

## Napoleon Rogue PRO-S 525

# Napoleon Rogue PRO-S 525 Propane Gas Grill

## Instruction Manual

Model: Rogue PRO-S 525 (RPS525RSIBPSS-2)

## INTRODUCTION

Welcome to your new Napoleon Rogue PRO-S 525 Propane Gas Grill. This manual provides essential information for the safe and efficient operation, maintenance, and care of your grill. The Rogue PRO-S 525 features a durable stainless steel construction, a rear infrared rotisserie burner, a large infrared sear station side burner, and iconic WAVE™ shaped cooking grids. SafetyGlow™ ergonomic control knobs illuminate when in use, enhancing safety and ease of operation.

## IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembling or operating your grill. Keep this manual for future reference.

**Proposition 65 Warning: This product can expose you to chemicals including carbon monoxide, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).**

## PRODUCT OVERVIEW

The Napoleon Rogue PRO-S 525 is a versatile propane gas grill designed for outdoor cooking. It features multiple burners and advanced grilling technologies.

### Key Features:

- 4 Main Burners, 1 Infrared Rear Burner, 1 Infrared Side Burner
- Main Cooking Area: 28.75 inches by 18 inches (79.025 cm by 45.72 cm)

## SETUP AND ASSEMBLY

The Napoleon Rogue PRO-S 525 requires assembly. It is recommended to have a second person for certain steps, especially when mounting the main grill body. Follow the pictorial instructions provided in the included user manual carefully.

### Installation Type:

This is a free-standing grill. Ensure it is placed on a stable, level surface away from combustible materials.

### Connecting Propane:

Connect the propane tank according to the instructions in the full user manual. Always check for leaks before first use and after changing the tank.

## OPERATING YOUR GRILL

## Ignition:

The grill features JETFIRE™ ignition for reliable startup. Turn the desired burner knob to the high position, then press the ignition button.

## Main Burners:

The grill is equipped with 4 main burners. Adjust the heat using the ergonomic control knobs.

## Infrared Sear Station Side Burner:

Located on the side shelf, this burner provides intense heat (up to 1800°F) for searing meats or preparing sauces.

# INFRARED SIZZLE ZONE® SIDE BURNER

1800°F Sear Station

## Rear Infrared Rotisserie Burner:

Use this burner in conjunction with a rotisserie kit (sold separately or included with some models) for slow-roasting.

## SafetyGlow™ Knobs:

The control knobs illuminate red when a burner is in use, providing a visual safety indicator.

## CARE AND MAINTENANCE

---

### Cleaning the Cooking Grids:

After each use, preheat the grill on high for 10-15 minutes, then use a grill brush to clean the cooking grids.

### Cleaning Stainless Steel Surfaces:

Use a stainless steel cleaner and a soft cloth to maintain the grill's durable stainless steel finish. Always wipe in the direction of the grain.

### General Cleaning:

Regularly clean the interior of the grill, including the sear plates and drip tray, to prevent grease buildup and flare-ups.

### Storage:

When not in use, especially during off-seasons, cover the grill with a suitable grill cover to protect it from the

elements.

## TROUBLESHOOTING COMMON ISSUES

---

### Burner Not Lighting:

- Check if the propane tank is open and has sufficient fuel.
- Ensure all gas connections are secure.
- Verify the ignition system is functioning (listen for a clicking sound).

### Uneven Heating:

- Clean the burners and cooking grids to remove any blockages.
- Ensure the grill is level.

For more detailed troubleshooting, refer to the comprehensive user manual included with your grill.

## PRODUCT SPECIFICATIONS
