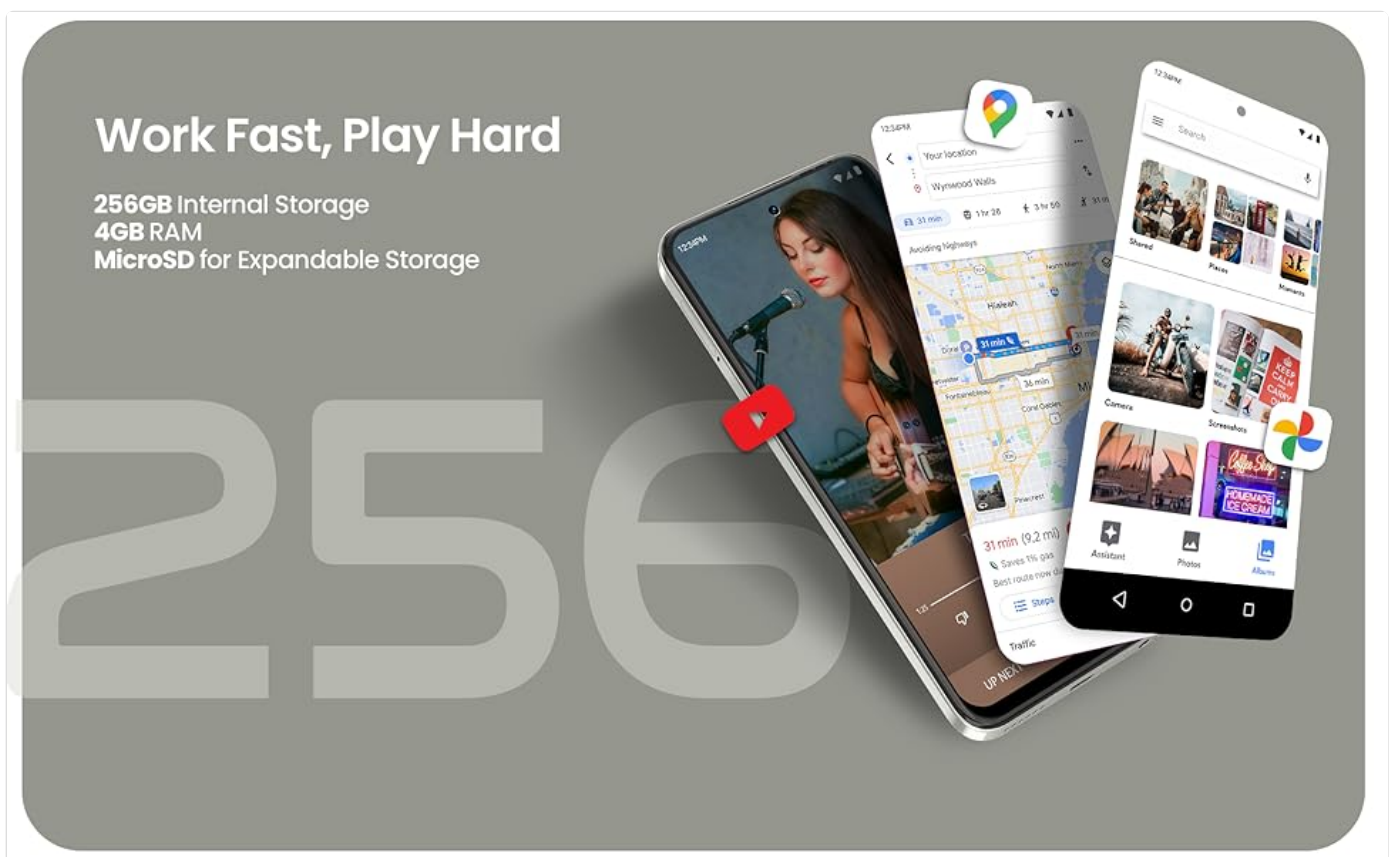

Image: Visual representation of the Bold K20's 256GB internal storage and 4GB RAM, emphasizing its capacity for apps and media.

6. CAMERA FEATURES

The Bold K20 is equipped with a powerful triple camera system to capture your moments:

- **Main Camera:** 50MP sensor for stunning detail and clarity.

- **Auxiliary Lenses:** Additional lenses to enhance various shooting scenarios (e.g., depth, macro).
- **Selfie Camera:** 13MP front-facing camera for high-quality portraits and video calls.

Open the Camera app to access various modes, including Photo, Video, Portrait, and more. Experiment with different settings to capture breathtaking landscapes, intricate details, and picture-perfect selfies.

Image: Depiction of the Bold K20's powerful triple camera system, highlighting the 50MP main camera and 13MP selfie camera.

7. BATTERY AND CHARGING

Your Bold K20 is powered by a large 5,000mAh battery, designed to provide all-day power. It also supports 22.5W fast charging to get you back to full power quickly.

- **Charging:** Use the provided Type-C cable and charger for optimal charging speed.
- **Battery Optimization:** To extend battery life, reduce screen brightness, disable unnecessary background apps, and turn off Wi-Fi/Bluetooth when not in use.

Image: Visual representation of the Bold K20's 5000mAh battery capacity, with a charging icon on the phone screen.

8. CONNECTIVITY

The Bold K20 offers robust connectivity options:

- **Wireless Carrier:** Unlocked for GSM networks.
- **Cellular Technology:** Supports 4G for fast mobile data.
- **Wi-Fi:** Connect to wireless networks for internet access.
- **Bluetooth:** Pair with wireless headphones, speakers, and other devices.

9. SPECIFICATIONS

Detailed technical specifications for the Bold K20:

Feature	Specification
Model Name	K20 (G1050WW, G84)
Operating System	Android 14
Display	6.7-inch HD+ Infinity Dot Display (720x1600)
Processor	Unisoc T7200 12nm ARM Cortex A75 1.6GHz Octa-Core
Internal Storage	256 GB
RAM	4 GB
Main Camera	Triple 50MP

Feature	Specification
Selfie Camera	13MP
Battery Capacity	5000 mAh
Charging	22.5W Fast Charging
Connectivity	4G Cellular, Wi-Fi, Bluetooth
SIM Card Slot	Single SIM
Dimensions	7.36 x 3.94 x 2.2 inches (Package)
Item Weight	1.01 pounds
Color	Burgundy

10. TROUBLESHOOTING

If you encounter issues with your Bold K20, try the following common troubleshooting steps:

- **Device Not Responding:** Press and hold the Power button for about 10-15 seconds to force a restart.
- **Network Issues:**
 - Ensure your SIM card is properly inserted.
 - Check if Airplane Mode is off.
 - Verify network coverage in your area.
 - Restart your phone.
- **Battery Draining Quickly:**
 - Reduce screen brightness.
 - Close unused apps running in the background.
 - Disable Wi-Fi, Bluetooth, and GPS when not needed.
 - Check battery usage in Settings to identify power-hungry apps.
- **Apps Crashing/Freezing:**
 - Clear the app's cache and data (Settings > Apps > [App Name] > Storage & cache).
 - Update the app to the latest version from the Google Play Store.
 - Reinstall the app.
- **Fingerprint Sensor Not Working:**
 - Ensure your finger is clean and dry.
 - Re-register your fingerprint in Settings.

For more complex issues, consider performing a factory reset (backup your data first) or contacting customer support.

11. WARRANTY AND SUPPORT

Your Bold K20 comes with a US Warranty. For specific warranty terms and conditions, please refer to the documentation included with your purchase or visit the official BLU website.

For further assistance, technical support, or to explore more BLU products, please visit the official BLU Store:
