1. INTRODUCTION

The NEXUS REVO STEALTH APP VERSION is an advanced prostate massager designed for enhanced user experience. This model combines the popular features of the REVO STEALTH WP with dedicated smartphone app compatibility, offering both traditional remote control and expanded app-based functionalities. It connects via Bluetooth to the 'Nexus Range' app, providing a wider array of vibration patterns and interactive play options. This manual provides detailed instructions for safe and effective use of your device.

2. SAFETY INFORMATION

Please read all safety instructions before using the device. Failure to do so may result in injury or damage to the product.

- **Consult a Physician:** If you have any medical conditions, are pregnant, or have concerns about using this product, consult a healthcare professional before use.
- **Hygiene:** Clean the device thoroughly before and after each use with warm water and a mild, toy-safe cleaner. Ensure it is completely dry before storage.
- **Lubrication:** Use only water-based lubricants with this device. Oil-based lubricants can damage the silicone material.
- **Charging:** Use only the provided charging cable. Do not use the device while it is charging. Discontinue charging if the device becomes excessively hot.
- **Storage:** Store the device in a cool, dry place, away from direct sunlight and extreme temperatures. Keep out of reach of children.

- **Discontinue Use:** If you experience any discomfort, pain, or irritation during or after use, discontinue use immediately and consult a healthcare professional.
- **Product Integrity:** Do not attempt to disassemble or modify the device. This will void the warranty and may cause damage or injury.

3. PACKAGE CONTENTS

Verify that all items are present in your package:

- NEXUS REVO STEALTH APP VERSION Device (1)
- Rechargeable Remote Control (1)
- USB Charging Cable (1)
- User Manual (This document)

4. SETUP

4.1 Charging the Device

Before first use, fully charge the device and the remote control.

1. Locate the charging port on the device and the remote control.
2. Connect the USB charging cable to the device/remote and a USB power source (e.g., computer, wall adapter).
3. The indicator light will illuminate during charging and turn off or change color when fully charged.
4. Charging typically takes 2-3 hours.

USB rechargeable*.

*Charger included.

4.2 App Installation and Pairing

To unlock the full features of your device, download and connect to the 'Nexus Range' app.

1. **Download the App:** Search for 'Nexus Range' in your smartphone's app store (iOS or Android) and install it.
2. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
3. **Power On Device:** Press and hold the power button on the NEXUS REVO STEALTH APP VERSION device until it vibrates or the indicator light turns on.
4. **Launch App:** Open the 'Nexus Range' app. The app will automatically search for nearby NEXUS devices.
5. **Connect:** Select your device from the list within the app to establish a connection. The indicator light on the device may change to confirm connection.

5. OPERATING INSTRUCTIONS

5.1 Basic Operation (Device & Remote Control)

- **Power On/Off:** Press and hold the power button on the device or remote for 2 seconds.
- **Change Modes:** Short press the mode button (often indicated by a wave icon) to cycle through different vibration patterns.
- **Adjust Intensity:** Use the '+' and '-' buttons on the remote to increase or decrease vibration intensity.

5.2 App Operation ('Nexus Range' App)

The 'Nexus Range' app offers advanced control and customization.

- **Pre-set Patterns:** Explore a variety of pre-programmed vibration patterns within the app.
- **Custom Patterns:** Create and save your own unique vibration patterns by drawing on the screen or adjusting parameters.
- **Remote Play:** Connect with other app users over the internet for long-distance interactive play.
- **Music Sync:** Some app versions may offer features to sync vibrations with music.

6. MAINTENANCE

6.1 Cleaning

Proper cleaning ensures hygiene and extends the life of your device.

1. After each use, wash the device with warm water and a mild, toy-safe soap or specialized cleaner.
2. Rinse thoroughly to remove all soap residue.
3. Pat dry with a lint-free cloth or allow to air dry completely before storing.
4. The device is waterproof, allowing for easy cleaning.

6.2 Storage

Store your device in a clean, dry, and cool place, away from direct sunlight and extreme temperatures. Avoid storing with other toys made of different materials to prevent material degradation.

7. TROUBLESHOOTING

If you encounter issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device does not turn on.	Low battery.	Charge the device fully.
Device does not turn on.	Incorrect power button press.	Press and hold the power button for 2 seconds.
App cannot connect to the device.	Bluetooth is off on phone.	Ensure Bluetooth is enabled on your smartphone.
App cannot connect to the device.	Device is not powered on or out of range.	Turn on the device and ensure it is within Bluetooth range of your phone.
App cannot connect to the device.	App or device firmware issue.	Restart the app and the device. Check for app updates.
Device is not charging.	Faulty cable or power source.	Try a different USB cable or power adapter. Ensure the cable is properly connected.
Device heats up during charging.	Internal wiring issue (as per user review).	Discontinue charging immediately. Contact customer support. It is recommended to test charging and operation thoroughly during the return period.
