› HOMCOM Recliner Chair with Swivel, Rocking, and Footrest Function (Model 839-974V00DB)

HOMCOM 839-974V00DB

HOMCOM Recliner Chair User Manual

Model: **839-974V00DB**

1. INTRODUCTION

Thank you for choosing the HOMCOM Recliner Chair. This manual provides essential information for the safe assembly, operation, and maintenance of your new chair. Please read these instructions carefully before use and retain them for future reference.

Image 1.1: HOMCOM Recliner Chair in use.

The HOMCOM Recliner Chair is designed for comfort and versatility, featuring a reclining backrest, a retractable footrest, 360-degree swivel, and a rocking function. It also includes convenient cup holders for your beverages.

2. SAFETY INSTRUCTIONS

- Ensure all components are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the chair on a soft, clean surface to prevent scratches.
- Keep children and pets away during assembly. Small parts can be a choking hazard.
- Do not stand on the chair or use it as a step stool.
- Do not exceed the maximum weight capacity of **150 kg (330 lbs)**.
- Avoid placing the chair near heat sources or in direct sunlight for prolonged periods to prevent material degradation.
- Always ensure the chair is stable before sitting or reclining.

3. PACKAGE CONTENTS

Your HOMCOM Recliner Chair is typically delivered in two packages. Please verify that all components listed below are present before beginning assembly.

Image 3.1: Product packaging indicating two boxes.

Included components:

- Backrest
- Seat Cushion
- Armrests (Padded)
- Base/Frame components
- Hardware pack (screws, washers, etc.)
- Assembly instructions

4. SETUP AND ASSEMBLY

Assembly of the HOMCOM Recliner Chair is designed to be straightforward and typically takes approximately 10 minutes without the need for additional tools. Follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, flat surface to prevent damage.
2. **Attach Backrest:** Slide the backrest onto the seat base until it clicks securely into place. Ensure it is firmly seated.
3. **Connect Armrests:** Attach the padded armrests to the sides of the chair, aligning the connection points and securing them as per the specific design (usually by sliding or clicking into place).
4. **Verify Stability:** Once assembled, gently rock and push on the chair to ensure all connections are secure and the chair is stable.

EINFACHE MONTAGE

Sie brauchen nur etwa 10 Minuten

5. OPERATING INSTRUCTIONS

Your HOMCOM Recliner Chair offers multiple comfort features:

5.1 Reclining Function

To recline the chair, apply gentle pressure to the backrest while pushing your feet against the footrest. The backrest can recline up to **135 degrees**, and the footrest will extend simultaneously. To return to the upright position, lean forward and push the footrest back with your legs until it locks into place.

5.2 Swivel and Rocking Function

The chair base allows for a full **360-degree swivel**, enabling you to easily change your viewing direction. Additionally, the chair features a gentle rocking motion, ideal for relaxation or comforting a child.

SCHWENKEN UND SCHAUKELN

Ermöglicht es Ihnen, Ihr Kind zu füttern oder
in den Schlaf zu wiegen

6. MAINTENANCE

To ensure the longevity and appearance of your HOMCOM Recliner Chair, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the chair with a clean, damp cloth. For stubborn stains, use a mild fabric cleaner and test on an inconspicuous area first. Avoid harsh chemicals or abrasive cleaners.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they are tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading and material degradation.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub.

7. TROUBLESHOOTING

If you encounter any issues with your HOMCOM Recliner Chair, refer to the following common solutions:

- **Chair feels unstable:** Ensure all assembly bolts are securely tightened. Check that the chair is placed on a flat, even surface.
- **Reclining mechanism is stiff:** Ensure no obstructions are preventing movement. Apply gentle, even pressure. If new, the mechanism may require a few uses to loosen.
- **Squeaking noises:** Check for loose connections and tighten them. A small amount of silicone-based lubricant can be applied to moving metal parts if the noise persists, avoiding contact with fabric.

If problems persist, please contact HOMCOM customer support for assistance.

8. SPECIFICATIONS

Detailed specifications for the HOMCOM Recliner Chair (Model 839-974V00DB):

Image 8.1: Dimensions of the recliner chair.
