# Yaheetech Folding Patio Chair Set of 4 Instruction Manual

Model: Folding Patio Chair Set of 4

Brand: [Yaheetech](#)

## INTRODUCTION

Thank you for choosing the Yaheetech Folding Patio Chair Set of 4. These chairs are designed for outdoor use, offering durability, comfort, and convenient storage. This manual provides essential information for safe and effective use, maintenance, and care of your new patio chairs.

## SAFETY INFORMATION

- **Maximum Weight Capacity:** Do not exceed the maximum weight capacity of 300 lb (approximately 136 kg) per chair. Overloading can cause damage or injury.
- **Proper Setup:** Ensure each chair is fully unfolded and locked into place before use. Verify all joints are secure.
- **Stable Surface:** Always place the chairs on a flat, stable, and level surface to prevent tipping.
- **Children and Pets:** Keep children and pets away from moving parts during folding and unfolding to prevent pinching or injury.
- **Inspection:** Regularly inspect chairs for any signs of damage, loose parts, or wear. Discontinue use if damage is found and contact customer support.

## PRODUCT FEATURES

- **Firm and Stable Design:** Features a triangular frame reinforced by double horizontal bars between the front and back legs, supporting up to 300 lb.
- **All-weather Material:** Crafted with a PP (Polypropylene) seat and powder-coated iron support frame, offering resistance to weather, water, wear, and scratches.
- **No Assembly Required:** Chairs come fully assembled and are ready to use straight out of the box.
- **Folding Structure:** Folds into a compact 33 x 22 x 2.8 inch (84 x 56 x 7 cm) piece for easy storage and transport.

- **Minimal and Textured Aesthetic:** Sleek matte texture, classic solid color, and simple design suitable for various outdoor spaces.

## SETUP

Your Yaheetech Folding Patio Chairs require no assembly. They are designed for immediate use upon unpacking.

1. **Unpack:** Carefully remove the chairs from the packaging.
2. **Unfold:** Hold the chair by the top of the backrest and the front edge of the seat. Gently pull the backrest and seat away from each other until the chair fully extends.
3. **Secure:** Ensure all four legs are firmly on the ground and the chair feels stable before sitting. The folding mechanism should click into place, indicating it is fully open.

## MAINTENANCE

### Cleaning

The all-weather material of your chairs makes cleaning simple:

- Wipe down the frame and seat with a damp cloth and mild soap.
- Rinse thoroughly with clean water.
- Allow to air dry completely before folding and storing.
- For stubborn stains, a soft brush can be used gently. Avoid harsh chemicals or abrasive cleaners.

### Storage

When not in use, especially during harsh weather conditions, fold the chairs and store them in a dry, protected area to prolong their lifespan. The compact folded size allows for convenient storage in lockers, car trunks, or on storage racks.

## TROUBLESHOOTING

- **Chair feels unstable:** Ensure the chair is fully unfolded and the locking mechanisms are engaged. Check that all legs are on a flat surface.
- **Difficulty folding/unfolding:** Apply gentle, even pressure to the backrest and seat simultaneously. Do not force the mechanism. Ensure no debris is obstructing the hinges.
- **Stains on fabric:** Refer to the cleaning instructions in the Maintenance section. Promptly clean spills to prevent permanent staining.
