PWNAGE PUC-PC-B

PWNAGE Ultra Custom Paracord USB-C Cable Instruction Manual

Model: PUC-PC-B

PRODUCT OVERVIEW

The PWNAGE Ultra Custom Paracord USB-C Cable is designed for high-performance connectivity, offering both charging and data transfer capabilities. Its ultra-flexible, double-sleeved paracord construction ensures durability and a smooth user experience for gaming peripherals and other USB-C devices.

Key Features:

- **USB-C Connectivity:** Compatible with gaming mice, keyboards, and various USB-C charging devices, including new iPhones.
- **Soft and Ultra Flexible:** The paracord design provides exceptional flexibility, reducing drag and tangles.
- **Hand Coiled:** Crafted for quality and aesthetic appeal.
- **FCC Compliant:** Meets regulatory standards for electronic devices.

SETUP INSTRUCTIONS

Setting up your PWNAGE Ultra Custom Paracord USB-C Cable is straightforward. This cable is designed for plug-and-play functionality with compatible devices.

1. **Identify Connectors:** The cable features a USB-A connector on one end and a USB-C connector on the other.
2. **Connect to Host Device:** Insert the USB-A end of the cable into an available USB-A port on your computer, charging adapter, or other host device.
3. **Connect to Peripheral:** Insert the USB-C end of the cable into the USB-C port of your gaming mouse, mechanical keyboard, smartphone, or other compatible peripheral.
4. **Verify Connection:** Ensure both ends are securely plugged in. Your device should now be powered, charging, or ready for data transfer.

CHARGE & SYNC YOUR TYPE-C DEVICES

OPERATING INSTRUCTIONS

Once connected, the PWNAGE Ultra Custom Paracord USB-C Cable operates automatically for its intended functions.

- **Charging:** When connected to a power source (e.g., wall adapter, computer USB port) and a compatible device, the cable will facilitate charging.
- **Data Transfer:** For devices like external drives, smartphones, or keyboards that support data transfer, the cable will enable high-speed data exchange up to 480 Mbps.
- **Peripheral Connectivity:** For gaming mice and mechanical keyboards, the cable provides a stable and low-latency connection, enhancing your gaming or typing experience.

MAINTENANCE

To ensure the longevity and optimal performance of your PWNAGE Ultra Custom Paracord USB-C Cable, follow these simple maintenance guidelines:

- **Avoid Sharp Bends:** While flexible, extreme or sharp bends can damage the internal wires. Store the cable in a loose coil.
- **Clean Connectors:** Periodically inspect and gently clean the USB-A and USB-C connectors with a dry, soft cloth to remove dust or debris.
- **Handle with Care:** Always pull from the connector housing, not the cable itself, when unplugging to prevent strain

on the connection points.

- **Storage:** When not in use, coil the cable neatly and secure it with the included cable tie or a similar fastener to prevent tangling and damage.

TROUBLESHOOTING

If you encounter issues with your PWNAGE Ultra Custom Paracord USB-C Cable, try the following troubleshooting steps:

- **Device Not Charging/Connecting:**
 - Ensure both ends of the cable are fully inserted into their respective ports.
 - Try connecting the cable to a different USB port on your host device.
 - Test the cable with another compatible device to determine if the issue is with the cable or the original device.
 - If charging, ensure the power source (e.g., wall adapter) is functional and provides sufficient power.
- **Slow Data Transfer:**

- Verify that both the host device and the peripheral support USB 2.0 speeds (up to 480 Mbps).
 - Avoid connecting through unpowered USB hubs, which can reduce data transfer rates.
 - Ensure no other high-bandwidth operations are occurring simultaneously on your computer.
- **Intermittent Connection:**
 - Check for any visible damage to the cable or connectors.
 - Ensure the ports on your devices are clean and free of debris.
 - Avoid placing heavy objects on the cable or subjecting it to excessive tension.

If these steps do not resolve the issue, please refer to the Warranty & Support section for further assistance.

SPECIFICATIONS

Brand	PWNAGE
Model	PUC-PC-B
Connector Type	USB Type A, USB Type C
Cable Type	USB
Length	1.8 meters
Material	Paracord (Double-Sleeved)
Special Features	Braided, Data Transfer, Fast Charging, Lightweight, Ultra Flexible
Compatible Devices	Android phones, iPhones, USB-C keyboards, USB-C mice
Specification Met	FCC Compliant
Color	Black (as per current product variant)
UPC	856934007727
