

Rhevoy PR006

Rhevoy PR006 Oversized Power Recliner Chair Instruction Manual

Model: PR006

Brand: Rhevoy

1. SAFETY INFORMATION

Important Safety Guidelines:

- Do not exceed the maximum weight capacity of 350 lbs.
- Ensure the chair is properly assembled and all connections are secure before use to maintain stability.
- Always follow the manufacturer's instructions for safe operation of the adjustable headrest and reclining mechanism.
- Keep children and pets away from the moving parts of the recliner during operation.
- Avoid placing fingers or hands near the reclining mechanism to prevent injury.

2. PRODUCT OVERVIEW

The Rhevoy PR006 Oversized Power Recliner Chair is designed for comfort and versatility, featuring an extra-wide seat, adjustable headrest, and multiple functionalities. It is suitable for various settings including living rooms, bedrooms, and nurseries.

Key Features:

- **Adjustable Headrest:** The headrest can be adjusted not only forwards and backwards but also up and down in height, providing customized neck and shoulder support.
- **26" Extra Wide Seat:** Offers spacious comfort, ideal for individuals of all sizes, including parents with babies.
- **Oversized Swivel Rocker Recliner:** Provides a reclining angle of 90°-135°, 270° swivel, and 30° rocking function for maximum relaxation.
- **Overstuffed Armrests:** Ergonomically designed with plush upholstery for exceptional comfort. Armrest cushions are removable for easy cleaning.
- **Multi-Functional Design:** Equipped with USB and Type-C charging ports, and two side pockets for convenient storage.
- **Durable Construction:** Features a metal base and solid wood construction for long-lasting durability.

Product Dimensions:

Overall Dimensions: 29"D x 34.8"W x 42"H

Seat Size: 26"W x 20.5"D

Weight Capacity: 350 lbs

3. ASSEMBLY INSTRUCTIONS

The Rhevoy PR006 Power Recliner Chair is designed for easy assembly, typically taking only a few minutes. Please note that the chair comes in two separate boxes, which may arrive at different times. Ensure you have received both packages before beginning assembly.

Assembly Steps:

1. Unpack all components from both boxes. Verify all parts are present according to the packing list.
2. Carefully align the backrest with the seat base. Slide the backrest onto the metal brackets on the seat base until it clicks securely into place.
3. Connect the power cable from the backrest to the corresponding connector on the seat base.
4. Attach the removable armrest cushions using the Velcro fasteners.
5. Place the lumbar support pillow as desired.
6. Plug the power adapter into a wall outlet.

For a visual guide, please refer to the installation video below:

Video: Product Installation Guide for the Rhevoy Power Recliner Chair. This video demonstrates the step-by-step assembly process, including connecting the backrest, power cables, and attaching cushions.

4. OPERATING INSTRUCTIONS

The Rhevoy PR006 Power Recliner Chair offers intuitive controls for various comfort settings.

Reclining and Footrest Operation:

- Locate the control panel on the side of the chair.
- Press the forward button to extend the footrest and recline the backrest.
- Press the backward button to return the chair to its upright position.

Adjustable Headrest:

- The headrest can be manually adjusted by gently pushing or pulling it to your desired height and angle.
- This feature provides optimal support for your neck and head, whether you are sitting upright or fully reclined.

5. CARE AND MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Rhevoy Power Recliner Chair.

- **Cleaning Fabric:** For general cleaning, gently vacuum the chenille fabric to remove dust and loose debris. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Removable Armrest Cushions:** The armrest cushions are removable for easy cleaning. Follow the care instructions on the label for washing or spot cleaning.
- **Mechanism Maintenance:** Periodically check all bolts and screws to ensure they are tight. Lubricate moving parts of the reclining mechanism annually with a silicone-based lubricant if

needed, to ensure smooth operation.

6. TROUBLESHOOTING

If you encounter any issues with your Rhevoy Power Recliner Chair, please refer to the following common troubleshooting tips:

- **Reclining Mechanism Not Working:** Ensure the power cord is securely plugged into both the chair and a functional wall outlet. Check for any obstructions around the mechanism.
- **Headrest Difficult to Adjust:** Ensure no fabric or foreign objects are caught in the headrest mechanism. Apply gentle, even pressure when adjusting.
- **Unusual Noises During Operation:** Check for loose bolts or screws. If noises persist, contact customer support.
- **USB Ports Not Charging:** Verify the chair is powered on and plugged into an active outlet. Try a different USB cable or device to rule out device-specific issues.

If these steps do not resolve the issue, please contact Rhevoy customer service for further assistance.
