1. SETUP AND ASSEMBLY

This WLIVE 6-drawer fabric dresser is designed for straightforward assembly. Please ensure all parts are present before beginning. A detailed assembly guide, clearly marked screw parts, reserved holes, and necessary tools are included in the packaging to facilitate quick setup, typically within one hour.

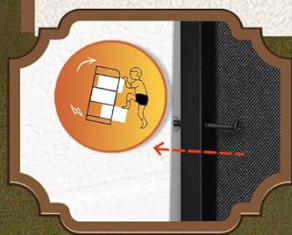

EASYTO CLEA

Figure 1: Illustration of the dresser's sturdy steel frame, highlighting the anti-tilt device and adjustable feet for stability.

The dresser features a robust 15mm thickened metal steel frame with cross support rods for enhanced durability and stability. The fabric drawers are constructed with a 3-tier design, combining high-quality fiberboard, breathable non-woven fabric, and a polyester exterior for strength and longevity.

Figure 2: Detailed view of the drawer's 3-tier material construction, emphasizing its durable and breathable composition.

Follow the step-by-step instructions provided in the included manual to correctly assemble the frame and insert the drawers. Ensure all screws are tightened securely and the anti-tilt device is installed for safety.

2. OPERATING INSTRUCTIONS

The WLIVE 6-drawer fabric dresser is designed for versatile storage and can function as a TV stand. Its dimensions are 42.32"W x 15.55"D x 29.92"H, making it suitable for placing a TV up to 50 inches on its wooden top.

Figure 3: The dresser supporting a television, demonstrating its use as a media console.

The dresser is equipped with six detachable fabric drawers, providing ample storage for various items. The spacious wooden top offers additional display space for decorative items, books, or other personal belongings.

6 LARGE DRAWERS

Meet your storage needs

Figure 4: Drawers opened to illustrate the internal storage capacity for clothing and other household items.

Each drawer features a smooth slide track and curved handles, ensuring easy and smooth opening and closing. The robust construction allows the dresser to bear up to 100 lbs on its top surface without compromising stability.

Figure 5: Visual representation of the storage capacity of the six large drawers for various items.

3. MAINTENANCE

To ensure the longevity and appearance of your WLIVE dresser, follow these maintenance guidelines:

- **Cleaning the Wooden Top:** The P2 grade artificial wood top is scratch-resistant and easy to clean. Use a soft, damp cloth to wipe away dust and spills. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Cleaning Fabric Drawers:** The fabric drawers can be spot cleaned with a mild detergent and a damp cloth. Allow them to air dry completely before reinserting them into the frame. Do not machine wash or tumble dry the fabric drawers.
- **Frame Care:** The metal frame can be wiped clean with a damp cloth. Ensure it is dried thoroughly to prevent rust.

- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.

Figure 6: Demonstrating the ease of cleaning the dresser's surfaces.

4. TROUBLESHOOTING

If you encounter any issues with your WLIVE dresser, refer to the following common troubleshooting tips:

- **Dresser Feels Unstable:** Ensure all assembly screws are securely tightened. Verify that the 5 all-directional adjustable feet are properly adjusted to compensate for uneven flooring. Install the additional anti-tilt device by fixing the cabinet to the wall as instructed in the assembly manual.
- **Drawers Do Not Slide Smoothly:** Check for any obstructions in the drawer slots or on the fabric drawers themselves. Ensure the drawers are inserted correctly and are not overloaded. The smooth slide track should

allow for easy operation.

- **Fabric Drawers Appear Warped:** While the drawers are designed for durability, excessive weight can cause warping. Ensure items stored are within reasonable weight limits. The hard base provided for each drawer helps maintain its shape.
- **Missing Parts or Damaged Components:** If you find any missing parts or damaged components upon unboxing, please contact WLIVE customer service immediately for assistance.

5. SPECIFICATIONS

Feature	Detail
Brand	WLIVE
Model Name	ASNG058DK2
Product Dimensions	15.55"D x 42.32"W x 29.92"H
