2. Safety Information

WARNING: NEVER LEAVE BABY UNATTENDED IN THE BATH TUB, EVEN FOR A MOMENT. DROWNING CAN OCCUR QUICKLY AND IN SHALLOW WATER.

- Always keep your child within arm's reach.
- Ensure the tub is placed on a stable, flat surface.
- Check water temperature before placing your child in the tub.
- Do not use the tub if any components are damaged or missing.

3. Setup and Assembly

The Fisher-Price 3-N-1 Grow with Baby Bath Tub comes with the main tub and a removable mesh sling. No complex assembly is required.

3.1. Attaching the Newborn Sling (for Newborn Stage)

1. Position the mesh sling inside the bath tub.
2. Locate the four attachment clips on the sling and the corresponding slots on the tub's rim.
3. Securely attach each clip into its designated slot. Ensure all clips are firmly engaged and the sling is taut.
4. Verify the sling is stable before placing your newborn in it.

3.2. Removing the Newborn Sling (for Infant and Toddler Stages)

1. To remove the sling, gently unclip each of the four attachment points from the tub's rim.
2. Once all clips are released, lift the sling out of the tub.

3. Store the sling in a clean, dry place for future use or cleaning.

4. Operating Instructions

4.1. Newborn Stage (0-3 Months)

- Ensure the mesh sling is securely attached.
- Place the bath tub in a sink or larger tub.
- Fill the tub with warm water, ensuring the water level is appropriate for a newborn and below their ears.
- Gently place your newborn into the sling, ensuring their head is supported by the padded area.
- Always keep one hand on your baby for support and safety.

4.3. Toddler Stage (6+ Months)

- Ensure the newborn sling is removed.
- Place the bath tub in a larger tub or on a stable, flat surface.
- Fill the tub with warm water up to your toddler's waist when they are seated.
- Allow your toddler to sit and play in the spacious tub area.
- Always supervise your toddler during bath time.

5. Maintenance and Cleaning

Regular cleaning and maintenance will ensure the longevity and hygiene of your bath tub.

- **Draining:** After each use, pull the easy-release plug at the bottom of the tub to drain the water.
- **Cleaning the Tub:** Wipe the bath tub with a damp cloth and mild soap. Rinse thoroughly and allow to air dry completely to prevent mildew.
- **Cleaning the Sling:** The mesh sling can be removed and hand-washed with mild soap and water. Allow it to air dry completely before reattaching or storing.
- **Storage:** Store the bath tub and sling in a clean, dry place when not in use.
