2. SETUP AND PLACEMENT

The Uphome Boho Floral Bathroom Mat is designed for indoor use in various areas of your home, including bathrooms, living rooms, entryways, and kitchens. Its low-pile design allows it to fit easily under most doors.

2.1 Unpacking

Carefully remove the mat from its packaging. Unroll and lay the mat flat in your desired location. Allow some time for any creases from packaging to relax and flatten.

2.2 Non-Slip Backing

The mat features a non-slip rubber backing to help keep it securely in place. Ensure the floor surface is clean and dry before placing the mat to maximize its non-slip properties. This is particularly important in areas prone to moisture, such as bathrooms.

2.3 Low-Pile Design

The mat's low-pile construction (approximately 0.2 inches high) is ideal for placement in areas where door clearance is a concern, such as bathroom entrances or under vanity cabinets.

3. OPERATING AND USAGE

This mat is designed to provide a soft, comfortable, and absorbent surface in various indoor settings. Its velvet material offers a pleasant feel underfoot.

3.1 Intended Use

- **Bathroom:** Place in front of bathtubs, showers, sinks, or toilets for comfort and water absorption.
- **Other Areas:** Suitable for bedrooms, living rooms, entryways, or kitchens where a decorative and soft mat is desired.

4. MAINTENANCE AND CARE

Proper care ensures the longevity and appearance of your Uphome Boho Floral Bathroom Mat.

4.1 Machine Washing

This bath mat is machine washable. Follow these steps for cleaning:

1. Wash in cold water using a delicate cycle.
2. Use a mild detergent.
3. Do not bleach.
4. Do not iron.
5. Dry at a low speed or hang to dry.

The mat is designed to be non-shedding and maintain its color even after multiple washes.

4.2 Regular Cleaning

For daily maintenance, you can simply pick up the mat and shake it to remove loose debris and refresh its pile.

5. TROUBLESHOOTING

Below are common issues and their solutions for your bath mat.

5.1 Mat Slipping

- **Cause:** Floor surface is wet or dirty, reducing the effectiveness of the non-slip backing.
- **Solution:** Ensure the floor beneath the mat is completely dry and clean before placement.

5.2 Creases from Packaging

- **Cause:** Mat was folded during shipping.

- **Solution:** Lay the mat flat for 24-48 hours. Gentle pressure or walking on it can help flatten it faster.

5.3 Fading Colors

- **Cause:** Exposure to harsh chemicals or excessive direct sunlight.
- **Solution:** Avoid using strong cleaning agents. While the mat is designed for color retention, prolonged exposure to direct sunlight may cause gradual fading over time.
