

LARMACE Queen Size Bed Frame with 6 Storage Drawers and Headboard

LARMACE Queen Size Bed Frame with Storage and LED Headboard Instruction Manual

Model: Queen Size Bed Frame with 6 Storage Drawers and Headboard

Brand: LARMACE

1. INTRODUCTION

Thank you for choosing the LARMACE Queen Size Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

- Exercise caution around sharp edges during assembly and use.
- Do not exceed the maximum weight limit of 1000 lbs for the bed frame.
- Use the charging station with caution to prevent electrical hazards. Ensure all cables are properly connected and not damaged.
- Follow all assembly instructions carefully to avoid injury from metal parts and ensure structural integrity.
- Keep small parts away from children during assembly to prevent choking hazards.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Headboard with integrated shelving, LED lighting, and charging station.
- Metal bed frame components (side rails, support legs, slats).
- Six (6) large capacity sliding storage drawers with wheels.
- Assembly hardware (screws, bolts, nuts, washers).
- Tools for assembly (typically an Allen wrench).

- Instruction manual.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this bed frame. All parts and tools are marked with letters or numbers for your convenience. It is recommended to assemble the bed frame with two people.

4.1 Assembly Overview Video

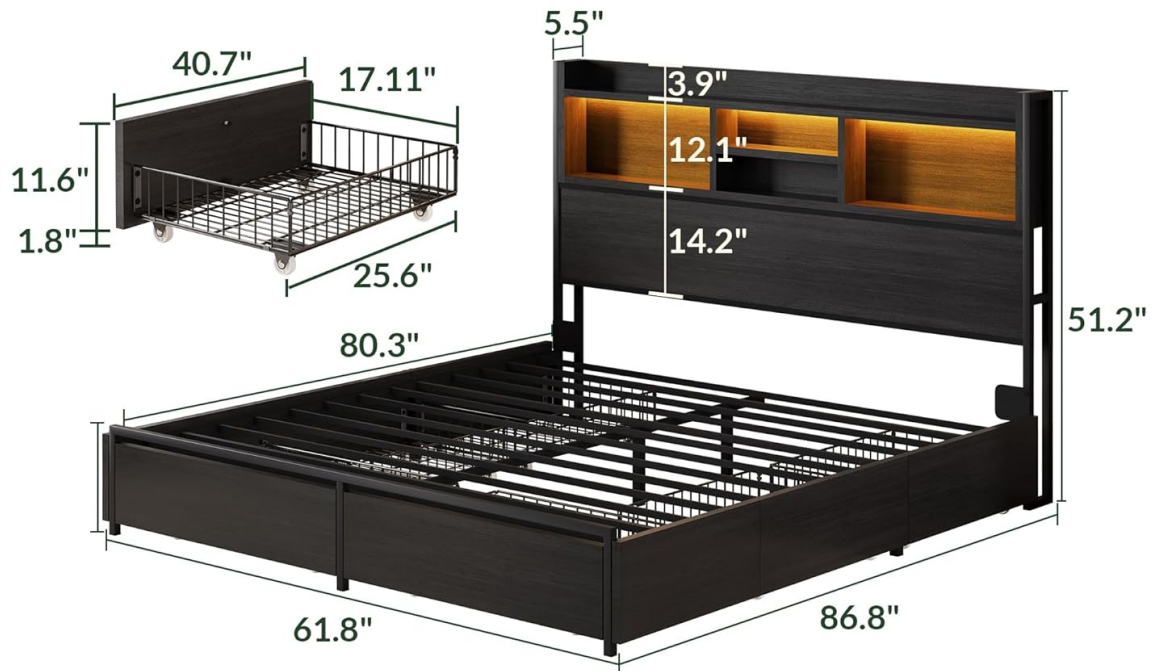

Your browser does not support the video tag.

This video provides a visual guide to the assembly process for the LARMACE Bed Frame. It demonstrates the step-by-step construction of the headboard, frame, and drawers.

4.2 Step-by-Step Assembly

1. **Assemble the Headboard Shelving:** Begin by connecting the vertical and horizontal wooden panels of the headboard to form the shelving structure. Secure them using the provided screws.
2. **Install the Charging Station:** Carefully place the charging station into its designated slot on the headboard and secure it with screws.
3. **Attach the LED Strip:** Affix the LED strip to the underside of the headboard's top shelf, ensuring the wiring is routed correctly.
4. **Construct the Main Bed Frame:** Assemble the metal side rails and support legs. Ensure all connections are tight and stable.
5. **Attach Headboard to Frame:** Connect the assembled headboard to the main bed frame using the appropriate bolts and brackets.
6. **Install Bed Slats:** Lay the metal bed slats across the frame and secure them according to the instructions to provide mattress support.
7. **Assemble Storage Drawers:** For each drawer, attach the wooden front panel to the metal basket. Mount the wheels to the bottom of the drawer basket. Ensure wheels are mounted in the second or third compartment for stabilization.
8. **Insert Drawers:** Slide the assembled storage drawers under the bed frame. Use the provided screw clips to secure the drawers to the bottom of the bed frame, preventing them from sliding out unintentionally.

5. OPERATING INSTRUCTIONS

5.1 LED Lighting Control

The integrated RGB LED lights in the headboard can be controlled via a dedicated app or remote control. You can adjust brightness, select from over 60,000 colors, choose various lighting modes, and set timers to personalize your bedroom ambiance.

5.3 Storage Drawers

The bed frame includes six large capacity sliding drawers on wheels. These drawers provide ample space for storing sheets, accessories, and off-season clothing. The drawers can be secured to the bottom of the bed frame using screw clips to prevent unwanted movement.

6. MAINTENANCE

To maintain the appearance and longevity of your LARMACE bed frame, wipe surfaces with a damp cloth as needed. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.

7. TROUBLESHOOTING

- **Squeaking Noises:** If the bed frame develops squeaking noises, check all bolts and screws to ensure they are tightened securely. Over time, connections may loosen and require re-tightening.
- **Drawers Not Sliding Smoothly:** Inspect the drawer wheels for any obstructions or debris. Ensure the tracks are clean and the wheels are properly aligned.
- **LED Lights Not Working:** Check the power connection to the LED strip and ensure the charging station is properly plugged into a wall outlet. Verify that the remote control or app settings are correct.
- **Charging Station Not Functioning:** Confirm the charging station is securely connected to power. Test with different devices and cables to rule out device-specific issues.

8. SPECIFICATIONS

Feature	Detail
Size	Queen
Material	Metal, Wood
Product Dimensions (L x W x H)	86.8" x 61.8" x 51.2"
