Outsunny 2-Piece Outdoor Patio Ottomans Instruction Manual

Model: 867-293V00BG | Brand: Outsunny

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Always follow the assembly instructions carefully to avoid injury.
- Do not attempt to assemble the ottomans without the provided manual.
- Keep the ottomans on a stable, level surface to prevent tipping.
- Do not exceed the maximum weight capacity of **265 lbs (120 kg)** per ottoman.

2. PRODUCT OVERVIEW

The Outsunny 2-Piece Outdoor Patio Ottomans are designed for versatile outdoor use, functioning as extra seating, comfortable footrests, or side tables. They feature a durable PE rattan construction and a sturdy steel frame.

Image: Two Outsunny beige patio ottomans with cushions in an outdoor setting, showcasing their design and potential placement.

Key Features:

- **Versatile Use:** Can be used as seating, footrests, or side tables (when cushions are removed).
- **Durable Construction:** Hand-woven PE rattan is UV-resistant and weather-resistant for long-lasting outdoor use.
- **Comfortable Cushions:** Soft, padded cushions with removable, washable, zippered covers. Cushions feature horn buttons and internal elastic to stay in place.
- **Stable Support:** Powder-coated alloy steel frame supports up to 265 lbs. Elevated bases with protective foot pads prevent floor scratches.

3. SETUP AND ASSEMBLY

Assembly is required for these ottomans. Please ensure all parts are present before beginning. A small Allen wrench is typically included for assembly.

Assembly Tips:

- **Review Instructions:** Carefully examine the pictorial instructions provided with your product.
- **Part Orientation:** When attaching the side pieces, pay close attention to the orientation of the screw holes for the legs. Ensure these holes are positioned at the bottom of each side panel to allow for proper leg attachment. Incorrect orientation may require reassembly.
- **Tool Use:** While an Allen wrench is provided, using a larger, more comfortable tool (if available) may ease the assembly process.
- **Do Not Overtighten:** Tighten screws firmly but avoid overtightening to prevent damage to the frame or rattan.

4. OPERATING INSTRUCTIONS

Your Outsunny ottomans are designed for flexible use in various outdoor settings.

- **As a Footrest:** Place the ottoman in front of a chair or sofa to comfortably elevate your feet.
- **As Extra Seating:** The padded cushion provides a comfortable surface for additional guests. Ensure the ottoman is

on a stable, level surface before use as seating.

- **As a Side Table:** Remove the cushion to use the rattan base as a convenient surface for drinks, books, or small decorative items.

Image: Visual examples demonstrating the ottoman's versatility as a footstool, extra seating, and a side table.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your ottomans.

- **Cushion Care:** The cushion covers are zippered, removable, and washable. Follow the care instructions on the cushion label. After washing, ensure cushions are thoroughly dry before re-use or storage to prevent mildew.
- **Rattan Frame Cleaning:** Wipe the PE rattan and steel frame with a damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly.
- **Weather Protection:** Although the PE rattan is weather-resistant and UV-resistant, storing the ottomans indoors or covering them during harsh weather conditions (heavy rain, snow, prolonged direct sunlight) will help preserve their

condition.

6. TROUBLESHOOTING

If you encounter issues with your ottomans, refer to the following common solutions.

- **Assembly Difficulties:** If parts do not align, double-check the pictorial instructions. Ensure all pieces are oriented correctly, especially the side panels where leg holes should be at the bottom. Loosen all screws slightly, adjust components, then retighten.
- **Wobbly Ottoman:** Ensure all screws are securely tightened. Check that the ottoman is placed on a flat, even surface. Adjust the protective foot pads if necessary to level the unit.
- **Cushion Slipping:** The cushions are designed with horn buttons and internal elastic to help them stay in place. Ensure these are properly engaged.

7. SPECIFICATIONS

Product Dimensions (each)	15.7" D x 15.7" W x 18.1" H
Color	Beige
Material Type	PE Wicker, Alloy Steel Frame
Cushion Fabric	100% Polyester
