

## Samsung BN59-01357B

# Samsung BN59-01357B Smart TV Remote Control User Manual

Model: BN59-01357B | Brand: Samsung

## INTRODUCTION

The Samsung BN59-01357B is a high-quality solar-powered remote control specifically designed for Samsung Smart TVs. It offers convenient control without the need for traditional batteries, as it can be charged via solar energy or a USB-C connection. This remote ensures a pleasant viewing experience through precise signal transmission and ergonomically designed buttons. It is an original replacement model, not a replica, and is designed for direct use without additional programming.

## PRODUCT OVERVIEW

Image: Front and back view of the Samsung BN59-01357B remote control, showcasing its sleek black design and solar panel on the rear.

## Key Features:

- **Original Samsung Quality:** Designed specifically for Samsung Smart TVs, ensuring seamless compatibility and performance.
- **Ready to Use (Plug & Play):** No complex setup or programming required. Simply charge and begin using.
- **Sustainable Power:** Features a solar panel for charging and a USB-C port, eliminating the need for disposable batteries.
- **Precise Signal Transmission:** Utilizes reliable infrared and Bluetooth technology for fast and smooth control with a long operating range.
- **Ergonomic and Durable Design:** Comfortable to hold with robust, easy-to-press buttons for optimal user comfort.
- **Wide Compatibility:** Works with various Samsung Smart TV models.

## SETUP

---

1. **Initial Charging:** Before first use, ensure the remote control is sufficiently charged. Place the remote with its solar panel facing a light source (natural sunlight or indoor lighting) or connect it to a USB-C power source (charging cable not included).
2. **Automatic Pairing:** The Samsung BN59-01357B remote control is designed for immediate use with compatible Samsung Smart TVs. No additional pairing or programming steps are typically required. Simply point the remote at your Samsung TV and begin operating.
3. **Troubleshooting Pairing (if needed):** If the remote does not respond, ensure it is charged. For some models, pressing and holding the "Return" and "Play/Pause" buttons simultaneously for 3 seconds might initiate a pairing process.

## OPERATING INSTRUCTIONS

---

The BN59-01357B remote control features an intuitive layout for easy navigation and control of your Samsung Smart TV.

- **Einfache Bedienung** – Alle wichtigen Tasten für Streaming & Smart-TV-Nutzung verfügbar.

Image: The rear of the remote control, highlighting the solar panel for eco-friendly charging and the USB-C port for convenient wired charging.

### Charging the Remote Control:

- **Solar Charging:** The remote features a solar panel on its back. To charge, simply place the remote with the solar panel facing a light source. This can be natural sunlight or bright indoor lighting. Regular

exposure to light will keep the remote charged.

- **USB-C Charging:** For faster charging or when light is insufficient, connect a USB-C cable (not included) to the port located at the bottom of the remote and to a power adapter.
- **Battery Indicator:** The remote may have an on-screen indicator on your TV or a small LED to show battery status. Refer to your TV's manual for details.

Avoid exposing the remote to extreme temperatures, direct water, or harsh chemicals. Clean with a soft, dry cloth.

## TROUBLESHOOTING

### Common Issues and Solutions:

- **Remote Not Responding:**
  - Ensure the remote is sufficiently charged via solar or USB-C.
  - Check for any obstructions between the remote and the TV's IR receiver.
  - If using Bluetooth, ensure the TV's Bluetooth is enabled and the remote is paired. Try re-pairing by holding the "Return" and "Play/Pause" buttons for 3 seconds.
- **Voice Command Not Working:**
  - Ensure the remote is paired via Bluetooth. Voice commands typically require a Bluetooth connection.
  - Check TV settings to ensure voice assistant is enabled.
- **Buttons Feel Stiff or Unresponsive:**
  - Clean the remote's surface and around the buttons with a soft, dry cloth to remove any dust or debris.
  - Ensure the remote is not physically damaged.

If issues persist, consult your Samsung TV's user manual or contact Samsung customer support.
