ODK ODK 55-inch Gaming Desk (Model B0DW981RDX)

ODK 55-inch Gaming Desk with LED Lights and Power Outlets User Manual

Model: B0DW981RDX

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Always assemble the desk on a stable, level surface.
- Use appropriate tools and follow the instructions carefully.
- Once assembled, secure the desk to the wall using the provided hardware to prevent tipping.
- This desk has a weight limit of 150 lbs (68 kg). Do not exceed this limit.
- This product is not intended for use by children without adult supervision.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. Refer to the included parts list for detailed identification.

Long Monitor Stand

SETUP AND ASSEMBLY

Follow these steps to assemble your ODK Gaming Desk. It is recommended to have a second person for assistance during certain steps.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Hardware:** Match all screws, bolts, and tools with the provided hardware list. Extra screws are often included.
3. **Assemble Frame:** Begin by connecting the main frame components. Ensure all connections are secure but do not fully tighten bolts until the entire frame is assembled.
4. **Attach Desk Surface:** Place the desk surface onto the assembled frame. Secure it using the designated screws.
5. **Install Monitor Stand:** Attach the monitor stand to the main desk surface. Ensure it is firmly secured to support monitors.
6. **Install Storage Shelves and CPU Stand:** Position and secure the two-tier storage shelves and the CPU stand as indicated in the detailed instructions. The CPU stand is designed to accommodate most standard PC cases.
7. **Final Tightening:** Once all components are in place, carefully tighten all screws and bolts. Do not overtighten.
8. **Wall Anchoring:** For added stability and safety, especially in households with children or pets, use the provided anti-tip hardware to secure the desk to a wall.

OPERATING INSTRUCTIONS

LED Lights

The ODK Gaming Desk features integrated RGB LED strips with multiple lighting modes and color options.

Image: A close-up view of the desk's RGB LED strips, highlighting the range of 10 dynamic modes and 10 color variations available.

LED Control Panel

The LED lights are controlled via an inline control panel:

Image: An illustration of the LED control panel, detailing the functions of the Static Color, Dynamic Mode, and Speed & Brightness/Power buttons.

- **Static Color Button (C):** Press to cycle through 10 static color options.
- **Dynamic Mode Button (M):** Press to switch between 10 dynamic lighting effects. Press and hold for 3 seconds to enter demo mode, which cycles through all dynamic modes automatically.
- **Speed & Brightness / Power Button ():**
 - In Static Mode: Press to adjust brightness (3 levels: 30%, 50%, 100%).
 - In Dynamic Mode: Press to adjust the speed of the dynamic effect.
 - Press and hold to turn the LED lights off. Press briefly to turn them on.

The LED strip has a power-off memory function, restoring the last color, brightness, and mode upon next power-on.

Power Outlets

The desk includes a recessed power strip for convenient access to power.

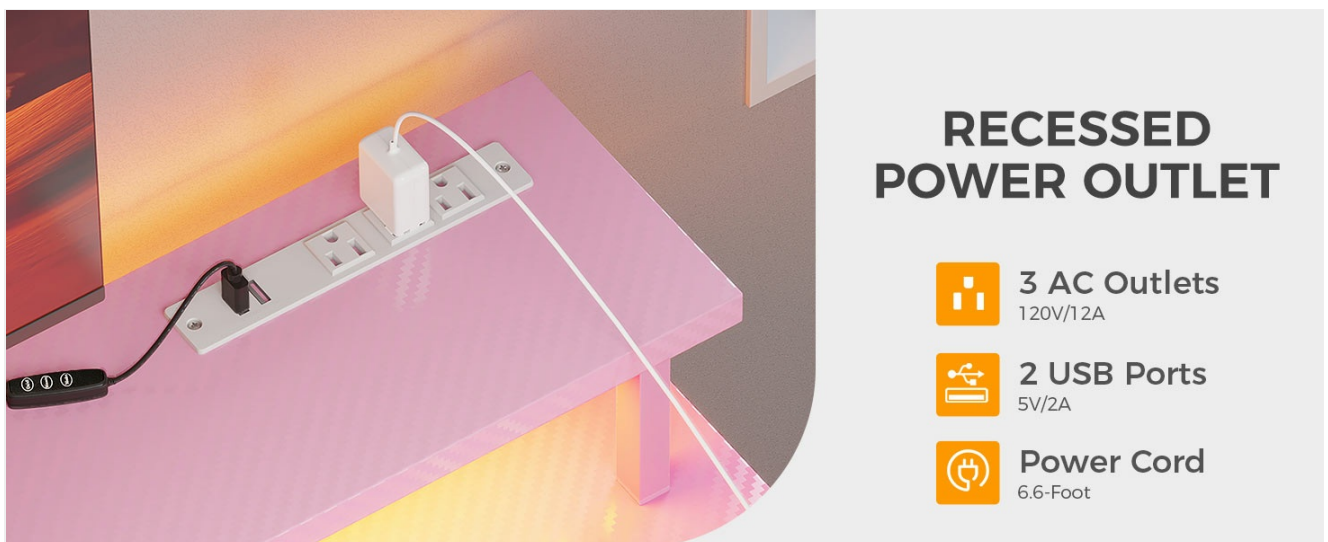

Image: A detailed view of the recessed power strip, showing its three AC outlets and two USB ports, with a device charging.

- **AC Outlets:** 3 outlets, 120V/12A.
- **USB Ports:** 2 ports, 5V/2A.
- **Power Cord:** 6.6-foot length.

Ensure the power cord is properly connected to a grounded electrical outlet before using the power strip.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your ODK Gaming Desk.

- **Cleaning the Surface:** Wipe the desk surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **LED Lights:** Keep the LED strips free from dust. If cleaning is necessary, gently wipe with a dry, soft cloth. Do not use liquids directly on the LED components.
- **Power Outlets:** Ensure the power outlets are kept dry and free from debris. Do not insert foreign objects into the outlets.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain stability.
- **Avoid Excessive Weight:** Do not place items exceeding the 150 lbs (68 kg) weight limit on the desk.

TROUBLESHOOTING

If you encounter any issues with your ODK Gaming Desk, refer to the following common solutions:

- **Desk is Unstable/Wobbly:**
 - Ensure all assembly screws and bolts are fully tightened.
 - Verify the desk is on a level surface. Adjustable feet pads can be used to compensate for uneven floors.
 - Confirm that the X-bracket design supports are correctly installed and secured.
- **LED Lights Not Working:**
 - Check if the power cord for the LED strip is securely plugged into the power outlet.
 - Ensure the power outlet itself is functional.
 - Press the Power button on the inline controller to turn the lights on.
 - If the LED strip is connected to the desk's integrated power strip, ensure that power strip is receiving power.
- **Power Outlets Not Functioning:**
 - Verify the desk's main power cord is securely plugged into a working wall outlet.
 - Check if the wall outlet has power by testing with another device.
 - Ensure no circuit breakers have tripped.
- **Missing Parts or Damaged Components:**
 - Review the package contents list and assembly instructions to confirm all parts were received.
 - Contact ODK customer support for assistance with replacement parts.
