Jocoevol C-1691

Jocoevol Daybed with Trundle and LED Lights User Manual

Model: C-1691

PRODUCT OVERVIEW

The Jocoevol Daybed with Trundle and LED Lights is a versatile and heavy-duty metal twin bed frame designed for various living spaces. It features an upholstered headboard, a built-in charging station, and a pop-up trundle, making it suitable for bedrooms, living rooms, and guest rooms. Its multi-functional design allows it to serve as a comfortable seating area during the day and an extra sleeping space at night, easily converting between two twin beds or a spacious King-size bed.

SAFETY INFORMATION

Please read and understand all safety information before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Do not exceed the recommended maximum weight limit of **880 pounds**.
- Be cautious of sharp edges during assembly and use.
- Keep liquids away from the charging station to prevent electrical hazards.
- Always follow assembly instructions carefully to prevent instability or injury.
- Ensure all connections are secure before use.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Daybed Frame (Main Unit)
- Trundle Bed Frame
- Upholstered Headboard with Integrated LED Strip and Charging Station
- Assembly Hardware (screws, bolts, washers, etc.)
- Installation Guide
- Tools (Allen wrench, etc.)

SETUP AND ASSEMBLY

This daybed is designed for straightforward assembly. Follow the included installation guide carefully. All parts are labeled, and necessary tools are provided.

Assembly Steps:

1. Unpack all components and lay them out on a clean, flat surface. Verify all parts against the parts list in the installation guide.
2. Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are finger-tight before fully tightening.
3. Install the bed slats or support system onto the frame.
4. Assemble the trundle bed frame according to the instructions. Attach the locking casters.
5. Slide the assembled trundle bed under the main daybed frame.
6. Connect the power cord for the LED lights and charging station to a standard wall outlet.
7. Once fully assembled, gently shake the bed to ensure stability. Tighten all screws if any wobbling is detected.

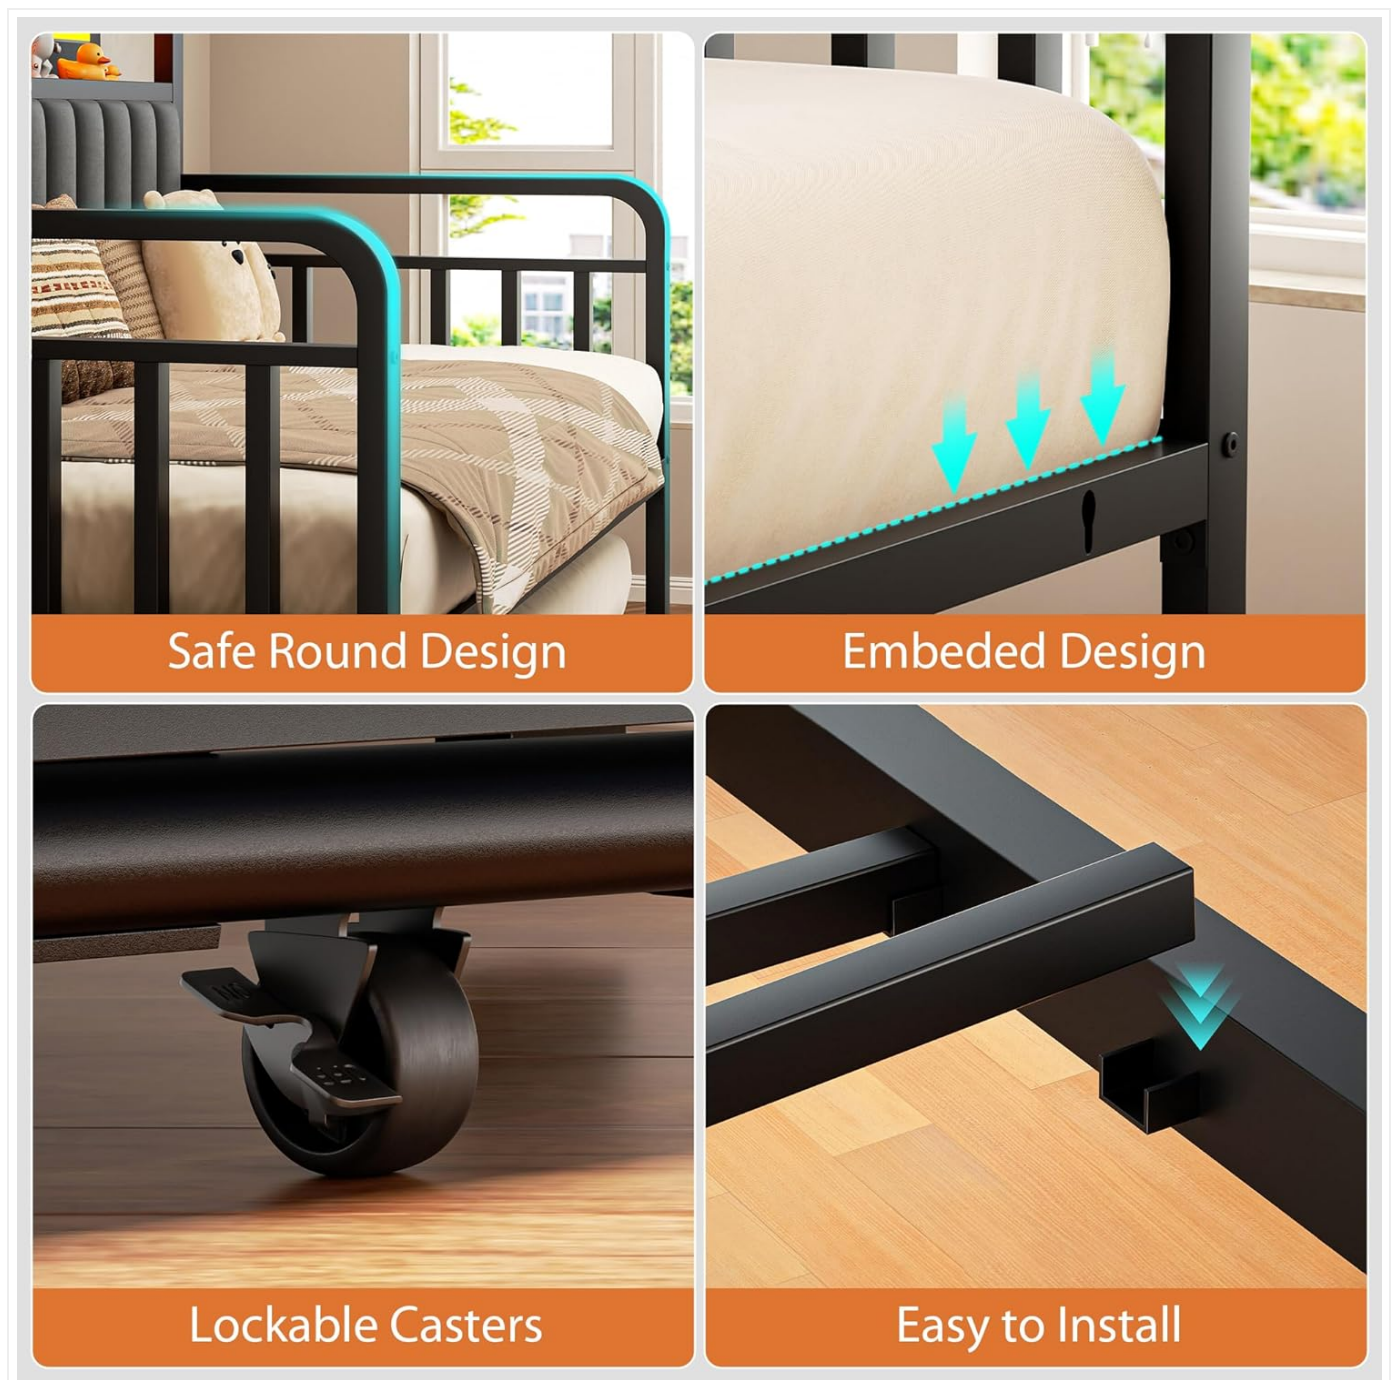

Figure 3: Key design features for assembly and safety, including safe round design, embedded mattress design, lockable casters on the trundle, and ease of installation.

OPERATING INSTRUCTIONS

Using the Trundle Bed:

- To extend the trundle, gently pull it out from under the main daybed frame.
- To raise the trundle to the same height as the main daybed, lift the trundle frame until the legs lock into place.
- To convert into a King-size bed, position the raised trundle alongside the main daybed.
- To store, unlock the trundle legs, lower the frame, and push it back under the daybed. Ensure casters are locked when in position to prevent unwanted movement.

Figure 4: The daybed with the trundle fully extended and raised, demonstrating its use as a second twin bed or part of a larger sleeping surface.

Figure 5: Illustration showing the daybed's dual functionality as a traditional daybed with trundle and as a cozy sofa when the trundle is stored.

Using the LED Lights:

The integrated RGB LED light strip offers a wide range of colors and effects.

- **Control Methods:** The LED lights can be controlled via physical buttons on the headboard, a dedicated remote control, or a smartphone application (iOS/Android).
- **Color Selection:** Choose from over 16 million colors to match your mood or room decor.
- **Lighting Effects:** Access over 20 preset lighting effects, including dynamic modes.
- **Music Sync Mode:** In smart music sync mode, the LED lights will pulsate and change rhythmically with music played in the room, creating an immersive audio-visual experience.
- **Brightness Adjustment:** Adjust the brightness level to your preference.
- **Timing Function:** Set timers for the lights to turn on or off automatically.

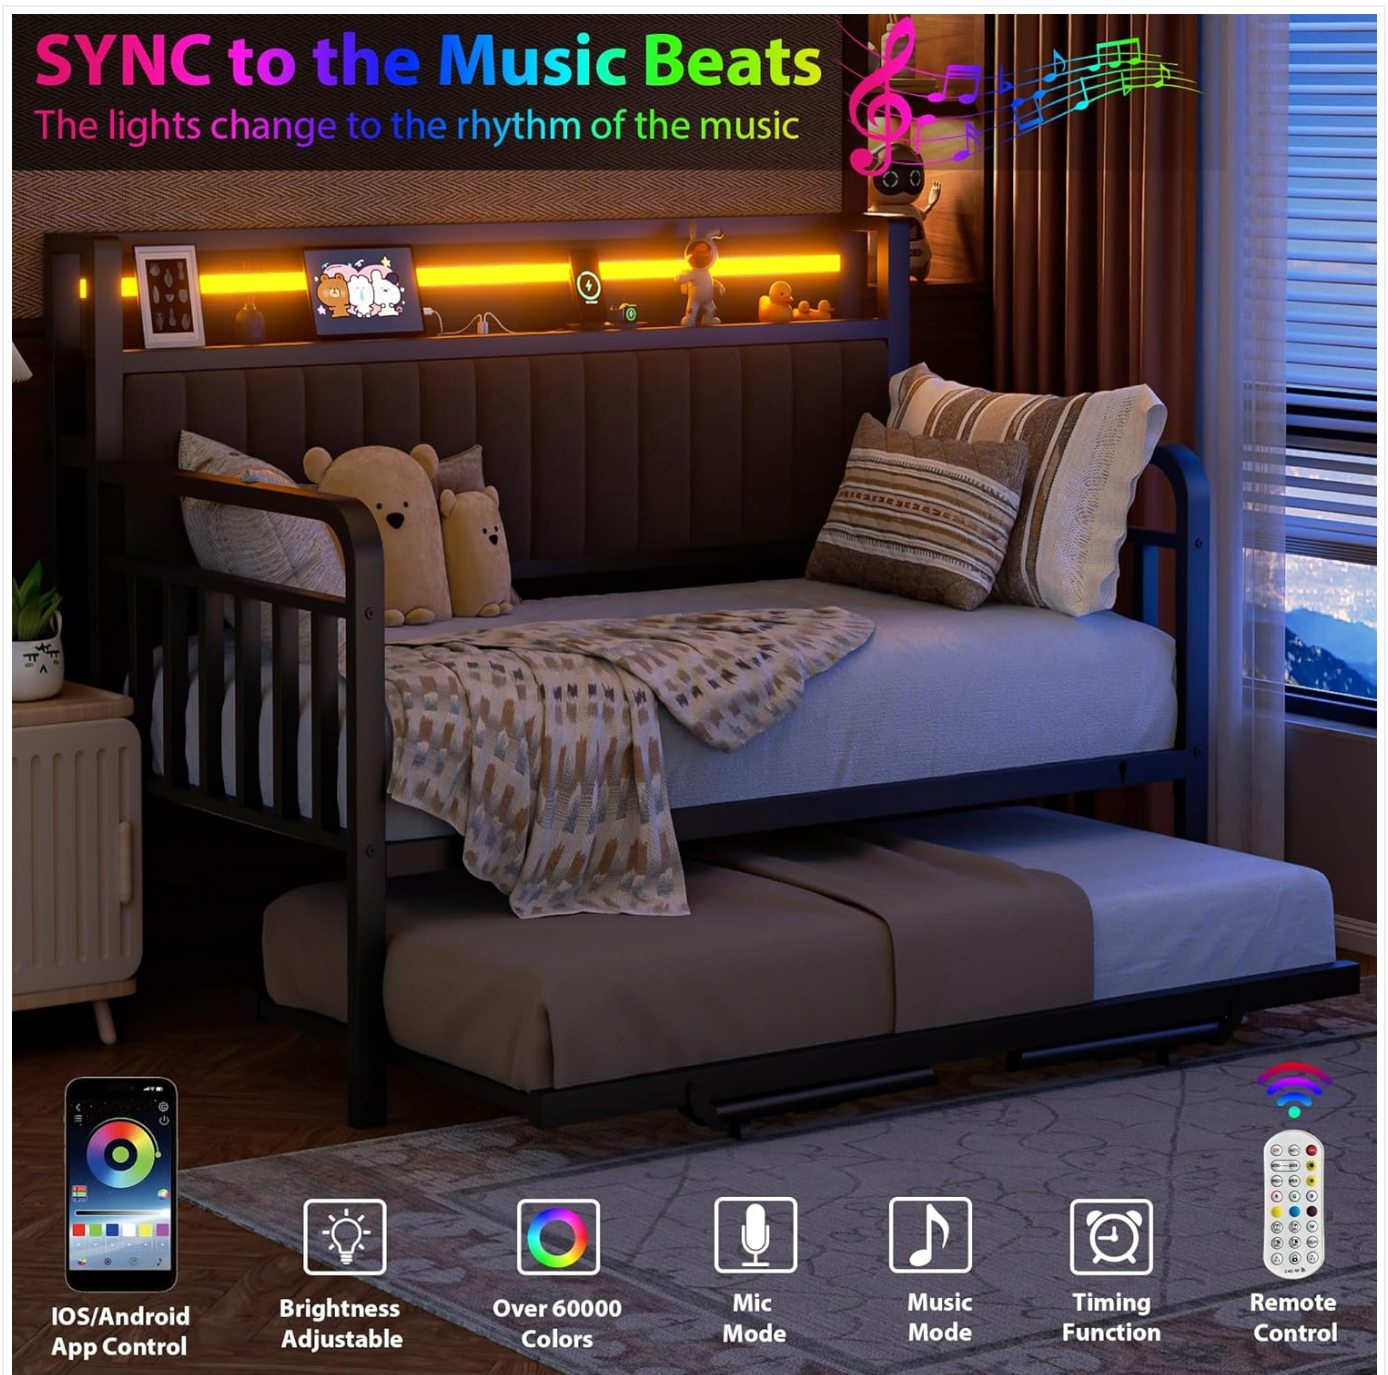

Figure 6: Visual representation of the LED light features, including music sync, brightness adjustment, color options, mic mode, timing function, and remote control.

Using the Charging Station:

The headboard includes a convenient charging station to power your electronic devices.

- The charging station features two standard 125V/12A outlets, two USB ports (5V/2A), and one Type-C port (5V/3A).
- Simply plug your devices into the appropriate ports to charge them.
- The open shelf (5.5 inches deep) above the charging station provides a convenient space for placing phones, tablets, books, or other small items.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your daybed.

- **Frame Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Upholstered Headboard:** For spills or stains on the upholstered headboard, spot clean immediately with a mild fabric cleaner and a clean cloth. Blot, do not rub. Allow to air dry completely.
- **LED Lights and Charging Station:** Keep the LED strip and charging ports free of dust and debris. Use a dry, soft cloth for cleaning. Ensure no liquids come into contact with the electrical components.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed is wobbly or unstable.	Loose hardware.	Check and tighten all screws and bolts. Ensure all parts are correctly aligned as per the assembly instructions.
Trundle does not slide smoothly or lock.	Casters are dirty or damaged; trundle not aligned.	Clean casters. Check for obstructions. Ensure trundle is properly aligned with the main frame. Verify casters are correctly installed and functional.
LED lights are not working.	Power cord unplugged; remote battery dead; app connection issue.	Ensure the power cord is securely plugged into both the headboard and a working wall outlet. Check remote control battery. Re-pair the app if necessary.
Charging station is not providing power.	Power cord unplugged; circuit overload; device compatibility.	Verify the power cord is fully connected. Ensure the wall outlet is functional. Avoid overloading the charging station with too many high-power devices simultaneously. Test with different devices.

SPECIFICATIONS

Feature	Detail
Brand	Jocoevol
Model Number	C-1691
ASIN	B0DVD89QLS
Color	Black
Main Material	Metal
Finish Type	Polished
Style	Antique
Size/Capacity	Twin (converts to King with trundle)
Product Dimensions (L x W x H)	196.6 cm x 114.55 cm x 113.03 cm (approx. 77.4 in x 45.1 in x 44.5 in)
