SETUP

Initial Charge

Before first use, it is recommended to fully charge your tablet. Connect the provided USB-C cable to the tablet's charging port and the other end to the USB-C charger. Plug the charger into a power outlet. The charging indicator on the screen will show the charging status.

Powering On/Off

- **To Power On:** Press and hold the Power button located on the side of the tablet until the ONN logo appears on the screen.
- **To Power Off:** Press and hold the Power button until a power menu appears. Select "Power off" from the options.
- **To Restart:** From the power menu, select "Restart".

Initial Configuration

The first time you power on your tablet, you will be guided through a setup wizard. Follow the on-screen prompts to:

1. Select your language.
2. Connect to a Wi-Fi network.
3. Sign in with your Google account or create a new one. This is necessary to download apps from the Google Play Store.
4. Set up screen lock (PIN, pattern, or password).
5. Review and accept terms and conditions.

OPERATING YOUR TABLET

Navigation

Your tablet uses a touchscreen for all interactions. Common gestures include:

- **Tap:** To select an item or open an app.
- **Tap and Hold:** To access contextual menus or move icons.
- **Swipe:** To scroll through pages or lists.
- **Pinch-to-Zoom:** To zoom in or out on images or web pages.

Connecting to Wi-Fi

To connect to the internet:

1. Go to *Settings > Network & internet > Internet*.
2. Turn on Wi-Fi.
3. Select your desired Wi-Fi network from the list.
4. Enter the network password if prompted, then tap *Connect*.

Using Cameras

Your tablet is equipped with dual 5MP cameras (front and rear). Open the Camera app to capture photos or record videos. You can switch between the front and rear cameras within the app interface.

Storage Management

The tablet comes with 64GB of internal storage. If you need more space, you can expand it using a MicroSD card (sold separately). Insert the MicroSD card into the designated slot using the provided ejection pin if necessary. You can manage your storage in *Settings > Storage*.

Google Kids Space & Entertainment Space

Your tablet comes pre-installed with Google Kids Space and Entertainment Space. Google Kids Space offers a safe and engaging environment for children with curated apps, books, and videos. Entertainment Space provides a personalized hub for movies, TV shows, games, and books, making it easy to find content you love.

MAINTENANCE

Cleaning

To clean your tablet, use a soft, lint-free cloth. For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaning solution. Avoid using harsh chemicals, abrasive materials, or excessive moisture, as these can damage the screen or internal components.

Software Updates

Periodically check for software updates to ensure your tablet has the latest features, security patches, and performance improvements. Go to *Settings > System > System update* to check for and install available updates.

Battery Care

To maximize battery life:

- Avoid extreme temperatures.
- Do not let the battery fully drain frequently.
- Use the original charger and cable.
- Adjust screen brightness to a comfortable level.
- Close unused apps running in the background.

TROUBLESHOOTING

This section addresses common issues you might encounter with your tablet.

Issue	Possible Solution
Tablet won't turn on.	Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on.
Wi-Fi connection issues.	Check if Wi-Fi is enabled in settings. Restart your Wi-Fi router. Forget the network and reconnect.
Apps crashing or slow performance.	Clear app cache (Settings > Apps > [App Name] > Storage > Clear cache). Restart the tablet. Check available storage.
Screen is unresponsive.	Perform a forced restart by holding the Power button for about 10-15 seconds until the tablet reboots.
Battery drains quickly.	Reduce screen brightness. Close background apps. Disable unnecessary features like GPS or Bluetooth when not in use.
