› LITFAD Modern Arc Floor Lamp with Adjustable Height and Storage Shelf - Instruction Manual

## LITFAD LT1270913BW

# LITFAD Modern Arc Floor Lamp with Adjustable Height and Storage Shelf

Model: LT1270913BW

## 1. INTRODUCTION

---

This manual provides detailed instructions for the safe assembly, operation, and maintenance of your LITFAD Modern Arc Floor Lamp. This floor lamp features an adjustable height, a bowl-shaped iron shade, and a convenient storage shelf with a wood drawer, designed for use in various indoor settings such as bedrooms and living rooms.

## 2. SAFETY INFORMATION

---

Please read all safety instructions carefully before assembly and operation to prevent injury or damage.

- Ensure the lamp is placed on a stable, level surface to prevent tipping.
- When unpacking, handle wires carefully to avoid damage or loose connections.
- Do not connect the lamp to an electrical outlet until it is fully assembled.
- To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug the lamp, allowing it to cool before replacing the light bulb.
- Do not touch the bulb when the lamp is turned on or look directly at a lit bulb. Keep flammable materials away from the lit bulb.
- This product is designed for indoor use only.

### 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Lamp Base
- Arc Lamp Pole Sections
- Lamp Shade (Bowl-shaped)
- Storage Shelf with Wood Drawer
- Power Cord with In-line Switch
- Assembly Hardware (screws, washers, wrench, etc.)
- Instruction Manual

### 4. SETUP AND ASSEMBLY INSTRUCTIONS

---

Follow these steps to assemble your LITFAD Modern Arc Floor Lamp. It is recommended to assemble the lamp on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Check against the package contents list.
2. **Assemble the Base:** Attach the lamp base to the lowest pole section using the provided hardware. Ensure it is securely tightened for stability.
3. **Connect Pole Sections:** Carefully thread the power cord through the pole sections. Connect the pole sections in sequence, twisting them clockwise until secure.
4. **Attach Storage Shelf:** Secure the storage shelf and wood drawer assembly to the designated pole section. Ensure the drawer slides smoothly.
5. **Install Lamp Shade:** Attach the bowl-shaped lamp shade to the top arc section of the lamp pole.
6. **Install Light Bulb:** Insert a compatible E26/E27 bulb (not included) into the lamp socket. Do not overtighten.
7. **Position the Lamp:** Place the fully assembled lamp in its desired location, ensuring it is stable and the power cord can reach an outlet without tension.

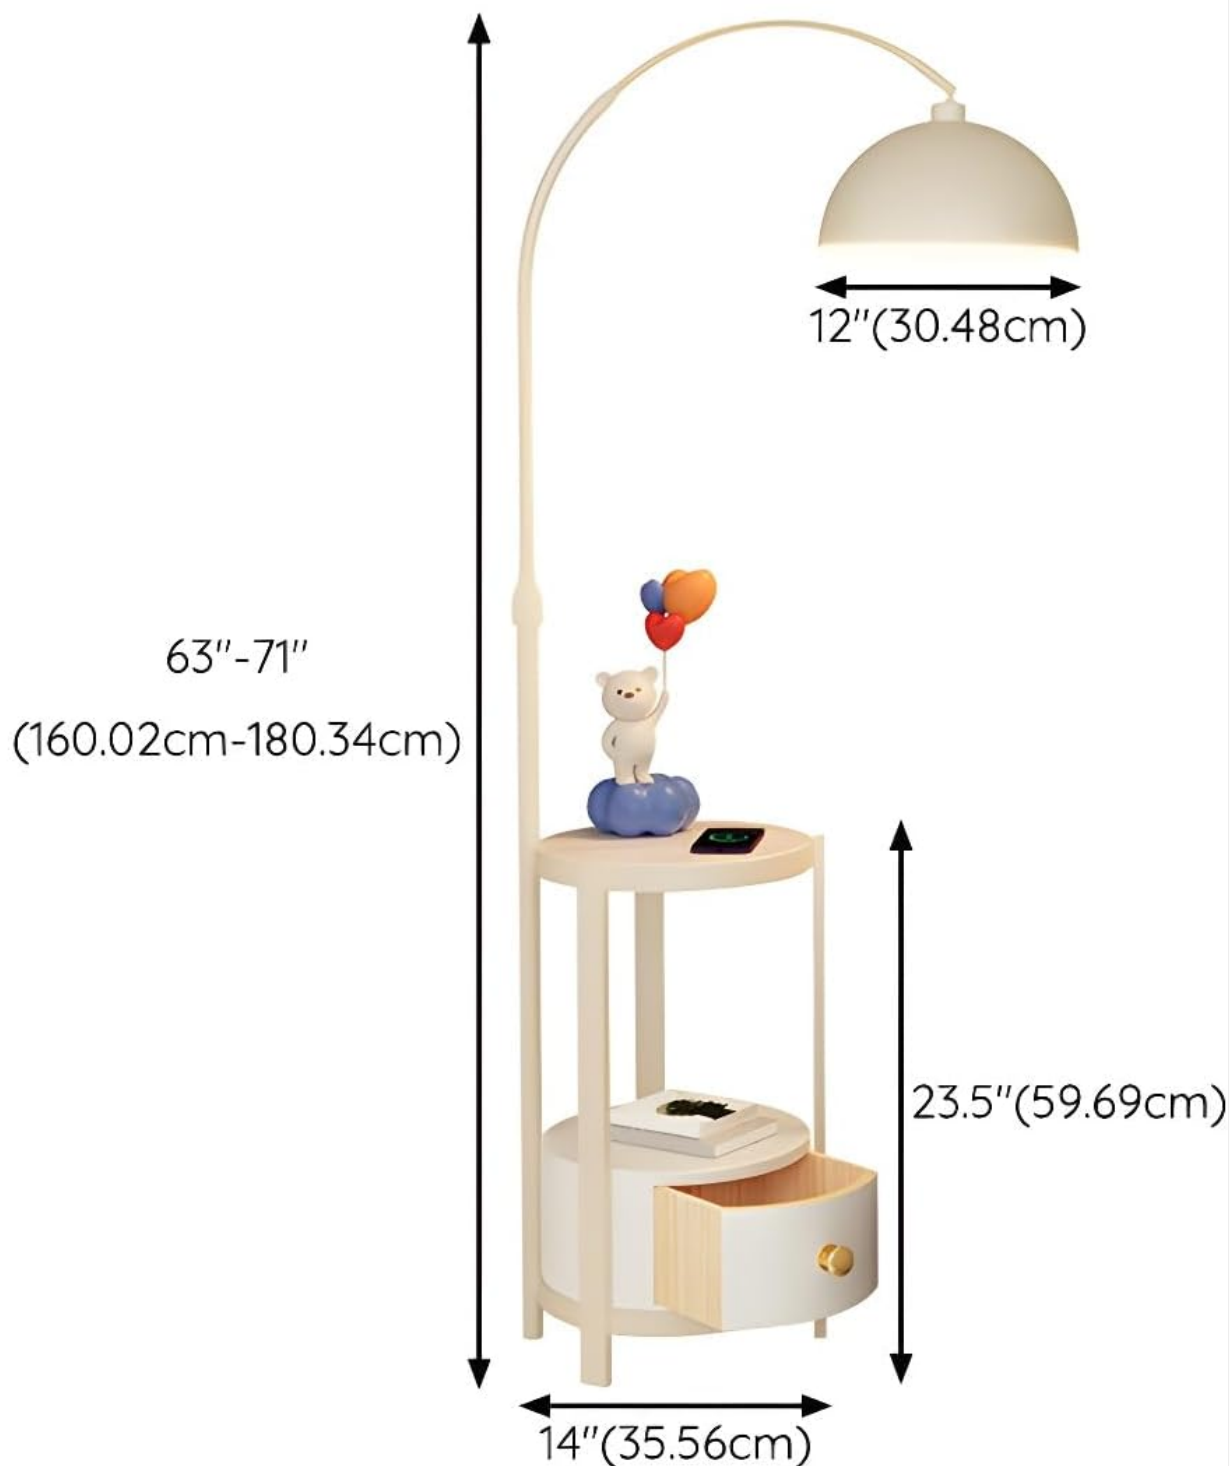

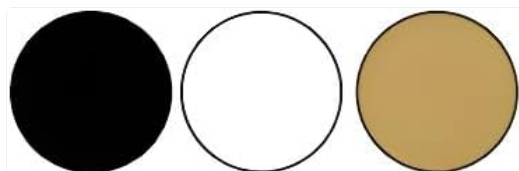

Image 4.1: Dimensional diagram of the lamp, illustrating its adjustable height (63"-71"), shade width (12"), and shelf width (14").

## 5. OPERATING INSTRUCTIONS

Operating your LITFAD Modern Arc Floor Lamp is straightforward.

1. **Connect to Power:** Once fully assembled, plug the power cord into a standard 110V-120V electrical outlet.
2. **Turn On/Off:** Locate the in-line switch on the power cord. Flip the switch to the 'ON' position to illuminate the lamp,

and to the 'OFF' position to turn it off.

3. **Adjust Height:** The lamp's height is adjustable between 63 inches and 71 inches. Carefully loosen the adjustment mechanism on the arc pole, set to the desired height, and then securely tighten the mechanism.

## 6. MAINTENANCE

---

Regular maintenance ensures the longevity and optimal performance of your lamp.

- **Cleaning:** Disconnect the lamp from power before cleaning. Use a soft, dry cloth to wipe down the metal and wood surfaces. Avoid abrasive cleaners or solvents that may damage the finish.
- **Bulb Replacement:** Ensure the lamp is unplugged and the bulb has cooled completely. Unscrew the old bulb and replace it with a new E26/E27 bulb of the appropriate wattage (refer to specifications for maximum wattage).
- **Cord Inspection:** Periodically inspect the power cord for any signs of damage, fraying, or wear. If damage is found, discontinue use and contact customer support.

## 7. TROUBLESHOOTING

---

If you encounter issues with your lamp, refer to the following common problems and solutions.

- **Lamp Does Not Turn On:**
  - Ensure the power cord is securely plugged into a working electrical outlet.
  - Check if the in-line switch is in the 'ON' position.

- Verify that the light bulb is correctly installed and not burnt out. Replace if necessary.
- Check your household circuit breaker or fuse box.

• **Light Flickers:**

- Ensure the bulb is screwed in tightly.
- Try a different bulb to rule out a faulty bulb.
- Check for loose connections in the lamp assembly.

• **Lamp is Unstable:**

- Ensure the base is fully tightened and placed on a flat, stable surface.
- Verify all pole sections are securely connected.

If these steps do not resolve the issue, please contact customer support.

8. SPECIFICATIONS

|                  |                              |
|------------------|------------------------------|
| Model Name       | LT1270913BW                  |
