2. What's in the Box

- Wireless Charging Case
- Cable (USB charging cable)
- Eartips (various sizes for optimal fit)
- User Manual

3. Setup Guide

3.1 Initial Charging

Before first use, fully charge the truke Buds Aura and their charging case. Connect the provided charging cable to the case and a compatible USB power source. The indicator light on the case will show charging status.

Image: Visual representation of the truke Buds Aura's 70-hour playtime and rapid fast charging capability, showing 10 minutes of charging provides 10 hours of playback.

The earbuds offer a massive 70-hour playtime with the charging case. With fast charging support, just 10 minutes of charging provides up to 10 hours of playback.

3.2 Pairing with Your Device

1. Ensure the earbuds are in the charging case and the case lid is open.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices. You should see "truke Buds Aura" in the list.
4. Select "truke Buds Aura" to connect. The earbuds feature instant auto-pairing with Bluetooth 5.4 for a stable and lag-free connection.

4. Operating Instructions

4.1 Audio Playback

The truke Buds Aura are equipped with powerful 13mm Titanium Drivers, delivering deep bass, crisp highs, and immersive spatial audio. Control playback (play, pause, skip tracks) using the touch controls on the earbuds (refer to the quick start guide for specific gestures).

Image: An exploded view diagram illustrating the internal components of the 13mm Titanium Drivers, emphasizing supreme bass and AAC SBC Codec support.

4.2 Call Management

The Quad-Mic PureVoice ENC Technology ensures crystal-clear voice calls by effectively cancelling environmental noise. Use the earbuds to answer, end, or reject calls.

4.4 Voice Assistant

The truke Buds Aura support voice assistants like Siri and Google Voice. Activate your device's voice assistant through the earbuds' controls (refer to the quick start guide for specific gestures).

5. Maintenance and Care

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Eartips:** Remove and clean the eartips periodically with mild soap and water, then dry thoroughly before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and ensure they remain charged.

- **Battery Care:** To prolong battery life, avoid exposing the earbuds and case to extreme temperatures. Charge them regularly, even if not in frequent use.

6. Troubleshooting

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Place earbuds back in case, close lid, wait 5 seconds, then open and try pairing again. Forget "truke Buds Aura" from your device's Bluetooth list and re-pair.
No sound from one earbud	Ensure both earbuds are charged. Place both earbuds in the case, close the lid, and then take them out to reset the connection. Clean the charging contacts on both earbuds and inside the case.
Charging case not charging	Check the charging cable and power adapter. Ensure the charging port on the case is clean and free of debris. Try a different charging cable or power source.
Poor call quality	Ensure earbuds are properly seated in your ears. Check for strong Bluetooth signal (stay within range of your device). Clean the microphone openings on the earbuds.
