1. **Power/Multi-function Button:** Used for power on/off, play/pause, answer/end calls.
2. **Volume Up Button:** Increases volume, next track (long press).
3. **Volume Down Button:** Decreases volume, previous track (long press).
4. **LED Indicator:** Shows power, pairing, and charging status.
5. **USB-C Charging Port:** For charging the headphones.
6. **Microphone:** For calls and voice commands.

SETUP

1. Initial Charging

Before first use, fully charge your headphones. Connect the provided USB-C cable to the charging port on the headphones and the other end to a USB power source. The LED indicator will show charging status and turn off or change color when fully charged.

2. Powering On/Off

- **Power On:** Press and hold the Power/Multi-function Button for approximately 3 seconds until the LED indicator flashes.
- **Power Off:** Press and hold the Power/Multi-function Button for approximately 5 seconds until the LED indicator turns off.

3. Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the Power/Multi-function Button for about 5-7 seconds until the LED indicator flashes red and blue alternately, indicating pairing mode.
3. On your device (smartphone, laptop), enable Bluetooth and search for available devices.
4. Select "trukey Aura Bass" from the list of found devices.
5. Once connected, the LED indicator will flash blue slowly.

4. Dual Device Pairing

The truke Aura Bass headphones support connecting to two devices simultaneously.

1. Pair the headphones with the first device as described in "Bluetooth Pairing".
2. Disable Bluetooth on the first device. The headphones will re-enter pairing mode.
3. Pair the headphones with the second device.
4. Re-enable Bluetooth on the first device. The headphones should automatically connect to both devices.
5. Audio will play from the device that is actively playing media or receiving a call.

OPERATING INSTRUCTIONS

Music Playback

- **Play/Pause:** Press the Power/Multi-function Button once.

- **Next Track:** Long press the Volume Up Button.
- **Previous Track:** Long press the Volume Down Button.
- **Volume Up:** Short press the Volume Up Button.
- **Volume Down:** Short press the Volume Down Button.

Call Management

- **Answer/End Call:** Press the Power/Multi-function Button once.
- **Reject Call:** Long press the Power/Multi-function Button.
- **Voice Assistant:** Double-press the Power/Multi-function Button (if supported by your device).

The headphones feature Dual Microphones with PureVoice ENC (Environmental Noise Cancellation) for clear communication by reducing background noise during calls.

Low Latency Mode (Game Booster)

Activate the ultra-low latency mode (40ms) for a synchronized audio experience during gaming or video playback. Refer to the product's specific instructions or button combinations for activating this mode, typically a triple-press on a specific button.

Image: A user wearing the headphones while gaming, demonstrating the benefit of low latency audio.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** The headphones are IPX5 water resistant, protecting against splashes and sweat. Do not submerge them in water.
- **Battery Care:** To preserve battery life, charge the headphones regularly, even if not in frequent use. Avoid fully discharging the battery for extended periods.

Troubleshooting

Problem	Possible Solution
Headphones do not power on.	Ensure the headphones are fully charged. Press and hold the Power/Multi-function Button for 3 seconds.
Cannot pair with device.	<ul style="list-style-type: none">• Ensure headphones are in pairing mode (LED flashing red/blue).• Disable and re-enable Bluetooth on your device.• Move headphones closer to your device.• Forget "trueke Aura Bass" from your device's Bluetooth list and try pairing again.
No sound or low volume.	<ul style="list-style-type: none">• Adjust volume on both headphones and your connected device.• Ensure headphones are properly connected to your device.• Check if the audio source is playing.
Call quality is poor.	<ul style="list-style-type: none">• Ensure the microphone is not obstructed.• Move to a quieter environment to reduce background noise.• Check network signal strength on your phone.
