## Atto Digital Atto Note

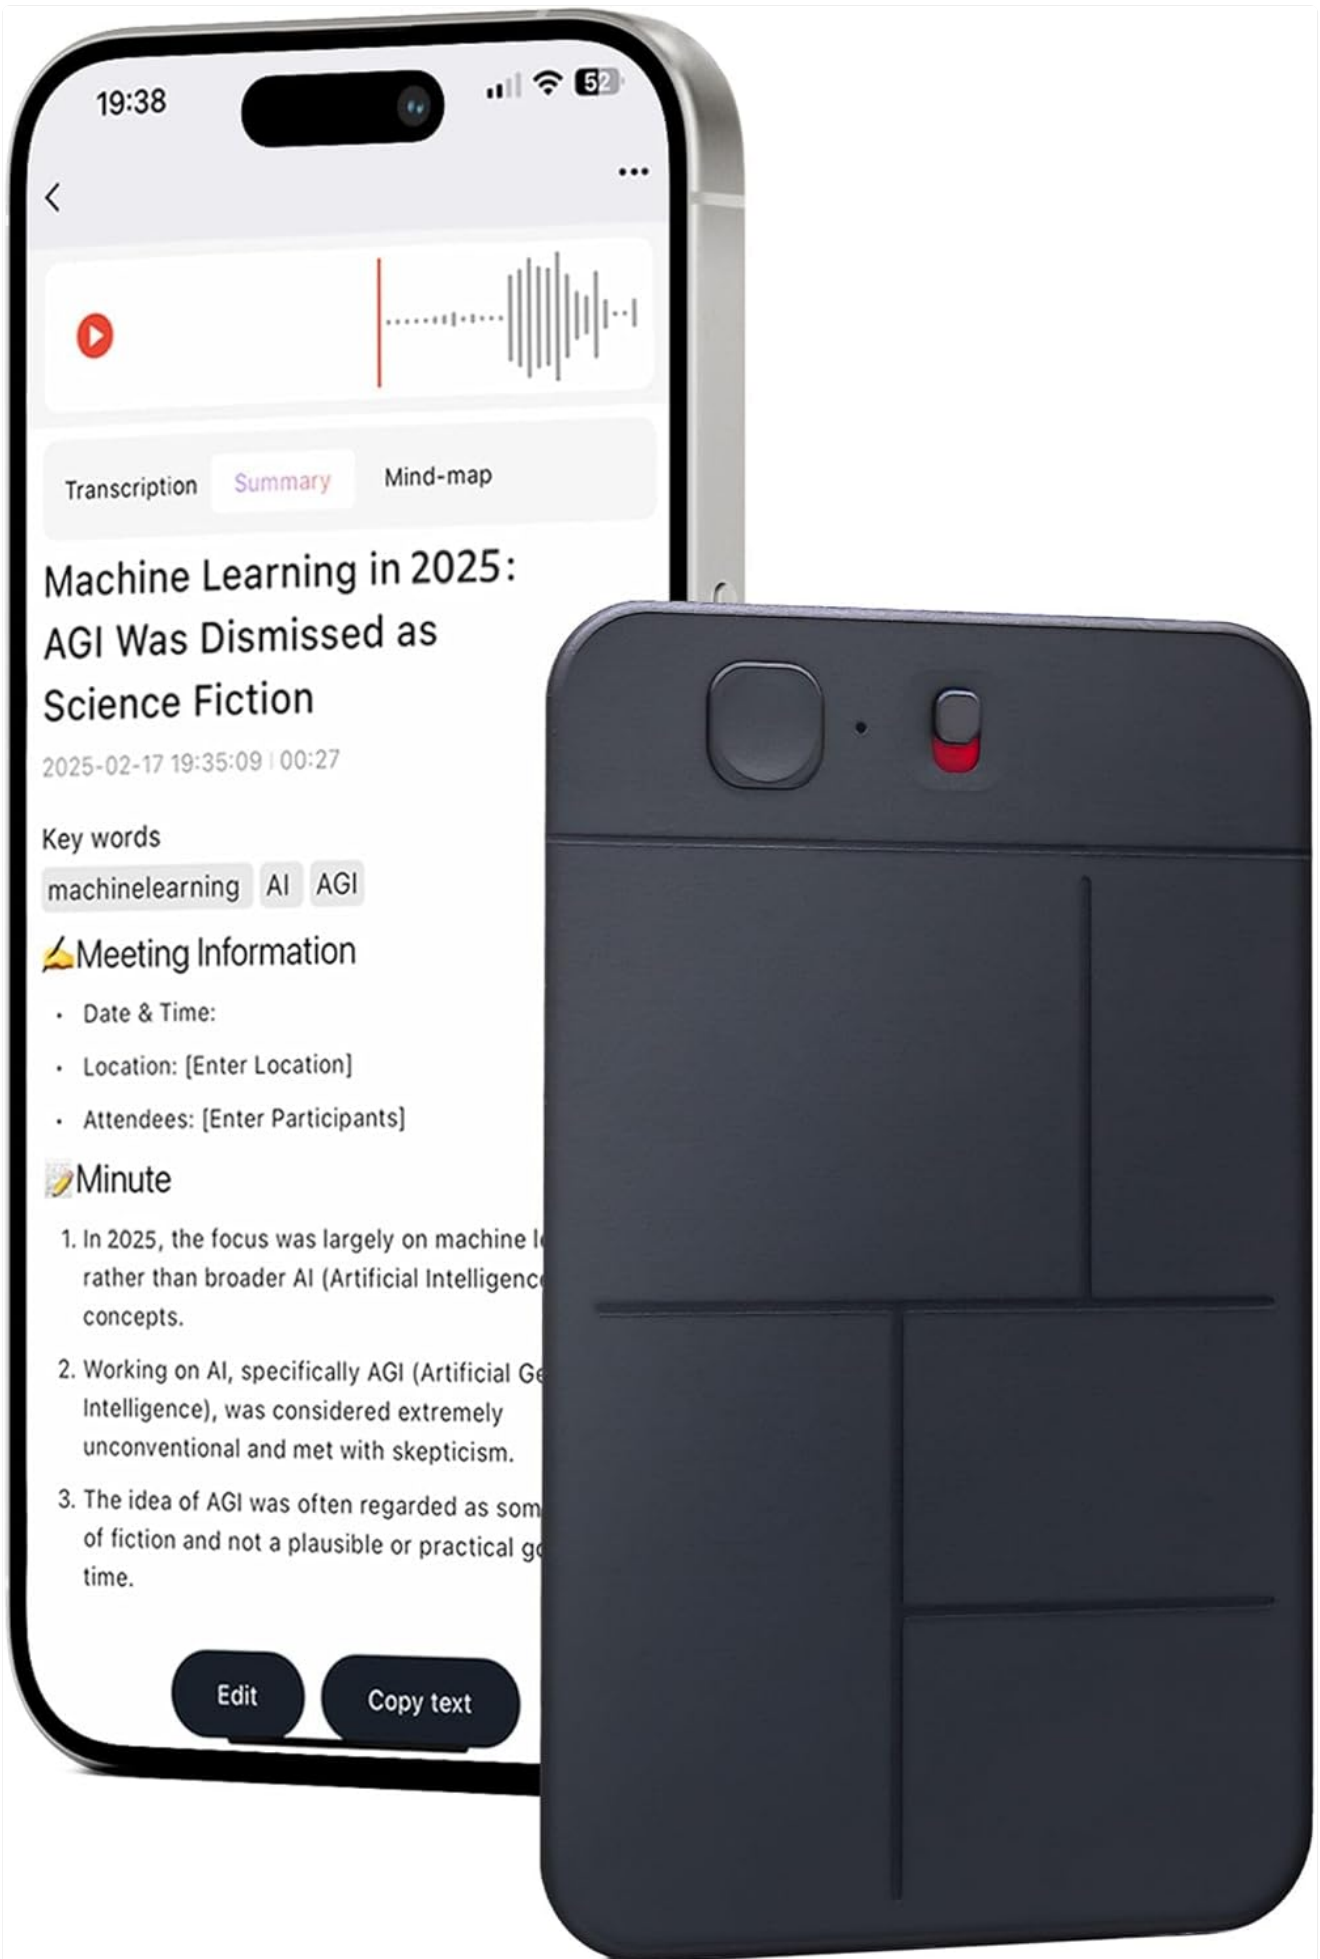

# Atto Digital AI Voice Recorder User Manual - Model Atto Note

Your guide to intelligent recording, transcription, and summarization.

## 1. INTRODUCTION

---

Welcome to the Atto Digital Atto Note AI Voice Recorder user manual. This device is designed to capture high-quality audio, offering advanced AI features such as automatic transcription, smart summarization, and real-time translation. Its ultra-slim design and long battery life make it an ideal tool for professionals, students, and anyone needing reliable audio recording and intelligent processing.

The Atto Note AI Voice Recorder shown alongside its companion mobile application interface.

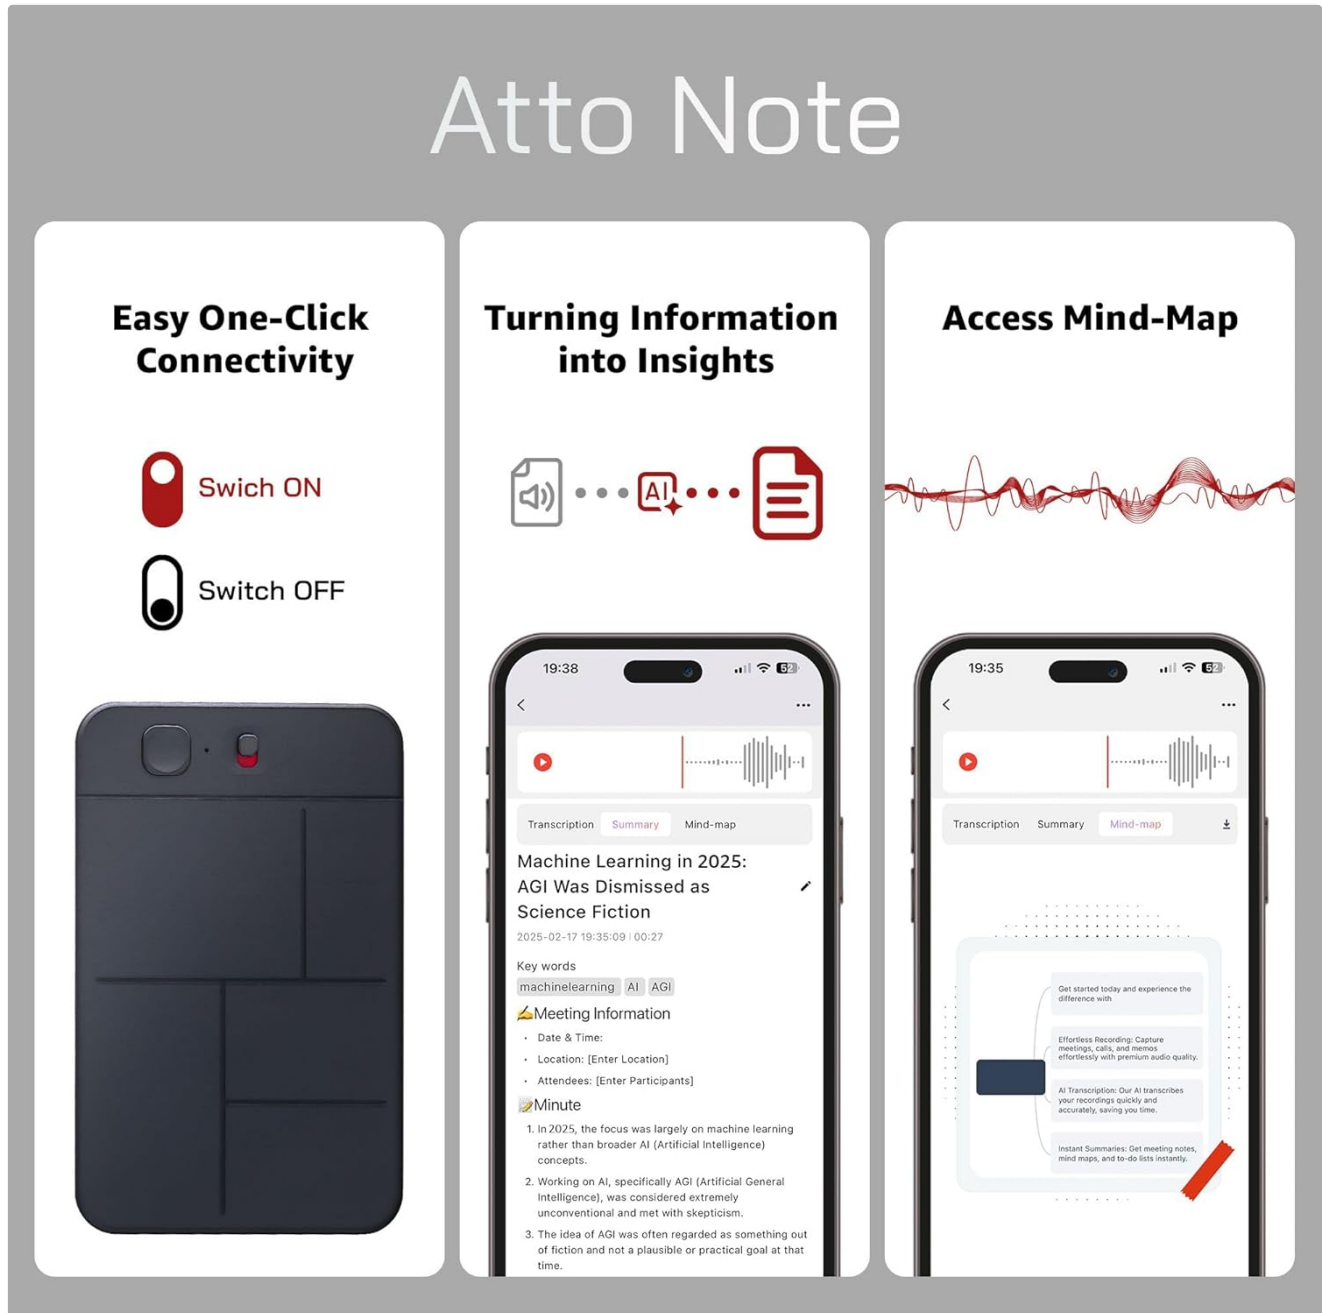

## 2. PACKAGE CONTENTS

Please verify that all items are present in your package:

- Atto Digital AI Voice Recorder (Atto Note)
- Magnetic Ring
- Magnetic Charging Cable

## 3. DEVICE OVERVIEW

The Atto Note features a minimalist design with essential controls for ease of use.

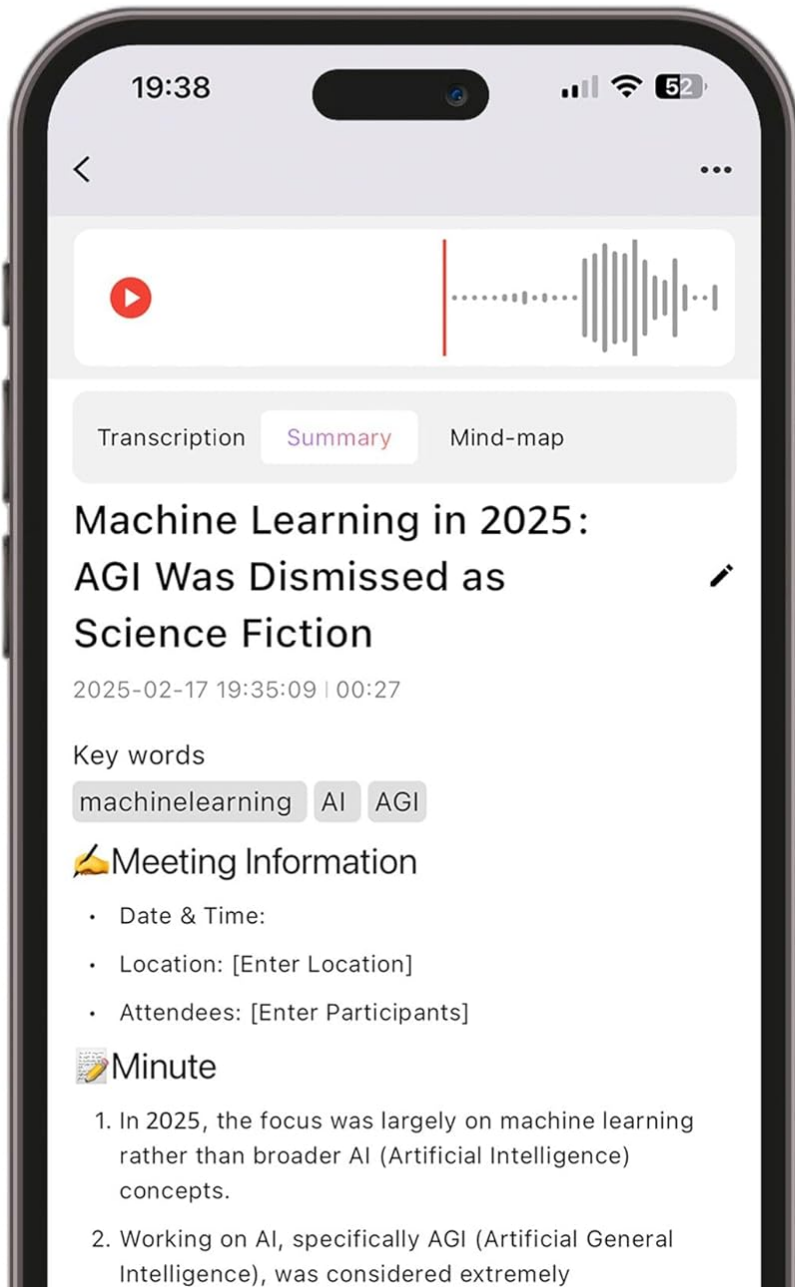

The Atto Note device highlighting its simple ON/OFF switch and indicator light.

- **Power/Record Switch:** Located on the side/top, this switch controls power and initiates/stops recording.
- **Indicator Light:** A small LED light provides status feedback (e.g., recording, charging, low battery).
- **Microphone:** Integrated for clear audio capture.

- **Charging Port:** For connecting the magnetic charging cable.

## 4. SETUP

### 4.1 Initial Charging

Before first use, fully charge your Atto Note recorder. Connect the magnetic charging cable to the device and a USB power source. The indicator light will show charging status and turn off or change color when fully charged.

### 4.2 Powering On/Off

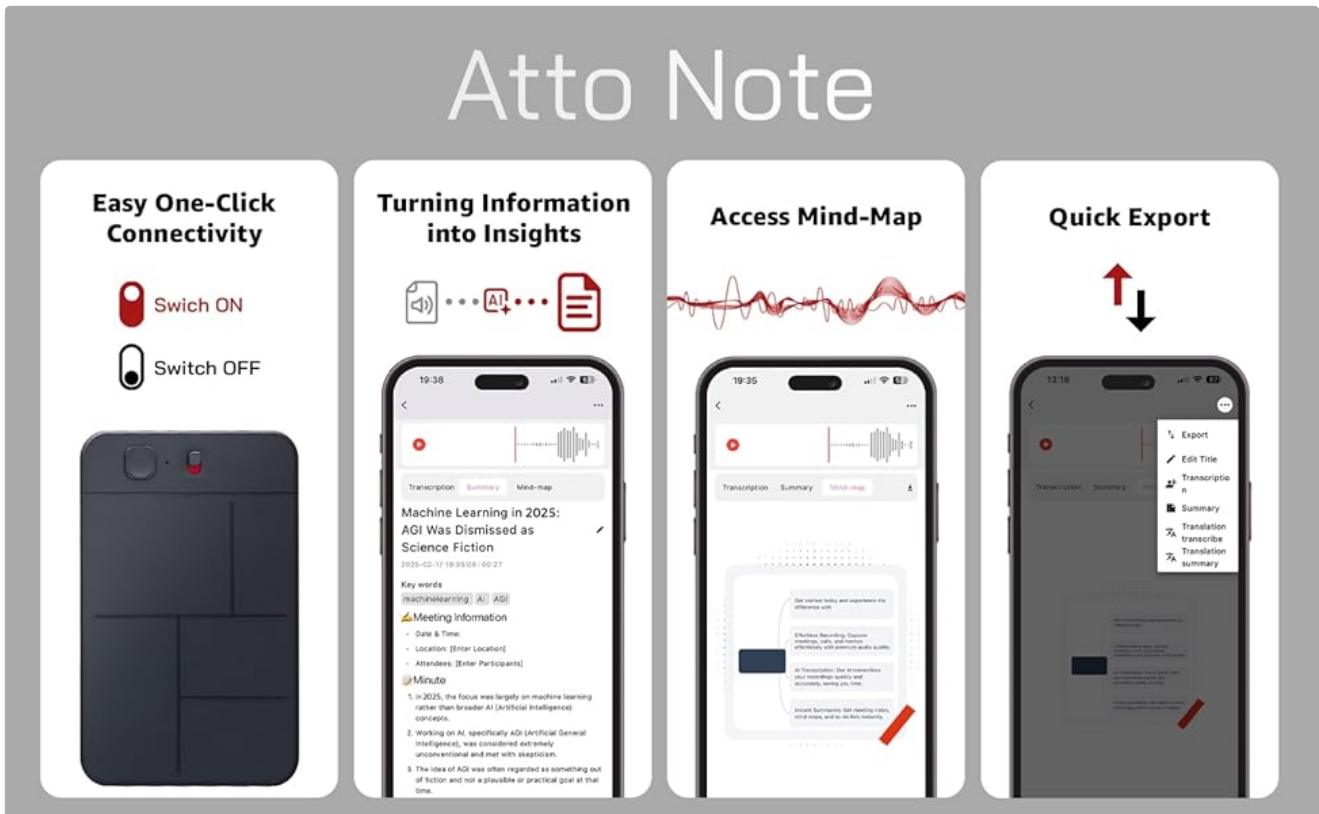

- **To Power On:** Slide the power switch to the 'ON' position. The indicator light will briefly illuminate.

- **To Power Off:** Slide the power switch to the 'OFF' position. The indicator light will turn off.

## 4.3 App Installation and Pairing

To unlock the full AI capabilities, download and install the AIREC app on your smartphone.

1. Search for "AIREC" in your smartphone's app store (iOS or Android).
2. Install the application.
3. Open the AIREC app and follow the on-screen instructions to register an account.
4. Ensure your Atto Note recorder is powered on and Bluetooth is enabled on your smartphone.
5. Within the AIREC app, select the option to add a new device and follow the pairing instructions.

The Atto Note recorder seamlessly integrates with the AIREC mobile application for enhanced functionality.

## 5. OPERATING INSTRUCTIONS

### 5.1 Basic Recording

The Atto Note is designed for simple, one-click recording.

1. Ensure the device is sufficiently charged.
2. Slide the Power/Record switch to the 'ON' position. The device will automatically begin recording. The indicator light may turn off during recording to be discreet.
3. To stop recording, slide the Power/Record switch to the 'OFF' position. The recording will be saved automatically, and the device will power down.

### 5.2 Advanced Recording Modes

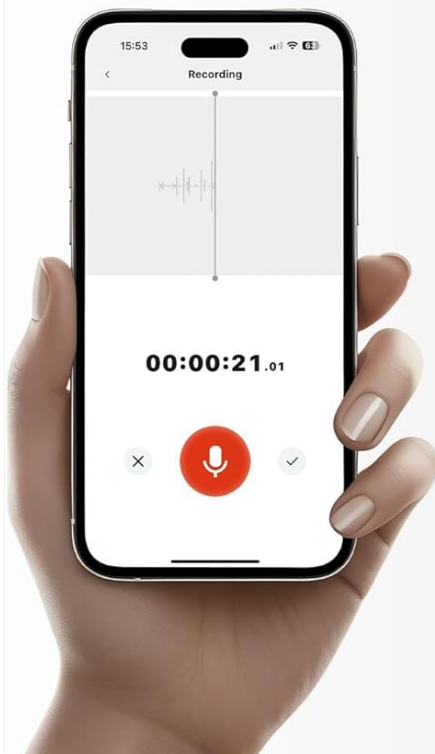

The Atto Note supports various recording scenarios, including phone calls and general notes.

# Simultaneous Interpretation

Bridging Language Barriers in Real Time

via **AIREC** App

## AI Features

Transcription & Summarization

The Atto Note supports both phone call recording (left) and general note recording (right) with its magnetic attachment.

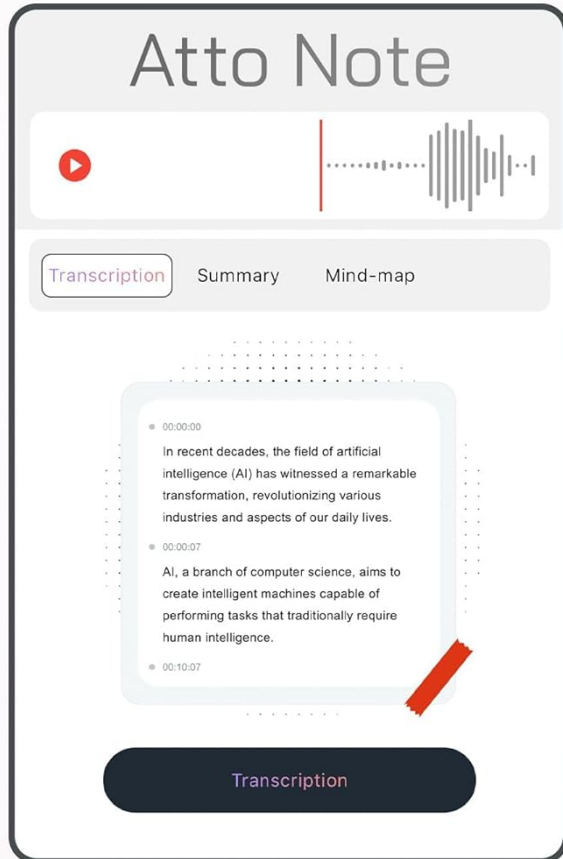

- **Phone Call Recording:** Attach the Atto Note to the back of your smartphone using the Magsafe ring (if applicable) or directly to a compatible phone. Ensure the recorder's microphone is positioned to capture both sides of the conversation.
- **Note Recording:** Place the Atto Note in a central location for meetings or lectures, or hold it discreetly for personal notes.

### 5.3 Using the AIREC App

The AIREC app enhances your recording experience with powerful AI features.

# Precision in Every Word

## Never Miss What Matters

The AIREC app interface provides options for transcription, summarization, and mind-mapping of your recordings.

- **Transcription:** Upload your recordings to the app for AI-powered speech-to-text transcription. The app supports automatic punctuation, timestamps, and speaker identification.
- **Smart Summarization:** The AI can generate concise summaries of long recordings, highlighting key points and actionable items.
- **Real-Time Translation:** For multi-language environments, the app offers real-time translation of transcribed content.
- **Mind-Map Generation:** Visualize the structure and key concepts of your recordings through automatically generated mind-maps.
- **Keyword Search:** Use the AI-powered keyword search to quickly locate specific information within your recordings without listening to the entire audio.
- **Export Options:** Export transcripts, summaries, and audio files in various formats for sharing or archiving.

# Advanced Dual-Mode Recording

Precision at Your Fingertips

Magnet ring included with every purchase!

The AIREC app facilitates simultaneous interpretation, bridging language barriers in real-time.

The AIREC app's smart summarization feature condenses lengthy recordings into key insights.

## 5.4 File Management

- **Transfer to PC:** Connect the Atto Note to your computer using the magnetic charging cable. The device will appear as a removable drive, allowing you to drag and drop audio files (WAV format).
- **Cloud Sync & Sharing:** Utilize the AIREC app's cloud sync features to access your recordings across multiple devices and share them securely.

## 6. MAINTENANCE

---

- **Cleaning:** Use a soft, dry cloth to clean the device. Avoid liquid cleaners or abrasive materials.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the device frequently. Charge it regularly, even if not in constant use.
- **Software Updates:** Regularly check the AIREC app for software updates to ensure optimal performance and access to new features.

## 7. TROUBLESHOOTING

---

Issue	Possible Cause	Solution
Device not turning on	Low battery; Power switch in OFF position	Charge the device fully; Ensure power switch is in ON position.
Poor audio quality	Microphone obstructed; Excessive background noise; Device too far from source	Ensure microphone is clear; Use AI noise cancellation feature in app; Place device closer to audio source.

Issue	Possible Cause	Solution
App not connecting to device	Bluetooth off; Device not powered on; App not updated	Enable Bluetooth on phone; Power on Atto Note; Update AIREC app to latest version.
Transcription errors	Unclear audio; Multiple speakers; Accents not recognized	Improve recording conditions; Manually edit transcription in app; Ensure language settings are correct.
Device not recognized by PC	Faulty cable; Driver issue; Incorrect USB port	Try a different USB cable/port; Restart PC; Ensure device is powered on when connected.

## 8. TECHNICAL SPECIFICATIONS

---

Feature	Specification
Model Number	Atto Note
Memory Storage Capacity	64 GB (up to 500 hours of recording)
Battery Life	Up to 30 Hours
Audio Format	WAV
Microphone Form Factor	Built-In
Product Dimensions	0.12"D x 2.1"W x 3.3"H
Item Weight	0.317 ounces
Compatible Devices	Smartphone (via AIREC app)
AI Features	Transcription, Summarization, Translation, Noise Cancellation

## 9. WARRANTY AND SUPPORT INFORMATION

---

Atto Digital products are manufactured to high-quality standards. For specific warranty details, please refer to the warranty card included with your product or visit the official Atto Digital website. If you encounter any issues or require technical assistance, please contact Atto Digital customer support through the contact information provided on our website or within the AIREC application.

Please retain your proof of purchase for warranty claims.
