## truke F40+

# truke Buds Elite True Wireless Earbuds

Model: F40+ Instruction Manual

## INTRODUCTION

This manual provides detailed instructions for the proper use and maintenance of your truke Buds Elite True Wireless Earbuds. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

Image: Overview of truke Buds Elite features including playtime, latency, drivers, and connectivity.

## PACKAGE CONTENTS

Ensure all items are present in the package:

- truke Buds Elite True Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual
- Ear Tips (various sizes)

## PRODUCT OVERVIEW

The truke Buds Elite are designed for an immersive audio experience, featuring 10mm dynamic drivers for powerful sound. They offer extended playtime, clear call quality with Dual Mic ENC, and a dedicated gaming mode with low latency. The earbuds are lightweight and ergonomically designed for comfort.

## SETUP

---

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the charging case to a USB power source using the provided cable. The indicator light on the case will show charging status.

- A full charge provides up to 70 hours of total playtime with the charging case.
- A quick 10-minute charge can provide up to 10 hours of playback.

## 2. Pairing with a Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for "truke Buds Elite" in the list of available Bluetooth devices.
4. Select "truke Buds Elite" to connect. Once connected, you will hear a confirmation sound.

The earbuds utilize Bluetooth 5.4 for stable and energy-efficient connectivity.

## MAINTENANCE

---

### Cleaning

Regularly clean your earbuds and charging case to maintain optimal performance and hygiene. Use a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.

- Gently wipe the earbuds, especially the ear tips and charging contacts.
- Clean the charging contacts inside the case with a dry cotton swab if necessary.

### Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage.

### Water Resistance

The truke Buds Elite are IPX5 water and sweat resistant. This means they can withstand splashes and light rain, making them suitable for workouts and outdoor activities. They are not designed for submersion in water.

- Do not expose the earbuds to running water or wear them while swimming or showering.
- Ensure the earbuds are dry before placing them back into the charging case to prevent damage to the

charging contacts.
