Mova MMGM10

MOVA Robotic Mower Garage MMGM10 Instruction Manual

Model: MMGM10

1. INTRODUCTION

Thank you for choosing the MOVA Robotic Mower Garage. This garage is designed to provide optimal protection for your MOVA robotic lawnmower from various weather conditions, including rain and intense sunlight, thereby extending its lifespan and maintaining performance. Please read this manual carefully before installation and use to ensure proper setup and operation.

2. SAFETY INFORMATION

- Ensure all components are securely fastened during installation to prevent accidental detachment.
- Do not attempt to modify the garage structure, as this may compromise its protective capabilities.
- Keep children and pets away from the installation area during assembly.
- Regularly inspect the garage for any damage or loose parts, especially after severe weather conditions.

3. PACKAGE CONTENTS

Verify that all items listed below are present in the package:

- Top Cover x1
- Support Frame x2
- Ground Pegs x8
- Quick-Release Screws x10
- Hex Key x1
- Quick Guide x1
- MOVA Sticker x1

4. INSTALLATION GUIDE

Follow these steps for easy and convenient installation:

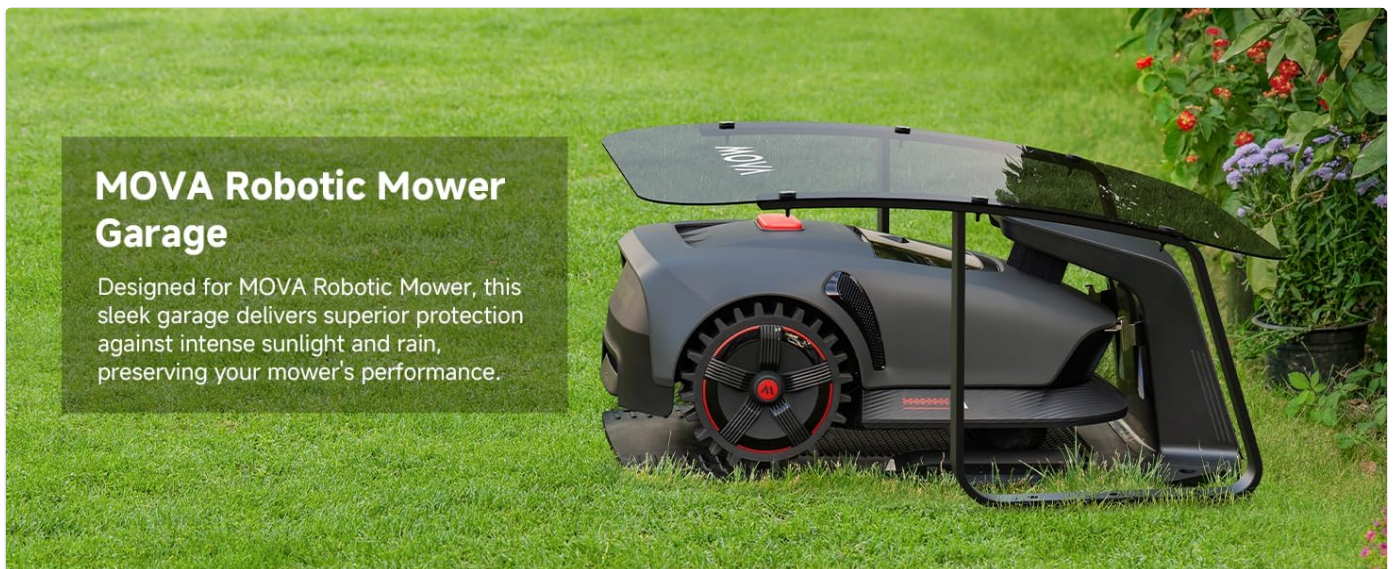

Image: Visual guide illustrating the assembly process of the MOVA Robotic Mower Garage.

1. **Align the Roof:** Align the six holes in the garage roof with the holes on the longer sides of the support frames.
2. **Insert Fasteners:** Insert the quick-release fasteners into the aligned holes. Press each fastener's head to lock it securely.
3. **Position the Garage:** Position the assembled garage in your desired location, ensuring it covers the robotic mower's charging station.
4. **Secure to Ground:** Secure the garage to the ground using the eight ground pegs and the provided hex key. Ensure the garage is stable and firmly anchored.

5. OPERATION

The MOVA Robotic Mower Garage is designed to work seamlessly with your MOVA robotic lawnmower. Once installed over the charging station, the garage provides continuous protection without interfering with the mower's operation.

- The garage allows the robotic mower to enter and exit its charging station automatically.
- It protects the mower from direct rainfall, UV radiation, and other environmental factors.
- The design ensures no signal interference or connection issues between the mower and its base station.

6. MAINTENANCE

To ensure the longevity and effectiveness of your MOVA Robotic Mower Garage, follow these simple maintenance guidelines:

- **Cleaning:** Periodically wipe down the top cover and support frames with a damp cloth to remove dirt, dust, and debris. Avoid abrasive cleaners.
- **Inspection:** Regularly check all screws and ground pegs to ensure they remain tight and secure. Re-tighten if necessary.
- **Damage Check:** Inspect the garage for any signs of damage, such as cracks or bends, especially after strong winds or heavy snowfall. Replace any damaged parts immediately.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Garage feels unstable after installation.	Ground pegs not fully inserted or loose.	Ensure all ground pegs are fully inserted and tightened with the hex key. Check the ground for unevenness.
Robotic mower has difficulty entering/exiting the garage.	Garage not positioned correctly over the charging station.	Adjust the garage's position to ensure it is centered and aligned with the mower's path to the charging station.
Water accumulates inside the garage.	Improper installation or damaged roof.	Verify that the top cover is securely attached and undamaged. Ensure the garage is on level ground to prevent water pooling.

8. SPECIFICATIONS

Feature	Detail
Brand	Mova
Model Number	MMGM10
Product Type Name	Robotic Mower Garage
Material	Plastic
Color	Mova (referring to the brand's standard color)
Item Weight	6.94 Kilograms
Product Dimensions (D x W x H)	10P x 10I x 10H mm
Assembly Required	No (simple installation steps are required, not complex assembly)
Compatibility	MOVA 1000 and MOVA 600/600Kit robotic mowers
Country of Origin	China

Note: Product dimensions (10P x 10I x 10H mm) appear to be placeholder values. Please refer to the product packaging or official MOVA website for accurate dimensions.

9. WARRANTY INFORMATION

MOVA products are manufactured to high-quality standards. This product comes with a standard manufacturer's warranty. For specific warranty terms and conditions, including duration and coverage, please refer to the warranty card included with your purchase or visit the official MOVA website. Keep your proof of purchase for warranty claims.

10. CUSTOMER SUPPORT

If you have any questions, require assistance with installation, or encounter any issues with your MOVA Robotic Mower Garage, please contact MOVA customer support. You can find contact information on the official MOVA website or through the retailer where you purchased the product.

Online Support: Visit the official MOVA website for FAQs, troubleshooting guides, and contact forms.

Email Support: Refer to your quick guide or MOVA website for the dedicated support email address.
