2. SAFETY INFORMATION

Your safety is paramount. Please adhere to the following safety guidelines:

- **Anti-Tipping Device:** Always install the included anti-tipping safety device to prevent accidental tipping, especially in households with children. Securely fasten the dresser to a wall stud.
- **Weight Capacity:** The top surface has a weight capacity of 100 lbs. Each drawer has a weight capacity of 35 lbs. Do not exceed these limits.
- **Assembly:** Assembly should ideally be performed by two adults. Ensure all parts are correctly aligned and fasteners are tightened securely before use.
- **Placement:** Place the dresser on a flat, stable surface. Avoid placing it near heat sources or in direct sunlight to prevent material damage.

3. SETUP AND ASSEMBLY

The dresser comes with clear, step-by-step instructions. All parts are individually packaged and labeled for easy identification. While assembly is designed to be straightforward, having two people is recommended for efficiency and safety.

3.1. Package Contents

Before starting, verify that all components listed in the included instruction manual are present and undamaged. If any parts are missing or damaged, please contact customer support.

3.2. Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Follow the detailed graphical instructions provided in the separate assembly manual.
3. Ensure all screws and fasteners are tightened securely but do not overtighten.
4. Install the anti-tipping device as per the instructions to secure the dresser to a wall.

5. MAINTENANCE

To ensure the longevity and appearance of your dresser, follow these maintenance tips:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Durability:** Crafted from high-density engineered wood, the dresser is designed for durability. The painted finish is scratch-resistant.
- **Hardware:** Periodically check and tighten any loose screws or hardware to maintain stability.

6. TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **Missing Parts:** If any parts are missing upon delivery, contact NOVAMAISON customer support immediately for assistance.

- **Drawers Sticking:** Ensure that the drawer slides are correctly installed and aligned. Sometimes, drawers may need to be re-seated on their tracks. Verify that no items inside the drawer are obstructing its movement.
- **Dresser Instability:** Confirm that the anti-tipping device is securely installed and the dresser is placed on a level surface. Adjust leveling feet if applicable.
