SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Do not stand on the chair.
- Avoid exposing the chair to direct sunlight or extreme temperatures to prevent material degradation.
- Keep small parts away from children during assembly.
- Maximum weight capacity: 300 lbs.

PACKAGE CONTENTS

Please verify that all parts are present before beginning assembly:

- Backrest
- Seat Cushion with Footrest Mechanism
- Armrests (2)
- Star Base
- Casters (5)
- Gas Lift Cylinder
- Gas Lift Cover
- Mechanism Plate
- Headrest Pillow

- Lumbar Support Pillow
- Assembly Hardware (screws, washers, Allen key)
- Instruction Manual

SETUP AND ASSEMBLY

The GTRACING Gaming Chair comes unassembled and requires simple home assembly. A detailed instruction guide with pictures is included in the package for easy setup.

1. Attach the casters to the star base.
2. Insert the gas lift cylinder into the center of the star base, then place the gas lift cover over it.
3. Secure the mechanism plate to the underside of the seat cushion using the provided screws.
4. Attach the armrests to the seat cushion.
5. Connect the backrest to the seat cushion and armrests, securing with screws.
6. Place the assembled seat onto the gas lift cylinder.
7. Attach the headrest and lumbar support pillows using their straps.

Assembly is straightforward and typically takes about an hour.

FEATURES

The GTRACING Gaming Chair is equipped with multiple features for enhanced comfort and versatility:

- **High-Quality Construction:** Made with thick padded seat cushion, built-in wider and thicker metal frame, heavy-duty stable base, smooth nylon casters, and premium PU leather.
- **Ergonomic Design:** Provides support for the neck, back, and lumbar regions, promoting a comfortable sitting posture.

PRODUCT DIMENSIONS

Image: Diagram illustrating the ergonomic support points of the GTRACING chair, highlighting neck, back, and lumbar support.

- **Adjustable Recline:** The chair offers a large reclining angle, allowing users to relax or recline for various activities.
- **Seat Height Adjustment:** Customize the seat height to find the perfect ergonomic position.
- **360-Degree Swivel:** Enables easy maneuverability and access to different areas of your workspace or gaming setup.
- **3D Armrests:** Moveable in multiple directions (up/down, inward/outward rotation, angle adjustments) to suit individual comfort needs for arms and wrists.

Image: Close-up view of the 3D adjustable armrest, demonstrating its multi-directional movement capabilities.

- **Retractable Footrest:** Provides additional comfort for reclining or relaxing. Easily extends and retracts for convenience.

Image: A person comfortably reclining in the GTRACING Gaming Chair with the footrest fully extended, demonstrating its use for relaxation.

- **Comfortable Sitting Experience:** Utilizes high-quality memory foam for the seat cushion, providing good resilience and resistance to deformation.

ERGONOMIC DESIGN

OPERATING INSTRUCTIONS

- Adjusting Seat Height:** Locate the lever on the right side under the seat. Pull the lever up while applying or releasing weight to adjust the height.
- Reclining the Backrest:** Pull the recline lever on the left side of the chair to adjust the backrest angle. Release the lever to lock the backrest in place.
- Extending/Retracting Footrest:** Pull the footrest out from under the seat when needed. Push it back in for compact storage.
- Adjusting Armrests:** Use the buttons or levers on the armrests to adjust their height, rotation, and angle as desired.
- Swivel Function:** The chair's 360-degree swivel allows for easy rotation without moving the base.

COMFORTABLE SITTING EXPERIENCE

Using high-quality memory foam, sitting on it is as soft and comfortable as sitting on the cloud

Good resilience Not easily deformed

MAINTENANCE

To ensure the longevity and appearance of your GTRACING Gaming Chair, follow these maintenance guidelines:

- **Cleaning:** Wipe the PU leather surfaces with a soft, damp cloth. For stubborn stains, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Casters:** Periodically check and clean the casters to remove any hair or debris that may hinder smooth movement.
- **Hardware:** Every few months, check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.
- **Pillows:** The headrest and lumbar support pillows can be removed for cleaning or adjustment.

TROUBLESHOOTING

If you encounter any issues with your GTRACING Gaming Chair, refer to the following common problems and solutions:

- **Chair does not adjust height:** Ensure the gas lift lever is fully engaged. Check if the gas lift cylinder is properly seated in the base and mechanism.
- **Chair wobbles:** Verify that all assembly screws are securely tightened, especially those connecting the seat to the backrest and the mechanism to the base.
- **Casters not rolling smoothly:** Clean any debris from the caster wheels. Ensure they are properly inserted into the star base.
- **Footrest not extending/retracting:** Check for any obstructions in the footrest mechanism. Ensure it is aligned correctly.

If problems persist, please contact GTRACING customer support.
